Day 1: Salt Lake City, Utah - Tour Begins

Set off on a Wild West adventure to explore some of America's most amazing treasures, including Grand Teton and Yellowstone national parks! Your first stop is the "City of the Saints" — Salt Lake City! Upon arrival at your hotel, take a dip in the indoor pool or explore Salt Lake, the beautiful city surrounded by the massive Wasatch and Oquirrh mountains. (D)

Day 2: Salt Lake City - Montpelier, Idaho - Jackson Hole, Wyoming Make your way into the Wild West today as you journey north through the rugged scenic beauty of Idaho and Wyoming. Visit the Oregon Trail Museum in Montpelier, Idaho for an interpretive adventure. Imagine being a part of history during a 1850s simulated wagon train experience and dive into the lives of the explorers who lived here as you learn about their adventures. Next, arrive in the cowboy town of Jackson Hole, Wyoming — the "Crown Jewel" of the Northern Rockies. Jackson Hole packs more

scenery, adventure, culture and excitement per square mile than anywhere in the country. Settle in for a four-night stay at your mountain resort. (B)

Day 3: Jackson Hole - Grand Teton National Park - Jenny Lake - Jackson Hole

Prepare for a day of excitement and countless photo ops! Set off for the awe-inspiring Teton Mountain Range. Grand Teton National Park showcases the youngest peaks in the Rockies and contains some of North America's oldest rock formations. Twelve of the Teton peaks rise above 12,000 feet and support a dozen mountain glaciers. As impressive as they are, none can compare to the Grand Teton, stretching 13,770 feet into the sky — more than a mile — above the valley of Jackson Hole. After a quick ferry ride across Jenny Lake, enjoy a hike to Inspiration Point for a spectacular lookout and an amazing waterfall. This afternoon, take to the water and hold on tight when you embark on a white-water rafting trip down the Snake

River! Take in the beauty of this majestic Alpine landscape as you paddle your way through the rapids. This evening join your fellow travel companions for a finger-licking barbecue dinner complete with cowboy entertainment. (B, L, D)

Day 4: Jackson Hole - Yellowstone National Park - Jackson Hole

Today is the day you've been waiting for — to visit the incomparable Yellowstone National Park, the first and oldest national park in the world! Yellowstone sprawls across 3,470 square miles and touches three western states. Famous for its geysers and hot springs, you'll spot incredible wildlife like free-roaming herds of buffalo that call this wonderland home. When you arrive, a ranger/guide brings the park's natural splendor to life. How far does the famous Old Faithful geyser erupt into the air? How many buffalo can you spot? Yellowstone is an experience for the whole family. (B)

Day 5: Jackson Hole Enjoy a free day to explore the beauty of Jackson Hole. There

are hiking trails to explore and many other activities to pursue independently. This evening, gather on Main Street for an old-fashioned "shootout." Then, the Wild West comes to life as you attend the exciting rodeo. (B)

Day 6: Jackson Hole - Park City, Utah Travel to Park City, home of the 2002 Winter Olympic Games and one of the most spectacular settings in North America. Visit Utah Olympic Park and enjoy a movie that features the Games'

FREQUENTLY ASKED QUESTIONS

ACCOMMODATIONS

What is the difference between a twin room and a double room?

In certain countries, hotel rooms tend to be smaller than U.S. standard accommodations. A double room is designed to accommodate two people, but may not have two separate beds. A twin bedded room has two separate beds of any size, and is the type most commonly utilized.

What size is a triple room? A triple room is the same size as a twin bedded room and beds will accommodate three people, but we cannot guarantee that there will be three separate beds. If there are only two beds, a rollaway may be requested but cannot be guaranteed due to size of room and fire codes. This will vary for our Family tours. Please inquire at time of reservation.

Can my children travel on tour? Children over the age of 5 may travel on a Collette tour accompanied by an adult. Child land rates are valid for ages 5-12, sharing a room with two full-paying adults. Children ages 4 and over may travel on a Collette Family trip, accompanied by an adult. Child land rates for Collette Family are valid for ages 4-14, sharing a room with at least one adult. If you are traveling with a child, it is your sole responsibility to ensure that the child follows all safety rules of the tour. Please note: A single adult traveling with a child on a Family tour will be charged the single rate.

