Note that villas in Tuscany are dotted throughout the region and we use different properties on this program. Some may be located in the countryside, removed from a city center. Still others may be closer to the hustle and bustle of the region. Each one is unique, full of history, with many amenities, and brimming with true Tuscan flavor. This is part of the fun! In order to fully experience the destination, some of our hotels on these programs are located in smaller towns or on country roads where access is limited for large coaches. In these cases, you will be dropped off as close as possible and there will be a short walk to access the hotel from the drop-off area. Our passengers will arrive into the Milan airport and depart out of the Venice Airport. All of our departure transfers will depart from Venice city center to the Venice airport.

Day 1: Overnight Flight Set out on a journey full of dramatic contrasts. Discover Iceland, a land and culture forged by fire and ice. Steaming lava fields reflect a volcanic nature. Massive glaciers sculpt mountains and valleys, leaving thundering waterfalls and plunging fjords.

Day 2: Reykjavik, Iceland - Tour Begins Begin in Reykjavik where you have the choice of two cultural experiences. You may opt to set out on a bicycle trip that explores the old town, the heart of the city and the old cemetery. Or, you may choose a personal walking tour of the city's old section that features Hallgrímskirkja church, City Hall, the harbour, and Reykjavik's oldest building, home of the Kraum Icelandic Design Center. Tonight, get to know your fellow travellers at a popular restaurant while dining on Icelandic cuisine. (D)

Day 3: Reykjavik - Golden Circle - Reykjavik Travel the incredible Golden Circle, a route that encompasses many of Iceland's most renowned natural wonders. Marvel at the beauty of the Gullfoss

(Golden Falls) Waterfall, a stunning 100-foot double cascade. Journey to Thingvellir National Park, the nation's most historic area. Here, Icelanders gathered in A.D. 930 and established what is considered one of the world's first parliaments. Find yourself standing upon one of the globe's most geologically significant landscapes – Thingvellir's rugged rift valley – a UNESCO World Heritage site that marks the crest of the Mid-Atlantic Ridge, the point where the North American and Eurasian tectonic plates meet. Return to Reykjavik and have time to explore the city on your own. Later, you may choose to learn more about Iceland's volcanoes and how important they are to the country during an optional tour to Volcano House. (B)

Day 4: Reykjavik - Grundarfjordur Journey to the Snaefellsnes Peninsula. Catch a glimpse of Hallmundarhraun, the largest lava field in this region where lava emanated from the northwestern slopes of the Langjökull (long glacier). See the first toehold of vegetation growing close to where the eruption began. Visit the Settlement Museum

to discover the Saga of Settlement of Iceland and delve into the life and works of the famous Viking and poet Egill Skallagrimsson. Embark on a true Icelandic cultural adventure as you spend time with a family that keeps alive a 400-year-old tradition of catching and preserving Greenland shark. See the fishing boat that was used by their grandfather; the tiny farmer's church; and explore the museum to learn more about Iceland's deep relationship with this trade. Before leaving, taste "hakare," cured shark meat. Travel to the fishing village of Grundarfjordur and board a traditional oak fishing vessel. Head out to Melrakkaey Island, a Puffin sanctuary. En route you may have the opportunity to immerse yourself in Icelandic fishing practices by joining your captain as he fishes for tonight's dinner. Experience the life of the locals as you overnight in this quaint fishing village. (B, D)

Day 5: Grundarfjordur - Akureyri Continue the adventure as we travel to the north of the country. En route, stop at the home of Erik the Red, now a museum.

Blue Lagoon

Puffin Sanctuary

Imagine yourself a part of his grand explorations before he was exiled to Greenland. Upon arrival in Akureyri, enjoy some time to independently explore the city center of this “unofficial” capital of northern Iceland. (B)

Day 6: Akureyri Today it’s your choice. Enjoy immersing yourself in the nature of Iceland on your horseback riding excursion; or, spend the day reflecting and relaxing in the geothermal Myvatn Nature Baths. Have the evening at leisure in Akureyri to explore independently. (B)

FREQUENTLY ASKED QUESTIONS

ACCOMMODATIONS

What is the difference between a twin room and a double room?

