“The itinerary was well planned and full flavored. I appreciated the knowledge imparted by the city tour guides. I thought that the farm visit and stay in the countryside was a nice change from the big cities. I enjoyed the morning scheduled city walks and then time to ourselves in the afternoons.”

If you purchased prior to 5/1/2024, click here for the details on Collette's Travel Protection Plan: <http://policy.travelexinsurance.com/365ZB-0123>

The following is an outline of the Non-Insurance Pre-Departure Cancellation Fee Waiver, Insurance Benefits and non-insurance assistance services that make up the Travel Protection Plan.

Part A Waiver Only provided by Collette Travel, Inc.: The Pre-Departure Cancellation Fee Waiver is provided by Collette, is not an insurance benefit and is not underwritten by Zurich American Insurance Company. Payment of a per person Travel Protection Plan fee guarantees a full refund of all payments (including deposit), except the Travel Protection Plan fee itself, made to Collette and the Abound by Marriott Vacations™ exchange program for travel arrangements in case of cancellation of your travel plans for any reason prior to 61 days of departure. If you cancel between 60 days and 1 day from departure you will receive a travel certificate from Collette equal to all the monies paid to Collette (less the cost of the plan itself) plus all of the Club points redeemed to Abound by Marriott Vacations. This certificate will be redeemable only to Collette (your Club points will not be redeposited into your account and will not be redeemable for anything except another Collette tour). The certificate must be redeemed within one year of its issuance. The Cancellation Fee Waiver only reimburses airline tickets you have purchased from Collette.

Exception: If you originally purchased nonrefundable airline tickets, the Travel Protection Plan does not provide a refund for the airline tickets, taxes or fees, in the event of a cancellation. This air ticket may be covered by Collette's Travel Protection Plan under Part B, if you cancel your trip for covered reasons (see Part B for more details).

The Part A Waiver portion of Collette's Travel Protection Plan protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. The Part A Waiver portion of the Travel Protection Plan does not indemnify you from penalties if you choose to cancel partial tour components or air. If you choose to partially cancel your tour, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation.

For Residents of MN, MO, NY and WA Only: The Pre-Departure Cancellation Fee Waiver (Part A) can be purchased separately without the purchase of the Travel Protection Plan. Contact Collette at 1-800-832-4656 in order to purchase the Pre-Departure Cancellation Fee Waiver separately.

Collette's Part A Waiver portion of the Travel Protection Plan does not reimburse any single supplement charges which arise from an individual's traveling companion electing to cancel for any reason prior to departure. In this case, the single supplement will be deducted from the refund of the person who cancels. (However, the Part B Benefits referenced below include a single supplement benefit for certain covered reasons, as detailed in Part B.) Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement.

Your payment of the Travel Protection Plan (if chosen) must be received by Collette with your deposit. The fee is nonrefundable, nontransferable and valid for each applicant only.

Collette can assume no responsibility for and cannot be held liable for any wrongful, negligent or unauthorized acts or omissions of any travel agent or travel agency other than that of Collette Travel Service, Inc. itself, and its own employees.

Where to Present Part A Claims

TRAVELERS NEEDING SPECIAL ASSISTANCE

Guests must advise Collette, at the time of booking, of any physical, medical, or other special needs that require an accommodation or special assistance. If and when necessary, Collette will make reasonable modifications to its policies, practices, and procedures unless doing so will fundamentally alter the nature of the tour or services.* Such participants, however, should be aware that the Americans with Disabilities Act is inapplicable outside of the United States and facilities outside the United States for disabled individuals are limited. It is strongly recommended that persons requiring assistance be accompanied by a companion who is capable of and totally responsible for providing the assistance. None of Collette, personnel, suppliers, or its other guests, may physically lift or assist other guests into transportation vehicles. If a traveler thinks he or she might need assistance during a trip, he or she should call Collette to determine what assistance might reasonably be given. Collette cannot provide special individual assistance to tour members with special needs for walking, dining, or other routine activities and motorized scooters are not permitted. Collette may exclude an individual from participating in a tour or an activity if the individual's participation poses a threat to the health or safety of the individual or others or causes an unacceptable disruption to the tour. This decision to exclude an individual, made by Collette in its sole discretion, will be based on an individualized assessment using reasonable judgment that relies on current medical evidence or on the best available objective evidence to determine the nature, duration and severity of the risk, the probability that potential injury will occur, and whether reasonable modifications of policies, practices, or procedures will mitigate the risk or will cause an unacceptable disruption of the tour. No refunds will be given if the decision is made to exclude a guest. In purchasing your tour, you attest that you are physically fit to participate on it. If you have concerns, please request additional details about your trip from your travel agent or Collette.

Be sure to ask your travel professional about such restrictions before departing for your tour.

Checked Baggage Charges:

Some airlines may impose additional charges if you choose to check any baggage. Level ②

You like a balanced approach

to travel. Walking two to three miles over the course of a day is no problem. You can partake in a two-hour leisurely walking tour, covering up to two miles (with included breaks). You can handle a variety of terrains, from cobblestone streets to moderate hills with relative ease and without assistance. You can climb two flights of stairs with ease. There may be 1 to 2 days on this tour when walking tours can cover three to four miles over uneven terrain. You can handle altitudes up to 6,000 feet.

Level ③

You're an on-the-go traveler.

You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Level ④

You're ready to seize the day,

whatever it may bring. You lead an active life at home (walking, biking, and half or full day hikes are things you may enjoy) and 10,000 steps a day is normal. You can handle longer walking tours (more than 3 hours covering three-plus miles at a steady clip) and activities that involve traversing uneven terrain, steep slopes, standing for periods of time, and varying altitudes and temperatures. You don't mind being on the go with some early starts, late-nights, and full days. You can handle altitudes of 9,000 feet or higher with little to no issue. This level is not appropriate for travelers who use wheelchairs, walkers, and other mobility assistance devices.
