NEW DESTINATIONS

NYC, Nantucket and Martha's Vineyard join the travel roster.

CHANGING THE STORY

Dan Sullivan, Sr. purchases Collette in 1962. The World's Fair in 1964 ushers in a new generation of travellers to Collette.

As we celebrate 100 years in business, we think back to that first jitney bus carrying New Englanders to Florida. For Jack Collette, it started with the idea to make travel more accessible. From 1918 to the present, Collette has set out to make travel a way of life. For over a century, we've led the way in helping travellers navigate all 7 continents in style.

Our promise to you is that we will keep doing what we do best - creating tours, travel styles and experiences tailor-made to the needs of our diverse travellers. Like Jack Collette, our experts are always looking ahead, carving out new paths.

THANK YOU

Our 100-year travel journal could never be written without you, our travellers. Here's to many more years of new friendships, new discoveries, and making new memories together. Thank you for taking the journey with us. Now, let's look ahead to where we'll go next.

We cannot assume responsibility for schedule changes, routings or flight cancellations involving the airlines. Not all airlines offer pre-assigned seats. Some charge a fee for seats which will be at the guests' expense. Where pre-assigned seats are not offered, the guests must contact the airline directly to arrange seat assignments.

Level 1: At a very leisurely pace, this tour involves minimal physical activity, such as climbing some stairs, boarding a motorcoach, and walking from the hotel reception area to hotel rooms and dining areas.

Level 2: This tour requires average physical activity. You should be in good health, able to climb stairs and walk reasonable distances, possibly over uneven ground and cobblestoned streets.

Level 3: This tour includes moderate physical activity. The itinerary blends some longer days with shorter

days and more leisure time. Walking tours, as well as walking slightly longer distances, up stairs or on uneven walking surfaces should be expected.

Level 4: To truly experience the program and destination, you need to be able to participate in physical activities such as longer walking tours, walking over uneven terrain, climbing stairs and periods of standing. Some of the touring days may be longer, with select included activities occurring later in the evening.

Level 5: This tour is very active, requiring participants to be physically fit to fully enjoy all the experiences. This itinerary has more strenuous activities which may include such things as: extensive walking tours, transfers over uneven and dusty terrain, high altitudes, early morning departures, late night activities, or extreme temperatures. All conditions do not apply to all days, so please read the itinerary carefully and speak to one of our travel counselors to determine if this tour is right for you. We recommend this program to individuals who are physically fit. Unfortunately, this tour is not appropriate for individuals who use either walkers or wheelchairs. If this trip is not ideally suited for you, our travel counselors can help determine the perfect trip for you.
