Explorations

BY Travellers. FOR Travellers.®

A photograph of a traditional dragon-headed boat on a river at sunset. The boat is in the foreground, with its ornate dragon head facing right. The water is calm, reflecting the warm orange and yellow light of the setting sun. In the background, there are silhouettes of trees and a small structure on the riverbank.

This is small group travel, *designed differently.*

Collette Explorations redefines guided travel — with journeys designed in destination by people who live there, and paced to help you soak it in, not rush. Since 2008, we've designed these small group journeys for travellers who want to go beyond the guidebook, backed by the experience and reliability Collette has refined since 1918.

We don't just cap our groups at 24 travellers (average 19) — we design for that size. It changes what travel can be, unlocking distinctive stays, deeper insight, and local guides who know you by name. It creates space for real connection and the kind of moments that simply don't happen in larger groups.

By travellers. For travellers. That's how we design every journey — with intention and genuine connection, shaped by people who travel, too.

WHAT MAKES *Explorations Feel Different*

Collette Explorations is premium small group travel, designed for an average of just 19 travellers (24 max).

Designing for this size allows journeys to feel relaxed, experiential, and immersive. You'll stay in places others can't, connect deeply with people you've just met, and experience moments others only dream of.

EXPERIENCE-RICH DESIGN

A private conversation with a North Korean defector. An off-road ride on Mt. Etna. A shared meal in a local home in Victoria Falls.

Designed by locals with the modern traveller in mind, this is travel that goes beyond the expected — connecting you to people, culture, and moments you won't find in a guidebook.

MORE TIME WELL SPENT

Fewer one-night stays. Less backtracking. More multi-night stays. That means more time settling in, exploring deeply, and enjoying where you are — not rushing past it.

FREE TIME TO DO AS YOU PLEASE

We've heard the stereotypes, so we design differently with free time thoughtfully built in exactly where you'll want it — so you can enjoy the moment your way.

INDUSTRY-LEADING SERVICE

Cancellation Waiver. Private home-to-airport chauffeur service. 24/7 emergency support. With Collette Explorations, it's all included, not offered as add-ons. It's thoughtful service, designed by people who travel, too.

IMPACT MOMENTS

These included experiences connect you with local people and communities — supporting them directly while offering you deeper insight.

What's Included

CURATED LOCAL EXPERIENCES

You'll connect to culture through many local experiences throughout your travels. Set off on a truffle hunt, chat with a water puppet master, and sample award-winning cheese, for starters.

CULTURALLY REFLECTIVE ACCOMMODATION

From eco lodges to vineyards, tented camps to countryside villas, accommodation is chosen to connect you to where you are — and goes beyond just a place to sleep.

TRANSPORTATION BEYOND THE COACH

We know you don't want to see the world from the seat of a coach, so you'll get out and also explore via local transportation like tuk tuks, zodiacs, trains, and water taxis.

CHOICE ON TOUR

On select days, you can choose between two or three included excursions — giving you the freedom to follow what feels right in the moment. Look for **It's Your Choice!** in the itinerary.

DETAILS, LOGISTICS & TICKETS

Your Tour Manager leads the way — sharing insight, handling details, and keeping everything running smoothly, from tickets to transfers and border crossings.

CULINARY EXPERIENCES & MEALS

Meals are part of the exploration — so we include experiences like home-hosted meals, cooking classes, and tastings that truly give you a taste of daily life.

PEACE OF MIND

Included by Design

With Collette, peace of mind is built into the journey from the very beginning — and it's part of what makes Collette Explorations feel different, even before you arrive in destination.

“We got picked up from home, we got chauffeured to the airport and then chauffeured back when we came home. That was really, really good. We thought that was sort of a stand out.”

FELIX C., EPPING, VIC

EXPLORING SOUTH AFRICA, VICTORIA FALLS & BOTSWANA

NEW! **PRIVATE HOME-TO-AIRPORT
CHAUFFEUR SERVICE**

We get it — getting to and from the airport can be a bit of a hassle. But with Collette, it's designed to be a better experience.

On travel day, sit back and relax because private roundtrip, home-to-airport chauffeur service is included on every Collette Explorations tour* — making the transition from home to holiday (and back again) feel effortless.

*Private home-to-airport chauffeur service is included on land-only Explorations bookings. Travellers must live within 50kms of SYD, MEL, ADL, BNE, or PER airports. Ask our reservations team about surcharge pricing outside of 51km range.

**CANCEL FOR ANY REASON,
GET YOUR MONEY BACK**

Plans change — and that's okay. That's why our Cancellation Waiver is included, giving you the flexibility to cancel for any reason up to 24 hours before departure and receive a full refund (minus deposit). No vouchers. No future credits.

GUARANTEED TO GO

When we say we're going, we're going. Guaranteed departures will never cancel due to lower-than-expected numbers. With thousands of guaranteed departure dates available, you can book with full confidence.

24/7 EMERGENCY CARE

With Collette, you're never on your own. Our global support and in-destination teams keep trips running seamlessly, no matter what unfolds.

LOCALLY DESIGNED. GLOBALLY DELIVERED. *Never Generic.*

Step into communities. Have dinner in someone's home. Engage in a meaningful conversation. This is travel built for connection through local relationships and insight — and we've been doing it that way since 1918.

COLLETTE'S PAST, PRESENT & FUTURE

1918

OUR STORY BEGINS

Jack Collette establishes Collette, opening its doors in the U.S.

1930s

NEW DESTINATIONS

Regional motorcoach tours define touring.

1960s

CHANGING THE STORY

Dan Sullivan, Sr. purchases Collette in 1962. The 1964 World's Fair ushers in a new generation of travellers to Collette.

Behind every **Collette Explorations** journey is a foundation of experience that runs deep. Since 1918 we've led the way in evolving guided travel by paying close attention to what travellers want, need, and value as the world changes. It's expertise refined over generations.

Collette Explorations tours are designed in destination — not in a boardroom — for how people travel today.

Local connection and insight shape our journeys to spark curiosity, offer perspective, and deepen connection.

Every decision is made with intention — with you at the centre of it all.

Shannon Levi **TOUR DESIGNER: ITALY**

Born and raised in Rome, Shannon grew up among the people who make travel work — tour managers, local guides, airline agents, and hoteliers. She's a seasoned traveller with a passion for connecting people to the Italy she knows and loves.

To us, she's a walking encyclopedia of Italian history, culture, and local gems.

To you, she's the beating heart behind every hand-picked moment of your exploration of Italy.

