YOUR SENSE OF WANDER

This is your time to head off the well-known path and appreciate all the extraordinary moments held in the everyday. It's time to wander, to wonder, and to awaken your soul. **It's time to experience small group travel, reinvented.**

# THE NEW EXPLORATIONS EXPERIENCE

## What You'll Do *unique* experiences

**It's often said that experience is the best teacher and we couldn't agree more.** Experiences help educate us as travelers about cultures, traditions, and the human spirit. It's why we take the time to include truly exceptional experiences on Explorations. Some experiences are active and even a little adventurous, some are designed to reveal the heart of a culture, and some may even have the power to change your life.

**Hard to replicate, and impossible to forget, these experiences will help shape your understanding of a destination, and shape your vision of the world.**

## Small Group Travel *reinvented*

**You'll share the road, a few meals, and a variety of special moments with a small, tight-knit group averaging about 15 people.** You won't be one of the crowd with Explorations, you'll be an integral part of a cultural expedition. Every Explorations traveler is unique, but you all share a similar agenda—to travel and connect to the world in a more authentic way.

## Where You'll Stay *authentic* surroundings

**Explorations includes a variety of unique places to rest up and rejuvenate during your travels.** Each hotel (4-star and above) is carefully chosen to ensure that your exploration never stops. Whether it's the history, the view, the location, or the amenities, your hotels will capture the spirit of your destination.

**These are but a few of the types of places you can expect to stay with Explorations. Visit [explorations.com](https://www.explorations.com) to see specific hotel details for your trip.**

## Feel the Freedom to *explore*

**No one has travelled the same path as you. And no one will experience the world just as you do.** While there's no "one size fits all" travel experience, the travel experiences we craft include a good balance of unique, hard-to-replicate experiences, cultural connections, and plenty of opportunities for "you" time.

## What's on the Menu *culinary* adventures

**Local cuisine is about more than taste, it's about the experience served up alongside a meal.** Explorations seeks to delight the palate, creating unforgettable epicurean adventures. From home-hosted meals to hands-on cooking classes, intimate local restaurants to street food tours, you will savor the local flavors of your destination.