Are single and triple rooms always available? On many tours, triple and single accommodations are limited and are available on a first come, first served basis. Be advised that single rooms are often smaller.

When can I check into my hotel? Normal check-in time is late afternoon in most locations. Due to early arrival times into some cities, rooms may not always be available for immediate check-in.

AIR

Can Collette book our airline reservations? Collette is happy to assist you in accommodating your flight needs. Due to tour scheduling and limited availability you are strongly encouraged to take advantage of Collette's air packages. We are not responsible for air arrangements you have made on your own. On occasion, it is necessary to change tour dates. In this case, we can only protect air reservations booked through Collette. For all air reservations, it is strongly recommended to reconfirm flights before departure, in the event that the airline has an unexpected schedule change. We cannot assume responsibility for schedule changes, routings or flight cancellations involving the airlines.

ATTRACTIONS & SIGHTSEEING

Are attractions always available? Access to some attractions or Collette Foundation sites may be affected by the observance of holidays, weather conditions or other circumstances. As a result, the days and order of sightseeing may change to best utilize your time on tour. Boat rides are weather permitting. Some attractions may not be available during the "off-season" months. When attractions are unavailable, other similar attractions will be substituted. Wildlife sightings are not guaranteed.

Is there a lot of walking on tour? We pride ourselves on bringing travelers the very best experiences a destination offers. Our itineraries include many activities and may consist of walking on uneven terrain or significant walking at times. Some of the most unique sightseeing can mean accessing locations that restrict motorcoaches, especially in historic areas. Some hotels/lodges in remote locations may not have elevators. For your comfort, we recommend bringing walking shoes. Review each tour's "Tour Activity Level" and "Tour Pacing" (pg 105) for details.

Can you tell me more about the safaris? In order to most fully experience the wildlife, you will be traveling by custom-built safari vehicle which requires climbing in and out frequently and sometimes travels on bumpy roads. To experience Africa fully we recommend that all travelers be in reasonably good health and prepare properly.

How can I plan for shore landings? Special clothing is required for the shore landings (Antarctica, Galapagos); please refer to your predeparture documents for important details.

Are all theater performances suitable for children? Some theater performances may be unsuitable for children – consult your tour manager.

DOCUMENTATION

Do I need a passport? Government-issued identification is required for all air travel. A valid passport is required for all trips outside the USA. All passengers should check with the appropriate foreign consulate for entry and validity requirements. We recommend that your passport has six months validity, and at least 3 blank pages. Passports and visas are the responsibility of each client.

International Borders Any child under age 16 (traveling without a parent or legal guardian to Canada) must have written permission from a parent or legal guardian.

Please be advised that if you have been convicted of an offense, or have committed a criminal act that is an offense under the laws where it occurred and would be an offense in Canada, you may be inadmissible into Canada. You will need to apply for a Minister's Permit of Approval of Rehabilitation at a Canadian Consulate. All other travelers should contact the appropriate consulate for entry requirements in other international destinations.

EXTENDING YOUR STAY

Can I extend my tour to see more of a region? Yes! You may enhance your tour by purchasing either an extension or pre/post hotel stays, offered on select tours. Extensions may be "hosted" rather than escorted. When hosted, passengers will be greeted upon arrival by a local tour manager who will provide all included services and be available on-call during the duration of the extension. A minimum number of passengers may be required to operate some extensions. Extensions not purchased at time of deposit are subject to availability and applicable charges at time of request.

Collette also offers pre and post hotel nights before and/or after a tour for you to explore the destination independently. Should you purchase additional nights, please be advised that your tour manager will not be available during this time.

EXTRAS

What is not included in the tour price? The land price does not include air travel, airline fees, airport or departure taxes, transfers, visas, customary end-of-trip gratuities for your tour manager, driver, local guides, hotel housekeepers, cruise ship waitstaff, and any incidental charges.

LATE BOOKINGS

Do you accept late bookings? Tour sales normally close 7 days prior to departure. All late bookings are on request and must be guaranteed with a credit card if within 60 days of departure date.