In certain countries, hotel rooms tend to be smaller than Canadian standard accommodations. A double room is designed to accommodate two people, but may not have two separate beds. A twin bedded room has two separate beds of any size, and is the type most commonly utilized.

What size is a triple room? A triple room is the same size as a twin bedded room and beds will accommodate three people, but we cannot guarantee that there will be three separate beds. If there are only two beds, a rollaway may be requested but cannot be guaranteed due to size of room and fire codes. This will vary for our Family tours. Please inquire at time of reservation.

Can my children travel on tour? Children over the age of 5 may travel on a Collette tour accompanied by an adult. Child land rates are valid for ages 5-12, sharing a room with two full-paying adults. Children ages 4 and over may travel on a Collette Family trip, accompanied by an adult. Child land rates for Collette Family trips are valid for ages 4-14, sharing a room with at least one adult. If you are travelling with a child, it is your sole responsibility to ensure that the child follows all safety rules of the tour. Please note: A single adult travelling with a child on a Family tour will be charged the single rate.

Are single and triple rooms always available? On many tours, triple and single accommodations are limited and are available on a first come, first served basis. Be advised that single rooms are often smaller.

When can I check into my hotel? Due to early arrival times into some cities, rooms may not always be available for immediate check-in.

AIR

Can Collette book our airline reservations? Collette is happy to assist you in accommodating your flight needs. Due to tour scheduling and limited availability, you are strongly encouraged to take advantage of Collette's air packages. We are not responsible for air arrangements you have made on your own. On occasion, it is necessary to change tour dates. In this case, we can only protect air reservations booked through Collette. For all air reservations, it is strongly recommended to reconfirm flights before departure, in the event that the airline has an unexpected schedule change. We cannot assume responsibility for schedule changes, routings or flight cancellations involving the airlines.

ATTRACTIONS & SIGHTSEEING

Are attractions always available? Access to some attractions or Collette Foundation sites may be affected by the observance of holidays, weather conditions or other circumstances. As a result, the days and order of sightseeing may change to best utilize your time on tour. Boat rides are weather permitting. Some attractions may not be available during the "off-season" months. When attractions are unavailable, other similar attractions will be substituted. Wildlife sightings are not guaranteed.

Is there a lot of walking on tour? We pride ourselves on bringing travellers the very best experiences a destination offers. Our itineraries include many activities and may consist of walking on uneven terrain or significant walking at times. Some of the most unique sightseeing can mean accessing locations that restrict motorcoaches, especially in historic areas. Some hotels/lodges in remote locations may not have elevators. For your comfort, we recommend bringing walking shoes. Review each tour's "Tour Activity Level" and "Tour Pacing" (pg 47) for details.

Can you tell me more about the safaris? In order to most fully experience the wildlife, you will be travelling by custom-built safari vehicle which requires climbing in and out frequently and sometimes travels on bumpy roads. To experience Africa fully we recommend that all travellers be in reasonably good health and prepare properly.

How can I plan for shore landings? Special clothing is required for the shore landings (Antarctica, Galapagos); please refer to your predeparture documents for important details.

Are all theatre performances suitable for children? Some theatre performances may be unsuitable for children – consult your tour manager.

DOCUMENTATION

Do I need a passport? Government-issued identification is required for all air travel. A valid passport is required for all trips outside Canada. All passengers should check with the appropriate foreign consulate for entry and validity requirements. We recommend that your passport has seven months validity, and at least 3 blank pages. Passports and visas are the responsibility of each client.

In South Africa, children are required to have a passport as well as additional documentation to travel with you into and out of the country. Please consult the South African Embassy for the current specific requirements related to your travel dates.