One example of how **Collette Explorations** designs journeys — all around the world.

1980s

THIRD GENERATION

The third generation of Sullivans join the Collette workforce. Additional global offices open in the UK and Canada.

2000s

EXPANSION

Collette opens its doors in Australia and launches small group Explorations.

Today

INNOVATION

Jaclyn Leibl-Cote becomes Collette's first woman CEO. Collette expands Explorations, leading the evolution of guided travel.

DESIGNED *for Connection*

Collette Explorations brings together travellers from across the globe. That mix of backgrounds and viewpoints adds depth to every journey, turning fellow travellers into companions — and the shared experience into a story you shape together.

DELIVERED WITH CONFIDENCE

Service refined since 1918 means fewer unknowns along the way. Details are handled before you notice them, support is there when you need it, and the experience feels considered from start to finish.

COLLETTE EXPLORATIONS TRAVELLERS ARE:

- ✓ *well-travelled*
- ✓ *confident*
- ✓ *curious*
- ✓ *lifelong learners*
- ✓ *routine busters*

Travel isn't just about places — it's about the people you share them with and meet along the way.

In a smaller group, you connect more deeply with locals and your Tour Manager, gaining insight and perspective that bring each destination to life.

"[I enjoyed] being with a group of like-minded people, keen to explore and experience."

SCOTT K., HOBART, TAS THE BALKANS: COASTAL CROATIA TO LEGENDARY GREECE

"You've got someone with that local knowledge who can take you to those out of the way or unknown places. His knowledge and the information we got and the fun that we had with him, it was a bit like travelling with a close friend."

CHERYL L., PALM BEACH, QLD COLOURS OF MOROCCO

"The group was a fun, social combination. As I was travelling by myself I was wary of being left out but most people were inclusive."

JOANNE S., ST. KILDA, VIC ITALY: AMALFI COAST TO PUGLIA

Rhythm OF THE DAY

On **Collette Explorations** tours, days are designed with intention. There's structure when it adds value, and space when it makes sense — so the pace feels natural, unrushed, and easy to make your own.

INSIDER TIP: Need ideas for a free afternoon, dinner plans, or the perfect souvenir? Ask your Tour Manager — they're full of local recommendations.

Most Collette Explorations tours are activity levels 3 or 4, making them well-suited for active travellers. You can find activity levels and tour-specific details in the **Activity Level** and **Know Before You Go** sections of the online itinerary.

Afternoon

Time to explore on your own, revisit a favourite spot, or slow things down.

Evening

Dinner together or a free evening where you choose your own plans.

NOT EVERY DAY LOOKS THE SAME —
and that's part of the adventure.

MAKING TRAVEL *A Force for Good*

We believe travel has the power to uplift communities and protect the places we explore.

That's why nearly every small group Explorations journey includes **Impact Moments**: meaningful experiences designed to support local communities while offering insights you'd be hard-pressed to find on your own.

They take shape differently around the world, but they share a common purpose — uplifting communities, protecting the places we explore, and shaping stories that stay with you long after you return.

"We went to a women's only run school where they taught them to cook and all the money went back into that community to try and help women. We had lunch there and it was just amazing, it's how you actually get to see how other people live."

Get a Feel for Flamenco

Flamenco lives in the details — the rhythm, the restraint, the emotion held just beneath the surface. At the **Fundación Cristina Heeren**, this art form is preserved not for tourists, but for the future. Dancers from around the world come to train here, carrying the tradition forward.

On **Exploring Iberia**, you'll step into a nonprofit space where flamenco is taught, felt, and protected — connecting you directly to the rhythm and meaning behind the performance.

On the Hunt in Italy

In Umbria, truffles are part of everyday life. Families work the land with patience, guided by seasons, tradition, and the bond between human and dog.

On **Flavours of Italy**, you'll follow a local truffle hunter and their dog into the Umbrian woods, listening for small cues most

people would miss. Afterward, you'll sit down to taste what was pulled from the earth, prepared simply and served with pride.

As travellers' arrival times will vary, we have not included any sightseeing or meals today. Later this evening, we'll meet for a briefing about the journey ahead.

Day 2: Athens Begin your day in Athens on a panoramic tour through the city, taking in the history of Athens' many landmarks. Then, explore artefacts recovered from the Acropolis archeological site with a guided visit to the Acropolis Museum. Just steps from where ancient relics were recovered, the “new museum” (as the locals still call it) offers incredible views of the Acropolis. After, get to know Plaka, the lively neighbourhood at the foot of the Acropolis, brimming with welcoming restaurants and shops. Here, take time to explore and find a spot for lunch on your own, soaking in your surroundings while indulging in delicious Greek cuisine. Later this evening, join your fellow travellers for a welcome dinner. (B, D).

A Conversation Few Ever Hear

Few visitors to South Korea ever have the chance to hear directly from someone who lived on the other side of the border.

On **Japan & South Korea**, you'll take part in a private conversation with a North Korean defector, hearing a

firsthand account of choice, resilience, and life across the border. It's a rare opportunity to sit with living history — and to leave with perspective that reshapes everything that follows.

Turn to page 102 to read more.

Meet Unlikely Heroes

In Cambodia, landmines left behind from past conflicts remain a real and ongoing threat beneath everyday life. At APOPO's Visitor Center, African giant-pouched rats — often called “hero rats” — are trained to safely detect explosives, helping protect communities and reclaim land.

On **Kingdoms of Southeast Asia**, you'll visit the centre to see how this work is done and understand why it matters. It's a powerful reminder that progress often comes from practical solutions — and unexpected places.

FEATURED EXPERIENCES

- Explore both the Northern and Southern Loops of Yellowstone National Park.
- Sample traditional food of the Kootenai people.
- Learn about Native American culture on the Flathead Reservation.
- Explore the wild beauty of Glacier National Park.
- Cruise along Lewis and Clark's famous trail through the Gates of the Mountains.

Day 1: Bozeman, Montana Step outside, take a deep breath in, and look around you – you're in big sky country. Montana is wilderness, adventure, and beauty, and you're about to see what makes it unique. Today, arrive in Bozeman, the jumping off point to explore the northern and southern loops of Yellowstone, America's first national park. As travellers' arrival times vary, there is no included sightseeing today. Tonight enjoy Bozeman's western charm and dinner on your own.