ON TOUR EXPERIENCE

Where do I meet my tour manager? Your tour will begin at your first hotel. The tour manager will make contact with you at the hotel and will provide details relating to your tour. The hotel's address and phone number will be included in your documents.

Can I prepurchase optional excursions/activities? Yes, the majority of optional excursions and activities are available for advance purchase for applicable tours provided that you make your options purchase prior to 15 days of the tour departure. Collette makes it convenient to reserve presold options by visiting our website for a full listing of activities and excursions or when your reservation is made with our reservations staff. In addition, there are benefits to prepurchasing options including a price guarantee once your

tour is paid in full. So, while the cost of an optional activity may change from the time you book your tour, once payment is received in full, your preselected options are guaranteed by Collette at their original price. Although you can still purchase options while on tour, reserving them ahead of time ensures you a spot in the event that the activity sells out. Collette will provide a refund if you cancel a presold option prior to tour departure. Any presold options cancelled while on tour are nonrefundable.

WHAT DO THESE SYMBOLS MEAN?

Leisure Stay tours are designed to allow for multiple night stays at each hotel. This allows you a more leisurely pace and more time to explore the destinations on your own.

Cruise-Land tours combine the best of both land and sea. These tours feature all the qualities of our traditional escorted tours, including a tour manager, and also include an ocean vessel and a portion on land.

River Cruise tours feature small, intimate vessels for a more personal experience as you travel through a variety of beautiful waterways that are inaccessible to larger cruise ships, and sometimes includes a portion on land.

REVISIONS/CHANGES

Would my tour date ever be changed? While it is unlikely, Collette does reserve the right to cancel a tour prior to departure. Should this happen, Collette will make every effort to put you on another departure date. If an alternate cannot be found, a full refund will be made. Air booked through Collette will be protected. We cannot be held responsible for penalties incurred if you have secured your own air.

Can I make changes to my reservation? Should you decide to change your reservation after initial booking, a handling fee of \$25 per transaction will be charged. A change of tour date, tour itinerary or passenger name, within the guidelines of the cancellation policy, will be treated as a cancellation and regular cancellation fees may apply.

Revisions to air tickets are subject to the rules and regulations of the airline. See our Cancellation Policy for more details.

TOUR PACING

How can I be best prepared for the pacing and physical requirements on a Collette tour? Tour pacing varies by itinerary, and each destination's sightseeing and activities are unique. Pacing is subject to personal interpretation. At Collette, we do include the best a destination has to offer, enhancing your overall tour experience. For overnight pacing of a tour, please refer to the "Accommodations" section on each tour page and on the tour map. These describe the number of nights you will stay in each hotel during your tour. The day-by-day descriptions will provide additional detail about the number of activities included in each day.

The Tour Activity Level Ranking is featured on each tour itinerary in a circle. The definition of each activity level is listed here. If you have additional questions regarding a specific tour, please inquire at time of reservation. For your comfort, we recommend packing comfortable walking shoes so you can fully enjoy every aspect of your tour.

Level 1: At a very leisurely pace, this tour involves minimal physical activity, such as climbing some stairs, boarding a motorcoach, and walking from the hotel reception area to hotel rooms and dining areas.

Level 2: This tour requires average physical activity. You should be in good health, able to climb stairs and walk reasonable distances, possibly over uneven ground and cobblestoned streets.

Level 3: This tour includes moderate physical activity. The itinerary blends some longer days with shorter days and more leisure time. Walking tours, as well as walking slightly longer distances, up stairs or on uneven walking surfaces should be expected.

Level 4: To truly experience the program and destination, you need to be able to participate in physical activities such as longer walking tours, walking over uneven terrain, climbing stairs and periods of standing. Some of the touring days may be longer, with select included activities occurring later in the evening.

Level 5: This tour is very active, requiring participants to be physically fit to fully enjoy all the experiences. This itinerary has more strenuous activities which may include such things as: extensive walking tours, transfers over uneven and dusty terrain, high altitudes, early morning departures, late night activities, or extreme temperatures. All conditions do not apply to all days so please read the itinerary carefully and speak to one of our travel counselors to determine if this tour is right for you. We recommend this program to individuals who are physically fit. Unfortunately, this tour is not appropriate for individuals who use either walkers or wheelchairs. If this trip is not ideally suited for you, our travel counselors can help determine the perfect trip for you.