EXTENDING YOUR STAY

Can I extend my tour to see more of a region? Yes! You may enhance your tour by purchasing either an extension or pre/post hotel stays, offered on select tours. Extensions may be "hosted" rather than escorted. When hosted, passengers will be greeted upon arrival by a local tour manager who will provide all included services and be available on-call during the duration of the extension. A minimum number of passengers may be required to operate some extensions. Extensions not purchased at time of deposit are subject to availability and applicable charges at time of request. Collette also offers pre and post hotel nights before and/or after a tour for you to explore the destination independently. Should you purchase additional nights, please be advised that your tour manager will not be available during this time.

EXTRAS

What is not included in the tour price? The land price does not include air travel, airline fees, airport or departure taxes, transfers, visas, customary end-of-trip gratuities for your tour manager, driver, local guides, hotel housekeepers, cruise ship waitstaff, and any incidental charges.

LATE BOOKINGS

Do you accept late bookings? Tour sales normally close 7 days prior to departure. All late bookings are on request and must be guaranteed with a credit card if within 60 days of departure date.

ON-TOUR EXPERIENCE

Where do I meet my tour manager? Your tour will begin at your first hotel. The tour manager will make contact with you at the hotel and will provide details relating to your tour. The hotel's address and phone number will be included in your documents.

Can I prepurchase optional excursions/activities? Yes, the majority of optional excursions and activities are available for advance purchase for applicable tours provided that you make your options purchase prior to 15 days of the tour departure. Collette makes it convenient to reserve presold

options by visiting our website for a full listing of activities and excursions or when your reservation is made with our reservations staff. In addition, there are benefits to prepurchasing options including a price guarantee once your tour is paid in full. So, while the cost of an optional activity may change from the time you book your tour, once payment is received in full, your preselected options are guaranteed by Collette at their original price. Although you can still purchase options while on tour, reserving them ahead of time ensures you a spot in the event that the activity sells out. Collette will provide a refund if you cancel a presold option prior to tour departure. Any presold options cancelled while on tour are nonrefundable.

WHAT DO THESE SYMBOLS MEAN?

Leisure Stay tours are designed to allow for multiple night stays at each hotel. This allows you a more leisurely pace and more time to explore the destinations on your own.

Cruise-Land tours combine the best of both land and sea. These tours feature all the qualities of our traditional escorted tours, including a tour manager, and also include an ocean vessel and a portion on land.

River Cruise tours feature small, intimate vessels for a more personal experience as you travel through a variety of beautiful waterways that are inaccessible to larger cruise ships, and sometimes includes a portion on land.

REVISIONS/CHANGES

Would my tour date ever be changed? While it is unlikely, Collette does reserve the right to cancel a tour prior to departure. Should this happen, Collette will make every effort to put you on another departure date. If an alternate cannot be found, a full refund will be made. Air booked through Collette will be protected. We cannot be held responsible for penalties incurred if you have secured your own air.

Can I make changes to my reservation? Should you decide to change your reservation after initial booking, a handling fee of \$25 per transaction will be charged. A change of tour date, tour itinerary or passenger name, within the guidelines of the cancellation policy, will be treated as a cancellation and regular cancellation fees may apply.

Revisions to air tickets are subject to the rules and regulations of the airline. See our Cancellation Policy for more details.

TOUR PACING

How can I be best prepared for the pacing and physical requirements on a Collette tour? Tour pacing varies by itinerary, and each destination's sightseeing and activities are unique. Pacing is subject to personal interpretation. At Collette, we do include the best a destination has to offer, enhancing your overall tour experience. For overnight pacing of a tour, please refer to the "Accommodations" section on each tour page and on the tour map. These describe the number of nights you will stay in each hotel during your tour. The day-by-day descriptions will provide additional detail about the number of activities included in each day.

The Tour Activity Level Ranking is featured on each tour itinerary in a circle. The definition of each activity level is listed here. If you have additional questions regarding a specific tour, please inquire at time of reservation. For your comfort, we recommend packing comfortable walking shoes so you can fully enjoy every aspect of your tour.

Level 1: At a very leisurely pace, this tour involves minimal physical activity, such as climbing some stairs, boarding a motorcoach, and walking from the hotel reception area to hotel rooms and dining areas.

Level 2: This tour requires average physical activity. You should be in good health, able to climb stairs and walk reasonable distances, possibly over uneven ground and cobblestoned streets.