Day 2: Bozeman - Yellowstone Southern Loop - Pray This morning, pass through Yellowstone's northern gate and venture into the Lower Loop, the road that encircles the entire lower half of the National Park. Your first stop will be at the Grand Prismatic Spring, where steaming azure-blue waters clash brilliantly with the bright orange of the clay earth surrounding it. You'll quickly learn why this is one of the most photographed spots in the entire park – its unearthly beauty is something to behold. The best spot to take it all in is at the overlook, and you'll have enough time to take the 20-minute hike up if you choose. Afterwards, head to Old Faithful, the legendary geyser that you can "set your watch to." Enjoy lunch on your own, walk the boardwalk trails surrounding Old Faithful, and cheque

the time on the next eruption. No drive through Yellowstone is that quiet, though – you'll want to gaze out your window at the mountains, plains, cliffs, and forests. Bison, elk, bears, eagles, wolves, and antelope call this incredible slice of wilderness their home, and you might spot them at any time. (B, D)

Day 3: Pray - Yellowstone Northern Loop - Pray Today, explore Yellowstone's northern loop. Your first stop will be Mammoth Hot Springs. Here, bubbling pots of geothermal water trickle down the step-like terraces, creating incredible shapes and colours. Explore the boardwalks that wind through the steaming landscape. Next, head to the Grand Canyon of Yellowstone lookout, where you'll find yourself standing over the massive, 20-mile-long canyon. Its craggy walls are streaked with brilliant whites, pinks, and oranges from the volcanic minerals contained in the rocks. The Yellowstone River roars along at the bottom over three different waterfalls. Later today, return to your hotel for an evening at leisure. (B)

Day 4: Pray - Paradise Valley - Helena This morning, head through the sweeping vistas of Montana's Paradise Valley. In the distance, you'll see the Absaroka Beartooth

Mammoth Hot Springs

Mountains to the east, and the Gallatin Range of the Rocky Mountains to your west. You'll arrive in the capital of Montana, Helena, a city with rich gold rush history and beautiful Victorian era architecture. These days, the "Queen City of the Rockies" is less known for gold and more known for its great local restaurants and microbreweries, as well as a stunning trail system in the surrounding landscape. Tonight we head into the backcountry in horsedrawn wagons for a cowboy cookout and some local entertainment. (B, D)

Day 5: Helena - Gates of the Mountains - Helena Start your day with a local guide showing you around the beautiful and welcoming mountain city of Helena on a narrated, train trolley tour. See the opulent mansion district, marvel at the Cathedral of St. Helena, and roll by governor's homes. Pass by a restored miners' village, enjoy the unique architecture along Last Chance Gulch, and catch a glimpse of the Old Fire Tower. After exploring the city a bit, you'll have time on your own to enjoy the charm of downtown Helena before heading to the Gates of the Mountains. Here, on the shores of the Missouri River, you'll follow in the footsteps of the most renowned explorers in American history — Lewis and Clark. Climb aboard a boat and cruise these storied waters, follow the path Lewis and Clark took on their legendary journey across this vast wilderness, and take in the natural beauty. Meriwether Lewis himself named this stunning canyon the Gates of the Mountains, and you'll discover just how it must have felt to come across this awe-inspiring sight. Tonight, return to Helena for an evening at leisure. (B)

Day 6: Helena - Great Falls - St. Mary Today, venture to Great Falls, where the mighty Missouri River thunders down from the Rocky Mountains over five

waterfalls to the great plains below. This was a massive obstacle for Lewis and Clark's expedition in 1805. They had to carry their boats over land for a month to make it from the lower falls to the upper falls. You will not have to work that hard, because **IT'S YOUR CHOICE!** Visit the Lewis and Clark National Historic Trail Interpretive Centre where you can learn about the trials of the legendary expedition **-OR-** explore the exhibits at the C.M. Russell Art Museum during a self-guided tour, where you'll see the art of Charles Russell, a cowboy-turned-artist from the turn of the century, as well as his original home and log studio. Afterwards, continue to St. Mary, the eastern entryway to Glacier National Park. (B)

Day 7: Glacier National Park - Going-to-the-Sun Road - Whitefish Head into Glacier National Park to board one of the 1930s vintage red buses and venture down one of the most breathtaking roads in North America, Going-to-the-Sun Road. Sit back and admire the views of the valley as your "jammer," one of the experienced guides, drives you through this natural landscape. Relax and take in all the majestic sights before heading to the town of Whitefish where forests, lakes, rivers, and mountains unfold in every direction. (B, L)

Day 8: Whitefish This morning, enjoy some leisure time in the quaint, picturesque town of Whitefish. Always listed as one of America's 25 prettiest towns, indulge yourself with time to stroll around, do some shopping, or just relax. Perhaps you'll stop for lunch at one of the great restaurants found along Central Avenue or buy some Huckleberry jam from a local shop. A true favourite in Montana, huckleberries can be found in snacks, drinks, candy, and more. Your morning leads into an adventurous afternoon, because **IT'S YOUR CHOICE!** Grab a

Day 9: Whitefish - Flathead Lake - Missoula Depart Whitefish and drive south, journeying along the western edge of beautiful Flathead Lake. Carved by the ancient glaciers that gave Glacier National Park its name, Flathead Lake stretches almost 200 square miles. Quaint, small towns dot the shores here, built with the beautiful backdrop of nature behind them. You might even spot some orchards growing Flathead cherries. Encompassing most of the lake is the Flathead Reservation, home to the Confederated Salish and Kootenai Tribes of the Flathead Nation. At one point, these tribes had territories that stretched out of Montana and

into Idaho, British Columbia, and Wyoming. The Hellgate Treaty of 1855 set aside Flathead Lake for the tribes, reducing their lands to a fraction of what it once was. Tribal land was once again shrunk in 1904 by over half a million acres. Despite all of this, the Tribal way of life continues on to this day, passed down from elders to children through a rich oral and spiritual tradition. Get a glimpse into these traditions when you meet a descendant of the last Kootenai chief, and learn about the importance of the land in native life. Then, experience an **IMPACT MOMENT** at the Smokejumper Visitor Centre to learn about the heroes who fight fires in North America. This evening, enjoy a memorable farewell dinner with your fellow travellers, where you can raise a glass and toast to a wildly fun Montana adventure. (B, D)

Buenos Aires, Ushuaia, Tierra del Fuego, The Drake Passage, Zodiac Safaris, Penguin Colony Close-Ups, Polar Plunge, Expedition Landings, On-Board Educational Sessions

FEATURED EXPERIENCES

- Experience nearly 24 hours of sunlight as you absorb your surroundings ashore and from the expedition ship's many observatory decks.
- Discover multitudes of Antarctic wildlife including seals, whales, albatrosses, and chinstrap, gentoo and Adelie penguins.
- Take the opportunity, if you wish, for a thrilling polar plunge off the yacht.
- Take in the incredible scenery of Tierra del Fuego during a panoramic tour.
- Cross the Drake Passage, a milestone for any adventurer!