COLLETTE'S TRAVEL PROTECTION PLAN

Payment of a per person Travel Protection Plan fee guarantees a full refund of all payments (including deposit), except the Travel Protection Plan fee itself, made to Collette for travel arrangements in case of cancellation of your travel plans for any reason prior to the day of departure. The Travel Protection Plan fee with air only covers airline tickets you have purchased from Collette.

Exception: If you originally purchased nonrefundable airline tickets, the Travel Protection Plan does not provide a refund for the airline tickets, taxes or fees, in the event of a cancellation. This air ticket is covered by Collette's Travel Protection Plan under Part B, if you cancel your trip for covered reasons (see Part B for more details).

Collette's Travel Protection Plan protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. The Travel Protection Plan does not indemnify you from penalties if you choose to cancel partial tour components or air. If you choose to partially cancel your tour, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation.

Collette's Travel Protection Plan does not cover any single supplement charges which arise from an individual's traveling companion electing to cancel for any reason prior to departure. In this case, the single supplement will be deducted from the refund of the person who cancels. (However, the Part B travel insurance includes a single supplement benefit of \$1,000 for certain covered reasons, as detailed in Part B.) Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement.

Payment of the Travel Protection Plan Fee (if chosen) must be received by Collette with your deposit. The fee is nontransferable and valid for each applicant only.

Collette can assume no responsibility for and cannot be held liable for any wrongful, negligent or unauthorized acts or omissions of any travel agent or travel agency other than that of Collette Travel Service, Inc. itself, and its own employees. On tour, insurance benefits are provided if you: must interrupt your trip or return home early for a covered reason; incur medical expenses for a covered sickness or injury; need medical assistance or evacuation; suffer a baggage loss or delay of more than 24 hours; or are delayed on tour for 12 hours or more for a covered reason.

This air ticket is covered by Collette's Travel Protection Plan under Part B if you cancel your trip for

CONSUMER PROTECTION PLANS

Collette is a member of the following organizations: The National Tour Association, The United States Tour Operators Association, The Alliance of Canadian Travel Associations, the Travel Industry Council of Ontario, and the Association of British Travel Agents. Some of these associations operate a consumer protection plan to cover deposits placed with any tour operator member. In the case of USTOA, the consumer protection bond is \$1 million. Full details are available from the organizations or Collette. Collette is pleased to give this additional protection to our clients.

AIRFARE

For your convenience, we offer airfare for purchase with all tours packages. If you purchase an air-inclusive program, your airfare will be quoted inclusive of all fuel, taxes and fees. Your rates are subject to change until paid in full. Seats are limited and may not be available on every flight or departure date.

Instant Purchase Nonrefundable Airfare includes roundtrip airport/hotel transfers (excluding pre- or post-days and extensions). Instant Purchase nonrefundable airfare requires full payment at the time of booking. If you purchase the Travel Protection Plan, it does not provide a refund for the airline tickets in the event of a cancellation (there is coverage under Part B for Instant Purchase airline tickets if you cancel your trip for covered reasons – see Part B for more details). Tickets will be issued immediately and once issued are nonrefundable, and may only be changed for a fee up to \$300 plus any difference in airfare for travel in the following 12 months; specific fees and policies may vary by airline. These tickets include an administration fee and roundtrip airport-to-hotel transfers, of which both hold no airline reissue value. Once issued, there can be no fluctuation in price due to an increase in government taxes or in airline fuel surcharges.

Aircraft Cabin Disinsection Disclaimer

Some countries may require aircraft cabin insecticide treatment for inbound foreign flights. Information about aircraft disinsection requirements and a list of countries requiring such disinsection are available online at <http://www.dot.gov/office-policy/aviation-policy/aircraft-disinsection-requirements>.