Level 3: This tour includes moderate physical activity. The itinerary blends some longer days with shorter days and more leisure time. Walking tours, as well as walking slightly longer distances, up stairs, or on uneven walking surfaces should be expected.

Level 4: To truly experience the program and destination, you need to be able to participate in physical activities such as longer walking tours, walking over uneven terrain, climbing stairs and periods of standing. Some of the touring days may be longer, with select included activities occurring later in the evening.

Level 5: This tour is very active, requiring participants to be physically fit to fully enjoy all the experiences. This itinerary has more strenuous activities which may include such things as: extensive walking tours, transfers over uneven and dusty terrain, high altitudes, early morning departures, late night activities, or extreme temperatures. All conditions do not apply to all days, so please read the itinerary carefully and speak to one of our travel counsellors to determine if this tour is right for you. We recommend this program to individuals who are physically fit. Unfortunately, this tour is not appropriate for individuals who use either walkers or wheelchairs. If this trip is not ideally suited for you, our travel counsellors can help determine the perfect trip for you.

Collette's Travel Protection Plan protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. Some of these associations operate a consumer protection plan to cover deposits placed with any tour operator member. In the case of USTOA, the consumer protection bond is \$1 million. Full details are available from these organizations or Collette. Collette is pleased to give this additional protection to our clients.

CURRENCY

Unless specified otherwise, all statements of or references to dollar amounts in these terms and conditions are to lawful money of Canada.

PROOF OF CITIZENSHIP: PASSPORTS & VISAS

Documentation is required by foreign governments for all trips outside Canada. Clients/passengers should check with the appropriate foreign consulate/embassy for entry requirements, including whether you need to obtain a visa before entering your destination country and, if you do need to get a visa, its cost and timing. Please remember that the possession of valid passports and necessary visas are the responsibility of each client/passenger. If you would like assistance in ensuring you have the proper visa(s) for your trip outside of Canada, we would be happy to refer you to a company that can assist you.

TRAVEL CONDITIONS

There may be different living standards and practices and different standards and conditions with respect to the provision of services and accommodations outside of Canada.

DOOR TO DOOR TRANSFER SERVICE

Return door to door transfers are offered up to 100 kilometers from most major Canadian gateways with the purchase of an air-inclusive tour.

TRAVELLERS NEEDING SPECIAL ASSISTANCE

You must report any disability requiring special attention to Collette at the time your booking is made.* Collette will make reasonable efforts to accommodate the special needs of tour participants. It is strongly recommended that persons requiring assistance be accompanied by a companion who is capable of and totally responsible for providing the assistance. None of Collette, its employees and personnel, and its suppliers, may physically lift or assist clients into transportation vehicles. If a traveller thinks he or she might need assistance during a trip, he or she should call Collette to determine what assistance might reasonably be given. Collette cannot provide special individual assistance to tour members with special needs for walking, dining or other routine activities.

*To request a wheelchair accessible room on a cruise, the traveller or person sharing the room must have a recognized disability that alters a major life function and requires the use of a mobility device and the use of the accessible features provided in the wheelchair accessible stateroom.

BAGGAGE DISCLAIMER

Although every effort is made to handle passengers' luggage as carefully as possible, Collette is not responsible for and does not assume liability or accept claims for loss of or damage to luggage due to breakage, theft or wear and tear through airline/airport, hotel and group carrier handling. It is recommended for your own self-interest and protection that you have adequate insurance to cover these eventualities. Check with your sales agent for low-cost insurance to cover these risks.

Checked Baggage Charges: Some airlines impose additional charges if you choose to check baggage. Please contact your airline or refer to its website for detailed information regarding your airline's checked baggage policies. Please be advised there is a \$25 USD/CAD charge (per piece) for checked baggage on most transborder flights between U.S. & Canada. This is a fee levied by the airlines, not Collette, and may be subject to change.

HOLIDAY AND MUSEUM CLOSURES

Museum visits and personal shopping time may be disrupted due to unforeseen circumstances or many religious, state and local holidays observed throughout the world.