Day 1: Buenos Aires, Argentina

Arrive in cosmopolitan Buenos Aires, birthplace of the tango and the "Paris of South America." Stretching along the banks of the Rio de la Plata, the city is a mosaic of European-style architecture and South American spirit. Spend the day however you wish before setting out to begin your voyage tomorrow. There are no included activities today.

Day 2: Fly to Ushuaia - Embark Ship - At Sea

This morning we fly over Patagonia before landing in Ushuaia, the southernmost city in the world, surrounded by spectacular mountain scenery. Set out on a panoramic tour of Tierra del Fuego National Park and soak in this dramatic landscape on the southern tip of South America featuring glaciers, lakes, mountains, and waterfalls. From Ushuaia, embark the expedition ship that will be your home for the next nine days during a cruise to Antarctica. (B, L, D)

Day 3: The Drake Passage - At Sea

Cruise south through the fabled Drake Passage, named after the explorer Sir Frances Drake. Set between Cape Horn and the Antarctic Peninsula, crossing the legendary Drake Passage is unforgettable – a milestone for any adventurer! Warmer waters of the north meet colder, denser waters of the south here in the Antarctic Convergence,

making the area rich in marine life like humpback whales and hourglass dolphins. (B, L, D)

Day 4: The Drake Passage - Antarctica

During the 48-hour journey through the Drake Passage, the soundtrack includes the crash of waves against the ship and cry of petrels, skuas, and gulls overhead. Whilst the waterway is famous for its challenging navigation, on some occasions, the channel is calm and tranquil – this unpredictable nature is part of the adventure. As you emerge from the Drake Passage, reaching the northern point of The White Continent, the mammoth, icy peaks of the South Shetland Islands greet you. (B, L, D)

Day 5: Antarctica

Part of the greater Antarctica region, the South Shetland Islands hold a bounty of wildlife, scenic landscapes, hiking opportunities, and magnificent views that inspire a sense of discovery. According to sea and weather conditions, there are several possible shore landing opportunities. A possible landing on Elephant Island, named for the shape of its cliffs and the elephant seals that call it home, sets you on the same path as the famous Shackleton Expedition. Another possible landing is Deception Island, a volcanic caldera with heated springs and black sands.

Zodiac

Humpback Whale

Other possible stops include Half Moon Island, Yankee Harbour, Point Wild, and Barrientos Island with its gentoo penguin rookeries. (B, L, D)

Day 6: Antarctica Your days are filled with discovering Antarctica, the last great wilderness stretching across ice-covered desert and mountains for over five million square miles. The ethereal beauty and immense scale of the continent are like nowhere else on the planet. The voyage keeps a flexible schedule as your captain expertly navigates ice floes, icebergs, and changing sea and weather conditions to ensure you experience the most from your expedition. (B, L, D)

Day 7: Antarctica Nicknamed "The White Continent" for its vast expanse of icebergs, snow and glaciers, Antarctica is often a final frontier for experienced explorers to conquer. As you navigate Antarctic waters, you may set foot on sites like Beak Island, Brown Bluff, Cierva Cove, Hidden Bay, and many more. Each landing throughout the continent offers its own unique landscape, from expansive tundra to rugged mountain peaks, all beckoning you to follow the paths that few explorers have trekked before. (B, L, D)

Day 8: Antarctica Each day is a new adventure filled with a spontaneous

sense of exploration. Your captain works with the expedition team to determine possible shore landings and Zodiac safaris. You may take a Zodiac foray among towering icebergs or hike along the shoreline near penguin colonies. On one day of the cruise, you can even take the chance to experience a polar plunge by jumping in with a harness from the side of the ship! (B, L, D)

Day 9: The Drake Passage - At Sea Antarctica falls into your wake as you begin sailing back towards Ushuaia today, crossing the southern waters of the Drake Passage. As you make your return through this famed channel, stay on the lookout for the incredible wildlife around you in the sea and sky. (B, L, D)

Day 10: The Drake Passage - At Sea On your final day of sailing the channel, enjoy the time to relax on the ship and reflect on all you have seen and learned along the journey. (B, L, D)

Frequently Asked Questions

Accommodation

What is the difference between a twin room and a double room? A double room is designed to accommodate two people, but may not have two separate beds. A twin bedded room has two separate beds of any size, and is the type most commonly utilised.

What size is a triple room? A triple room is the same size as a twin bedded room and beds will accommodate three people, but we cannot guarantee three separate beds. If there are only two beds, a rollaway may be requested but cannot be guaranteed due to size of room and fire codes. Please enquire at time of reservation.

Can my children travel on tour? Discounted Child land rates are available and are valid for ages 5-17, sharing a room with one full-paying adult. If you are travelling with a child, it is your sole responsibility to ensure the child follows all safety rules of the tour. For safari tours, travellers must be at least 13 years of age.

Are single and triple rooms always available? On many tours, triple and single rooms are limited and are available on a first come, first served basis. Be advised that single rooms are often smaller.

When can I check into my hotel? Normal check-in time is late afternoon. If you do have an early arrival, rooms may not always be available for immediate check-in.

Flights

Can Collette book our airline reservations? Collette is happy to assist you in accommodating your flight needs. Due to tour scheduling and limited availability, you are strongly encouraged to take advantage of Collette's air packages. We are not responsible for air arrangements you have made on your own. On occasion, it is necessary to change tour dates. In this case, we can only protect air reservations booked through Collette. For all air reservations, it is strongly recommended to reconfirm flights before departure, in the event that the airline has an unexpected schedule change. We cannot assume responsibility for schedule changes, routings or flight cancellations involving the airlines.

Attractions and Sightseeing

Are attractions always available? Access to some attractions or Collette Foundation sites may be affected by local holidays, weather conditions or other circumstances. As a result, the days and order of sightseeing may change to best utilise your time on tour. Boat rides are weather permitting. Some attractions may not be available during the "off-season" months. When attractions are unavailable, other similar attractions will be substituted. Wildlife sightings are not guaranteed.