TRAVELERS NEEDING SPECIAL ASSISTANCE

You must report any disability requiring special attention to Collette at the time the reservation is made.* Collette will make reasonable efforts to accommodate the special needs of tour participants. Such participants, however, should be aware that the Americans with Disabilities Act is inapplicable outside of the United States and facilities outside the United States for disabled individuals are limited. It is strongly recommended that persons requiring assistance be accompanied by a companion who is capable of and totally responsible for providing the assistance. Neither Collette nor its personnel, nor its suppliers, may physically lift or assist clients into transportation vehicles. If a traveler thinks he or she might need assistance during a trip, he or she should call Collette to determine what assistance might reasonably be given. Collette cannot provide special individual assistance to tour members with special needs for walking, dining or other routine activities.

*To request a wheelchair accessible room on a cruise, the traveler or person sharing the room must have a recognized disability that alters a major life function and requires the use of a mobility device and the use of the accessible features provided in the wheelchair accessible stateroom.

BAGGAGE DISCLAIMER

Although every effort is made to handle passengers' luggage as carefully as possible, Collette is not responsible for and does not assume liability or accept claims for loss of or damage to luggage due to breakage, theft or wear and tear through hotel and group carrier handling. It is recommended for your own self-interest and protection that you have adequate insurance to cover these eventualities. Check with your sales agent for low-cost insurance to cover these risks.

Checked Baggage Charges: Some airlines may impose additional charges if you choose to check any baggage. Please contact your airline or refer to its website for detailed information regarding your airline's checked baggage policies. Please be advised there is a \$25 USD/CAD charge (per piece) for checked baggage on most transborder flights between U.S. & Canada. This is a fee levied by the airlines, not Collette, and may be subject to change.

HOLIDAY AND MUSEUM CLOSURES

Museum visits and personal shopping time may be disrupted due to unforeseen circumstances or many religious, state and local holidays observed throughout the world.

MOTORCOACH WASHROOMS

Most motorcoaches used on our tours are equipped with washrooms except safari vehicles, exotic locations, and some of our Explorations tours. These are typically for emergency use, as we make plenty of comfort stops, allowing you the opportunity to use public restrooms and/or stretch your legs.

MAPS AND PHOTOS

Maps shown on tour pages are current at the time of printing and may not reflect actual tour routing should the tour change. Photos shown on tour pages are reflective of the area(s) visited, but may not be included in the actual tour itinerary.

EXPLANATION OF RESPONSIBILITIES AND TOUR CONDITIONS FOR COLLETTE

Please contact your local travel clinic or personal physician for specific details on the destinations you are traveling to and from. Any person reserving or purchasing any Collette product published in this brochure accepts the condition that Collette reserves to itself the exclusive right to change or cancel itineraries, hotels, and other tour components whenever it is deemed necessary. If this occurs, every effort will be made to offer alternate dates and/or programs. Published times on itineraries are as accurate as possible but subject to change due to traffic, weather, mechanical and any other conditions beyond Collette's control that prevent Collette from operating as scheduled. Collette expressly disclaims any liability for any damages that may be incurred for any changes, cancellations or delays on any itinerary on any Collette tour.

All rates on foreign tours are subject to fluctuations of currency and may be changed when necessary without advance notice prior to deposit.

All rates published are per person as indicated and are based on double occupancy when only one rate is shown. Reservations will be accepted subject to availability at the time of request and will be considered confirmed only upon receipt of a minimum deposit. Child land rates are available and are valid for ages 5-12, sharing a room with two full-paying adults. Children ages 4 and over may travel on a Collette Family trip, accompanied by an adult. Child land rates for Collette Family are valid for ages 4-14, sharing a room with at least one adult.

Collette does not accept liability in the case of any passenger being denied boarding by any airline carrier due to the carrier's overbooking of a flight. All cancellation charges, fees and refunds for any tour within this brochure are in effect as of the effective date as indicated on page 105 and supersede any other previously printed policies relating to these same charges.