MOTORCOACH WASHROOMS

Most motorcoaches used on our tours are equipped with washrooms (except safari vehicles, exotic locations, and some of our Explorations tours). These are typically for emergency use, as we make plenty of comfort stops, allowing you the opportunity to use public restrooms and/or stretch your legs.

MAPS AND PHOTOS

Maps shown on tour pages are current at the time of printing and may not reflect actual tour routing should the tour change. Photos shown on tour pages are reflective of the area(s) visited, but may not be included in the actual tour itinerary.

All rates published are per person basis as indicated and are based on double occupancy when only one rate is shown. Reservations will be accepted subject to availability at the time of a request and will be considered confirmed only upon receipt of a minimum deposit. Child land rates are available and are valid for ages 5-12, sharing a room with two full-paying adults. Collette does not accept liability in the case of any passenger being denied boarding by any airline carrier due to the carrier's overbooking of a flight.

All cancellation charges, fees and refunds for any tour within this brochure are in effect as of the effective date as indicated on page 47 and supersede any other previously printed policies relating to these same charges.

GENERAL DISCLAIMER

None of Collette Tours Canada, Ltd., its affiliated entities, subsidiary companies and its and their respective employees, shareholders, officers, directors, successors, representatives, agents, and assigns (collectively "Collette"), own or operate any person or entity which is to or does provide goods or services for these trips and tours. Collette acts only as agent for the airlines, hotels, bus companies, railroads, tour operators, cruise lines, car rental companies and other contractors providing accommodations, transportation or other suppliers (the "suppliers"). All such services are furnished by suppliers that are independent of, and do not act for or on behalf of, or in the name of Collette, are not servants of Collette and with whom Collette is not a partner or joint venture partner. Because none maintains any control over the personnel, equipment, or operations of the suppliers, Collette assumes no responsibility for and cannot be held liable for any loss, costs, expense, personal injury, death, property damage or other loss, accident, delay, inconvenience, or irregularity which may be occasioned by reason of (1) any wrongful, negligent, willful or unauthorized acts or omissions on the part of any of the suppliers or their respective employees and agents, including delays or cancellation of services, cessation of operations, changes in fares, itineraries or schedules, (2) any defect in or failure of any vehicle, equipment, or instrument owned, operated or otherwise used by any of the suppliers, and/or (3) any wrongful, willful or negligent act or omission on the part of any other party not under the supervision and control of Collette. Additionally, responsibility is not accepted for loss, cost or expenses due to sickness, lack of appropriate medical facilities or practitioners, weather, strikes, theft or other criminal acts, computer problems, acts of God, dangers incident to sea, fire, acts of government or other authorities, war, acts of terrorism, civil unrest, riots, pilferage, epidemics, quarantines, other disease, climatic aberrations or other such causes beyond Collette's control. All services and accommodations are subject to the terms and conditions specified by the suppliers and the laws of the country in which they are provided. Collette reserves the right to make changes in the published itinerary whenever, in their sole judgment, conditions warrant, or if they deem it necessary for the comfort, convenience, or safety of any tour. Collette reserves the right to withdraw any tour announced. Both Collette and the suppliers reserve the right to decline to accept any person as a member of the tour, or to require any participant to withdraw from the tour at any time, when such action is determined by the tour manager to be in the best interests of the health, safety, and general welfare of the tour group or of the individual participant. Neither does Collette accept liability for any carrier's cancellation penalty incurred by the purchase of a nonrefundable airline or other ticket to the tour departure city and return or otherwise. Baggage and personal effects are the sole responsibility of the owner at all times. Participants may be photographed for the promotional purposes of Collette.

You, the client, agree to the terms and conditions set forth in any and all brochures or advertisements describing any tour, cruise, accommodations, transportation and other services, and to any and all conditions set out in documents for any such services, including, without limitation, all cancellation fees.

No employee of Collette has authority to vary these terms and conditions.

Payment of the deposit to Collette constitutes acceptance of these terms and conditions.