Can you tell me more about the safaris? For a fuller wildlife experience you will be travelling by custom-built safari vehicles which requires frequently climbing in and out of the vehicles and sometimes traversing bumpy roads. We recommend a good fitness level and to prepare properly.

How can I plan for shore landings? Special clothing is required for the shore landings (Antarctica, Galapagos); please refer to your predeparture documents for important details.

Are all theatre performances suitable for children? Some theatre performances may be unsuitable for children — please consult your tour manager.

Documentation

Do I need a passport? Government-issued identification is required for all air travel. A valid passport is required for all trips outside of Australia. All passengers should check with the appropriate foreign consulate for entry and validity requirements. We recommend that your passport has six months validity, and at least 3 blank pages. Passports and visas are the responsibility of each client.

If travelling internationally with a child under the age of 18, please check directly with the airline for the legal documentation that is required. It is the sole responsibility of the guest to procure the proper documentation to travel and many requirements vary by airline and destination.

Collette will not be responsible for costs incurred for missed flights or cancelled tours where a guest fails to secure proper documentation.

Extending your Stay

Can I extend my tour to see more of a region? Yes! You may enhance your tour by purchasing either an extension or pre/post hotel stays when offered. Extensions may be "hosted" rather than escorted. When hosted, passengers will be greeted upon arrival by a local tour manager who will be available on-call during the duration of the stay. A minimum number of passengers may be required to operate some extensions. Extensions not purchased at time of deposit are subject to availability and applicable charges at time of request. Collette also offers pre and post hotel nights before and/or after a tour. Should you purchase additional nights, your tour manager will not be available during this time.

Extras

What is not included in the tour price? The land price does not include international air travel from Australia, travel insurance, airline fees, airport or departure taxes, transfers, visas, pre/post tour accommodation, extensions, extension air, presold optional excursions, customary end-of-trip gratuities for your tour manager, driver, local guides, hotel housekeepers, cruise ship waitstaff, government quarantine fees, and any incidental charges.

Gratuities

Are gratuities included? Collette offers a pre-paid tipping option for travellers. This allows guests to purchase the package up to 45 days prior to departure and know that all tipping is covered for the tour manager, driver and local guides. Gratuities are not included in the tour price and should be extended on a voluntary basis. Customary gratuities have not been included for hotel housekeeping staff, local sightseeing guides, transfer drivers, motor coach drivers, pre/post accommodation, extensions and tour managers. Gratuities should be given in direct proportion to the level of professionalism and personal service extended to you. With this in mind, we have created a guide for you:

- Tour Manager: \$15 AUD for Classic tours and \$18 AUD for Explorations tours (or equivalent in local currency) per person for each travel day
- Local Guide: \$3-5 AUD (or equivalent in local currency) per person
- Motor Coach Driver: \$8 AUD for Classic tours and \$11 AUD for Explorations tours (or equivalent in local currency) per person for each travel day
- Hotel Housekeeping Staff: \$3-5 AUD (or equivalent in local currency) per room per day

Late Bookings

Do you accept late bookings? Yes, tour sales normally close 7 days prior to departure. Late bookings are on request and must be guaranteed with full payment if within 90 days prior for standard departures and 120 days prior for cruises.

On-tour Experience

Where do I meet my tour manager? Our tour manager will make contact with you at your first hotel. The hotel's address and phone number will be included in your documents.

Can I pre purchase optional excursions/activities? Yes, the majority of optional excursions and activities are

available for advance purchase provided that you make your options purchase 15 days or more prior to the tour start date. Collette makes it convenient to reserve presold options by visiting our website for a full listing of activities and excursions or when your reservation is made with our team. In addition, there are benefits to prepurchasing options including a price guarantee once your tour is paid in full, so once payment is received in full, your preselected options are guaranteed by Collette. Although you can still purchase options while on tour, reserving them ahead of time ensures you a spot in the event that the activity sells out. Collette will provide a refund if you cancel a presold option prior to tour departure, but some may incur fees for cancelling. Any presold options cancelled while on tour are nonrefundable.

Revisions/changes

Would my tour date ever be changed? While it is unlikely, Collette does reserve the right to cancel any tour prior to departure. Should this happen, Collette will make every effort to put you on another departure date. If an alternate cannot be found, a full refund will be made. Flights booked through Collette will be protected. We cannot be held responsible for penalties incurred if you secured your own flights.

Can I make changes to my reservation?

See section 5, Changes By You, on page 143 for full details.

Transfers

Are airport and hotel transfers available? Roundtrip airport-to-hotel transfers are provided for all passengers who purchase airfare through Collette. These transfers also apply to pre- and post-night stays. Passengers who do not purchase airfare through Collette can purchase transfers (for the first and last day of the tour) at an additional cost, roundtrip. Some restrictions may apply. THE PRICE OF YOUR HOLIDAY

The price of your travel arrangements has been calculated using exchange rates as at the date of advertisement of the holiday.

We reserve the right to amend the price of unsold holidays at any time and correct errors in the prices of confirmed holidays.

The price of your confirmed holiday is subject at all times to changes in transport costs such as fuel, scheduled airfares and any other airline cost changes which are part of our contracts with airlines (and their agents), cruise ship operators and any other transport provider; to cost changes arising from government action such as changes in GST or any other government imposed changes; and to changes in currency exchange rates and to dues, taxes or fees chargeable for services such as landing taxes or embarkation or disembarkation fees at ports and airports any or all of which may result in a variation of your holiday price. We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges and/or additional services or travel arrangements. You will be charged for the amount over and above that, plus an administration charge of \$25 per person together with an amount to cover agents' commission. If this means that you have to pay an increase of more than 10% of the price of your travel arrangements (excluding any insurance premiums, amendment charges and/or additional services or travel arrangements), you will have the options set out in section 9 below. There will be no change made to the price of your holiday within 30 days of your departure nor will refunds be paid during this period.

Discounted Child land rates are available and are valid for ages 5-17, sharing a room with one full-paying adult.

4. Cutting Your Holiday Short

If you are forced to return home early, we cannot refund the cost of any services you have not used. If you cut short your holiday and return home early in circumstances where you have no reasonable cause for complaint about the standard of accommodation and services provided, we will not offer you any refund for that part of your holiday not completed, or be liable for any associated costs you may incur. Depending on the circumstances, your travel insurance may offer

cover for curtailment and we suggest that any claim is made directly with your insurer.

5. Changes By You

If you wish to alter your booking after your holiday has been confirmed, we will try to make the necessary arrangements provided we receive written confirmation of the change from the person who signed the booking form, or your travel agent, before the date on which the final balance of the cost of your holiday is due. If you are prevented from travelling it may be possible to transfer your booking to another suitable person provided that written notice is given no later than 28 days before you are due to depart.