GENERAL DISCLAIMER

Neither Collette Travel Service, Inc., its affiliated entities and its and their employees, shareholders, officers, directors, successors, agents, and assigns (collectively "Collette"), own or operate any person or entity which is to or does provide goods or services for these trips. Collette does not maintain control or operate the personnel, equipment, or operations of these suppliers it uses and as such Collette assumes no responsibility for and cannot be held liable for any personal injury, death, property damage or other loss, accident, delay, inconvenience, or irregularity which may be occasioned by reason of (1) any wrongful, negligent, willful or unauthorized acts or omissions on the part of any of the suppliers or other employees or agents, (2) any defect in or failure of any vehicle, equipment, or instrument owned, operated or otherwise used by any of these suppliers, or (3) any wrongful, willful or negligent act or omission on the part of any other party not under the supervision and control of Collette.

Client shall indemnify and hold harmless Collette Travel Service, Inc., its affiliated entities and its and their employees, agents, shareholders, officers, successors and assigns (collectively "Collette"), from all suits, actions, losses, damages, claims or liability for any personal injury, death, property damage or other loss, accident, delay, inconvenience or irregularity which is occasioned by any negligent acts or omissions of Collette arising out of any goods or services provided for this or these trips.

Additionally, responsibility is not accepted for losses or expenses due to sickness, lack of appropriate medical facilities or practitioners, weather, strikes, theft or

other criminal acts, war, terrorism, computer problems, or other such causes. All services and accommodations are subject to the laws of the country in which they are provided. Collette reserves the right to make changes in the published itinerary whenever, in their sole judgment, conditions warrant, or if Collette deems it necessary for the comfort, convenience, or safety of the tour. Collette reserves the right to withdraw any tour announced. Collette reserves the right to decline to accept any person as a member of the tour, or to require any participant to withdraw from the tour at any time, when such action is determined by the tour manager to be in the best interests of the health, safety, and general welfare of the tour group or of the individual participant. Neither does Collette accept liability for any carrier's cancellation penalty incurred by the purchase of a nonrefundable airline or other ticket to the tour departure city and return or otherwise. Baggage and personal effects are the sole responsibility of the owner at all times.

Participants may be photographed for the promotional purposes of Collette. Payment of the deposit to Collette constitutes acceptance of these terms and conditions.

ARBITRATION

I agree that any dispute concerning, relating, or referring to this contract, the brochure or any other literature concerning my trip, or the trip itself, shall be resolved exclusively by binding arbitration according to the then existing rules of the American Arbitration Association in the State of Rhode Island. Such proceedings will be governed by and in accordance with substantive Rhode Island law. The arbitrator and not any federal, state, or local court or agency shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability, conscionability, or formation of this contract, including but not limited to any claim that all or any part of this contract is void or voidable.

FORUM SELECTION

This Agreement shall be governed and interpreted pursuant to the laws of the State of Rhode Island by mutual agreement of the parties hereto and the Federal and State Courts in Rhode Island shall have exclusive and sole jurisdiction over any dispute, controversy or suit arising relative to this Agreement.

Family Tours Disclaimer

Collette will make reasonable efforts to accommodate the special needs of any minor child during the tour. However, Collette cannot provide special individual assistance to any minor tour participant. The adult travel companion shall be primarily responsible for the conduct and care of the minor tour participant. Collette will not accept any parental responsibility for the minor tour participant.

Unlike most other coverage, you also receive a full refund for cancellations any time, for any reason, prior to the day of departure. At Collette, your safety is always our primary concern. One price, one package, complete protection.

Collette is proud to be a member of USTOA (United States Tour Operators Association), an association that represents the tour operator industry. The USTOA logo on our brochures signifies that Collette is a member in good standing and is backed by their \$1 Million Travelers Assistance Program.

Further, you should understand that the \$1 million posted by Collette may be sufficient to provide only a partial recovery of the advance payments received by Collette. The screenshot shows a travel website interface for a "National Parks of America" tour. At the top, there are buttons for "BACK TO TOUR DETAILS" and "BOOK NOW". The main heading is "National Parks of America" with a price of "From \$2,999 pp*" and "12 Days + 16 Meals". A note below the price states "*Rate is per person, land only, double occupancy." The central content area is a collage of images: a large teepee, a couple smiling, a person on horseback, a white rock formation, a group of people, a bison, and a geyser. A green text box contains a testimonial: "Next to our marriage and the birth of our children, this tour was the greatest experience that she and I have ever enjoyed.