Whilst we will do our best to assist, we cannot guarantee that we will be able to meet your requested change. Changes and transfers will be subject to an administrative fee as well as any applicable rate changes or extra costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible. Where we are unable to assist you and you do not wish to proceed with the original booking we will treat this as a cancellation by you. A cancellation fee may be payable.

Note: Certain arrangements may not be amended after they have been confirmed and any alteration could incur a cancellation charge of up to 100% of that part of the arrangements.

6. Insurance

If you wish on tour comprehensive insurance, please contact Collette for a full quotation.

7. If You Cancel

If you or any other member of your party decides to cancel your confirmed booking you must notify us in writing. Your notice of cancellation will only take effect when it is received in writing or by email by us at our offices. If cancellation is confirmed prior to 24 hours before date of departure, your non-refundable deposit will be retained. If cancellation is confirmed within 24 hours of date of departure full payment will be retained.

* Instant Purchase air and its associated taxes, fees and surcharges are 100% nonrefundable at time of reservation.

Upon cancellation of transport or travel services where you, the customer, are not at fault and have not cancelled in violation of the terms and conditions above, you will be refunded 100%.

Note: Certain arrangements may not be amended after they have been confirmed and any alteration or cancellation could incur a cancellation charge of up to 100% of that part of the arrangements in addition to the charge above.

You may be able to reclaim these charges (less any applicable excess) under the terms of your insurance policy. We will deduct the cancellation charge(s) from any monies you have already paid to us. If some, but not all party members cancel, additional charges may be payable by the remaining members, e.g. under occupancy charges or single supplements. No allowance or refund can be made for your meals, rooms, excursions etc., included in the price of your tour but not taken, nor can any refund be made for lost, mislaid, or destroyed travel tickets or vouchers.

If any member of your party is prevented from travelling, that person(s) may transfer their place to someone else (introduced by you and satisfying all the conditions applicable to the arrangements) providing we are notified not less than 28 days before departure and you pay an amendment fee of \$25 per person transferring, meet all costs and charges incurred by us and/or incurred or imposed by any of our suppliers and the transferee agrees to these booking conditions and all other terms of the contract between us. If you are unable to find a replacement, cancellation charges as set out will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

8. Alterations And Cancellations By Us

Occasionally, we may have to make changes to or cancel your holiday arrangements and we reserve the right to do so at any time. Most of these changes will be minor and we will advise you or your travel agent of them at the earliest possible date. We also reserve the right in any circumstances to cancel your travel arrangements. For example, if the minimum number of clients required for a particular travel arrangement is not reached, we may have to cancel it. However, we will not cancel your travel arrangements less than 60 days before your departure date, except for reasons of force majeure (as defined in Section 14) or failure by you to pay your final balance. Most changes will be minor and we will advise you or your travel agent of them at the earliest opportunity. Your rights vary depending on whether we make a 'minor' or 'major' change.

Examples of "minor changes" include the following when made before departure. Any change in the identity of the carrier(s), flight timings, and/or aircraft type is deemed to be a minor change. Other examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same standard. Examples of "major changes" include the following when made before departure; a change of accommodation area for the whole or a major part of your holiday, a change of accommodation to that of a lower official classification for the whole or a major part of your holiday, a change of outward departure time or overall length of your holiday of 12 or more hours, the closure of the only or all advertised swimming pool(s) at your accommodation for an extended period and, in the case of tours, a significant change of itinerary missing out one or more major destination substantially or altogether.

If we have to make a major change or cancel, we will tell you as soon as possible and if there is time to do so before departure, we will offer you the choice of i) (for major changes) accepting the changed arrangements ii) having a refund of all monies paid or iii) accepting an offer of alternative travel arrangements of comparable standard from us, if available (we will refund any price difference if the alternative is of a lower value). You must notify us of your choice within 7 days of our offer. If you fail to do so we will assume that you have chosen to accept the change or alternative booking arrangements.

If we make a major change or cancel, less than 60 days before departure, we will also pay compensation as detailed in section 9 below.

9. Compensation For Major Changes & Cancellations

We reserve the right to cancel or reschedule any holiday departure in accordance with operational requirements or circumstances beyond our control. If a holiday is cancelled prior to the scheduled departure date, our only responsibility will be to refund the amount received for the reservation. Wherever possible, we will offer the same holiday with a different departure date, or an alternative similar holiday. If there is a difference in cost, it will be your expense. For air-inclusive holidays, we will try to confirm air schedules for the selected new dates, subject to availability. We are not responsible for any additional costs or fees relating to the issuance and/or cancellation of air tickets or other travel arrangements not made through us.

The compensation that we offer does not exclude you from claiming more if you are entitled to do so. We will not pay you compensation where we make a major change or cancel more than 60 days before departure or in the event that we are forced to make a change or cancel as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care. All holidays operate subject to a minimum number of bookings. We will not, however, cancel for lack of numbers less than 60 days before departure.

Very rarely, we may be forced by "force majeure" (see section 14) to change or terminate your arrangements after departure. If this situation does occur, we regret we will be unable to make any refunds (unless we obtain any from our suppliers), pay you compensation or meet any costs or expenses you incur as a result.

10. Passports, Visas & Health Requirements

Passport and visa requirements vary depending on your destination. The information which we provide is for guidance only, and we cannot accept any liability. We recommend that you contact the relevant consulate to check any restrictions that may apply. Requirements do change and you must check the up to date position in good time before departure. Please contact your doctor for advice on health requirements. It is your responsibility to ensure that you have a proper passport and visa and that no personal circumstances such as a criminal offence or travel to another country will affect your individual visa requirements, and that you have the required vaccinations to gain entry to any country which you are visiting.

Most countries now require passports to be valid for at least 6 months after your return date. If your passport is in its final year, you should check with the Embassy of the country you are visiting. For further information contact the Australian Passport Office (www.passports.gov.au).

Special conditions apply for travel to the USA, and all passengers must have individual machine readable passports. Please check <http://au.usembassy.gov>.

Up to date travel advice can be obtained from the Department of Foreign Affairs and Trade, visit www.dfat.gov.au or smartraveller.gov.au.

If you fail to take the necessary steps, we have no liability to you and you will have to pay us any costs which we incur through helping you because of such failure on your part. Further, we are not liable to you for any illness or discomfort you suffer through failure to have required vaccinations or to follow medical advice.

11. Single Traveller Occupancy

We levy a single traveller supplement for those travelling on their own because our contract with hotels is based on a price per room, whilst our holidays are sold per person including flights and other elements. Therefore, the per person price for a single traveller includes the entire room cost. It is not our intention to penalise anyone who is under occupying the accommodation we provide and we certainly do not make additional or excessive profits from these sales: the price we charge merely reflects the real cost to us. If a hotel is able to offer accommodation designed for single occupancy only, we will normally charge a reduced supplement, considerably smaller than the one we apply when a single traveller occupies a double room. Allocation of rooms is at the discretion of each individual hotel and not something that we can influence.

12. Dealing With Complaints

We will make every effort to make your holiday as enjoyable and trouble free as possible. Most problems can be sorted out straight away if we know about them. If you have a complaint, you must advise our representatives straight away and the supplier of the service(s) in question. Any verbal notification must be confirmed in writing as soon as possible. You may also contact us directly using the emergency telephone number enclosed with your travel documents. That number will put you in touch with one of our employees who will take all reasonable steps to help you.

If you feel that a complaint has not been dealt with satisfactorily, you must write within 28 days of your return from holiday to: Customer Services Department, Collette, Suite 12.01, 52 Goulburn Street, Sydney NSW 2000, Australia, quoting your booking reference number. We will need to investigate your complaint. An acknowledgement shall be sent no later than 14 days from the date of receipt of correspondence. A detailed reply, or a reply containing a detailed explanation for any delay, shall be sent no later than 28 days from the date of receipt of correspondence. The final date for dealing in full with such correspondence shall be 56 days from the date of receipt of that correspondence. Failure to follow the procedure set out in this section may reduce or even extinguish any right which you may have to compensation.

13. Behaviour

You must not behave in a way which may cause distress or annoyance to others. If, in our opinion or the opinion of

any airline personnel, accommodation manager or other person in authority, you are behaving in such a way as to cause danger, distress or annoyance to others or damage to property, your holiday arrangements may be terminated by us or the supplier concerned. In this situation, our liability to you and/or your party will cease and you and/or your party will be required to leave your accommodation or other service immediately. We will not be responsible for making any refunds, paying any compensation or meeting any costs or expenses you incur as a result. You and/or your party may also be required to pay for loss and/or damage caused by your actions and we will hold you and each member of your party jointly and individually liable for any damage or losses caused by you or any member of your party. Full payment for any such damage or losses must be paid directly to the hotel manager or other supplier prior to departure from the hotel. If you fail to make payment, you will be responsible for meeting any claims (including legal costs) subsequently made against us as a result of your actions together with all costs we incur in pursuing any claim against you. We cannot be held responsible for the actions or behaviour of other guests or individuals who have no connection with your booking arrangements or with us.

14. Force Majeure

Except where otherwise expressly stated in these booking conditions we will not be liable or pay you compensation if our contractual obligations to you are affected by any event which we or the supplier(s) of the service(s) in question could not, even with all due care, foresee or avoid. These events can include, but are not limited to war, threat of war, civil strife, terrorist activity and its consequences or the threat of such activity, riot, the act of any government or other national or local authority including port or river authorities, industrial dispute, lock closure, natural or nuclear disaster, fire, chemical or biological disaster and adverse weather, sea, ice and river conditions and all similar events outside our or the relevant supplier(s) control. Advice from the Department of Foreign Affairs and Trade to avoid or leave a particular country may constitute Force Majeure. We will follow the advice given by the Department of Foreign Affairs and Trade.

15. Liability

To the fullest extent permitted by law, we exclude any liability for any loss, death, injury or damage which you may suffer (directly or indirectly) in connection with or arising out of your participation in a holiday that is caused or contributed by:

- The act(s) and/or omission(s) of the person(s) affected;
- The act(s) and/or omission(s) of a third party unconnected with the provision of the services contracted for and which were unforeseeable or unavoidable;
- Unusual or unforeseeable circumstances beyond ours or our supplier(s) control, the consequences of which could not have been avoided even if all due care had been exercised; or
- An event which either ourselves, our employees, agents or suppliers and subcontractors could not, even with all due care, have foreseen or forestalled.

You release us and our officers, employees, agents and representatives from any liability and expressly waive any claims you may have against us arising out of or in connection with your participation in a holiday.

To the fullest extent permitted by law, any condition or warranty which would otherwise be implied by law into these booking conditions (Implied Warranty), is excluded. Our liability in respect of an Implied Warranty is limited to (in our absolute discretion): (i) providing you with credit for a holiday of an equivalent value; or (ii) a refund of the total amount received by us from you in connection with your booking.

16. Prompt Assistance In Resort

If the contract we have with you is not performed or is improperly performed as a result of failures attributable to a third party unconnected with the provision of the services, or as a result of failures due to unusual and unforeseeable circumstances beyond our control, the

consequences of which could not have been avoided even if all due care had been exercised, or an event which we or our suppliers, even with all due care, could not foresee or forestall, and you suffer an injury or other material loss, we will offer you such prompt assistance as is reasonable in the circumstances.

17. Conditions Of Suppliers

Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions which will form part of your contract with us. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable International Conventions. Copies of the relevant parts of these terms and conditions are available on request from ourselves or the supplier concerned.

18. Delays And Other Travel Information

If you or any member of your party miss your flight or other transport arrangement, it is cancelled or you are subject to a delay of over 3 hours for any reason, you must contact us and the airline or other transport supplier concerned immediately.

Where you experience a delay which is not owing to any failure by us, we will use reasonable endeavours to assist in locating refreshments, accommodation and communications but we will not pay for them on your behalf. Any airline or other transport supplier may however pay for or provide refreshments and/or appropriate accommodation and you should make a claim directly to them.

Subject to the other terms of these conditions, we will not be liable for any costs, fees or charges you incur in the above circumstances, if you fail to obtain our prior authorisation before making your own travel arrangements.

We cannot accept liability for any delay which is due to any of the reasons set out in section 14 of these booking conditions (which includes the behaviour of any passenger(s) on any flight who, for example, fails to check in or board on time).

The carrier(s), flight timings and types of aircraft shown in this brochure or on our website and detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. We shall inform you of the identity of the actual carrier(s) as soon as we become aware of it. The latest flight timings will be shown on your tickets which will be despatched to you approximately two weeks before departure. You should check your tickets very carefully immediately on receipt to ensure you have the correct flight times. If flight times change after tickets have been despatched we will contact you as soon as we can to let you know.

This brochure is our responsibility, as your tour operator. It is not issued on behalf of, and does not commit the airlines mentioned herein or any airline whose services are used in the course of your travel arrangements.

19. Special Requests

Any special requests must be advised to us at the time of booking e.g. diet, room location, a particular facility at a hotel etc. You should then confirm your requests in writing. Whilst every effort will be made by us to try and arrange your reasonable special requests, we cannot guarantee that they will be fulfilled. We will inform the relevant supplier of such request. The fact that a special request has been noted on your confirmation invoice or any other documentation or that it has been passed on to the supplier is not confirmation that the request will be met. Failure to meet any special request will not be a breach of contract on our part unless the request has been specifically confirmed. We do not accept bookings that are conditional upon any special request being met

20. Disabilities And Medical Problems

We are not a specialist disabled holiday company, but we will do our utmost to cater for any special requirements you may have. If you or any member of your party has any medical problem or disability which may affect your stay, please provide us with full details before we confirm

your booking so that we can try to advise you as to the suitability of your chosen arrangements. We cannot provide special individual assistance to tour members with special needs for walking, dining, or other routine activities and motorized scooters are not permitted. We may require you to produce a doctor's certificate certifying that you are fit to participate in the tour. Acting reasonably, if we are unable to properly accommodate the needs of the person(s) concerned, we will not confirm your booking or if you did not give us full details at the time of booking, we will cancel it and impose applicable cancellation charges when we become aware of these details.

21. Advance Passenger Information

A number of Governments are introducing new requirements for air carriers to provide personal information about all travellers on their aircraft before the aircraft leaves the country of origin. The data will be collected either at the airport when you check in or in some circumstances when, or after you make your booking. Accordingly, you are advised to allow extra time to check in for international flights.

22. DFAT Advice

You are responsible for making yourself aware of warnings issued by the Department of Foreign Affairs and Trade in regard to the safety of the countries and areas in which you will be travelling and to make your decisions accordingly. Advice from the Department of Foreign Affairs and Trade to avoid or leave a particular country may constitute Force Majeure (see section 14).

23. Law & Jurisdiction

These booking conditions and any agreement to which they apply are governed in all respects by the laws of New South Wales, Australia. We both agree that any dispute, claim or other matter which arises between us out of or in connection with your contract or booking will be dealt with by the Courts of New South Wales only.

24. Accuracy Of Prices & Information

We endeavour to ensure that all the information and prices both on our website and in our brochures are accurate, however occasionally changes and errors occur and we reserve the right to correct prices and other details in such circumstances. You must check the current price and all other details relating to the arrangements that you wish to book before your booking is confirmed.

25. Insurance

We strongly advise you to purchase travel insurance to protect you should unforeseen circumstances (e.g. illness, injury, accident, or other medical emergency) arise during your holiday. You should ensure that this insurance fully covers all related costs for the duration of your travel, including, but not limited to, medical expenses, ambulance and evacuation costs and repatriation. Please contact us for details on appropriate travel insurance coverage for your holiday. We are not responsible for any such costs regardless of the cause.

26. Baggage Disclaimer

Although every effort is made to handle passengers' luggage as carefully as possible, Collette is not responsible for and does not assume liability or accept claims for loss of or damage to luggage due to breakage, theft or wear and tear through hotel and group carrier handling. It is recommended for your own self interest and protection that you have adequate insurance to cover these eventualities. Check with your sales agent for low cost insurance to cover these risks.

27. Checked Baggage Charges

Some airlines may impose additional charges if you choose to check any baggage. Please contact your airline or refer to its website for detailed information regarding your airline's checked baggage policies.

28. Holiday & Museum Closures

Museum visits and personal shopping time may be disrupted due to unforeseen circumstances or many religious, state and local holidays observed throughout the world.

29. Motorcoach Washrooms

Most coaches used on our tours are equipped with washrooms (except safari vehicles, exotic locations, and some of our Explorations tours). These are typically for emergency use, as we make plenty of comfort stops, allowing you the opportunity to use public restrooms and/or stretch your legs.

30. Pre-Paid Tipping

To make budgeting easy and remove the hassle of carrying small change, you can add a package for tipping to your booking. This will cover customary tips for your tour manager, driver, local guides and portage and is available up to 45 days prior to the tour.

31. Collette Compass App

Precise Location in Background: The Collette Compass app collects location data to display the real-time risk alerts and personalised assistance notification features, even when the app is closed and not in use. This option can be changed later by going to the device settings.

32. Photographs and Video

Collette reserves the right to take photographs and videos during your trip and to use photographs and videos submitted to Collette by others that contain your image or likeness, and to use your name and details of the tour you went on, for marketing and promotional purposes as described below.

If you prefer that your image, likeness, and/or name not be used for such purposes, you must advise Collette in writing, no later than 7 days prior to your departure date.

Unless you have opted out in accordance with previous paragraph, by travelling with Collette, you grant to Collette a perpetual, worldwide, non-exclusive and royalty-free permission to use and publish your image, likeness, or name, without compensation, for marketing, advertising, and editorial purposes of Collette; and in any manner and medium, whether now known or hereafter devised including in Collette's brochures, websites, social media, videos and connected TV, and sales presentations; and to alter and composite the same without restriction and without your inspection or approval. Collette will not use your image, likeness or name for any misleading or fraudulent purposes.

You acknowledge that photographs and video of your trip may be submitted to Collette by you or by third parties such as (but not limited to) other travellers, tour guides, crew, or staff members. If you become aware of any third-party photographs or video featuring you that you do not wish Collette to use, you may contact Collette and Collette will take reasonable steps to remove it from future use where practicable.

You may also submit photographs and videos to Collette. By submitting such photographs or videos, you (a) represent and warrant that the photograph and/or video is your original work created solely by you and that it does not infringe the intellectual property rights of any person, entity or other party; (b) represent and warrant that you have obtained any and all releases from subjects depicted in said original work necessary to grant Collette the rights and licenses to such original works you grant herein; and (c) grant to Collette a worldwide, royalty-free, perpetual, transferable, irrevocable, non-exclusive and fully sublicensable right and license to use the original work, in any and all media whether now known or hereafter devised, in perpetuity, anywhere in the world, with the right to make any and all commercial or other uses thereof, including, without limitation, reproducing, editing, modifying, adapting, publishing, displaying publicly, creating derivative works from, incorporating into other works and/or modifying the original work.
