We want to get travellers into the small local spots away from the crowds. We want to show you how locals live. That's why, when creating Explorations, we made sure that we kept the groups small and the experiences authentic. Experiences you couldn't get if you were travelling on your own.

THE **EXPLORATIONS**

TRAVELLER

- You are an individual and value your independence.
- You discover new destinations best by getting to know the people who call it home.
- You're pretty active. You enjoy walking, hiking and the occasional bike ride.
- You like the thrill of planning travel, but aren't a fan of logistics. You want to focus on making the trip **memorable**, not getting wrapped up in the details.
- You have an adventurous spirit. You find that your best stories are from when you said "yes" to something new.
- Social butterfly? Perfect. **Engaged observer? No** problem. No matter which way you lean, Explorations experiences will fit you.

Small Group Travel is About Travelling in a More Authentic Way

You'll share the road, a few meals, and a variety of special moments with a small, tight-knit group averaging about 15 people. You won't be one of the crowd with Explorations, you'll be an integral part of a cultural expedition. Every Explorations traveller is unique, but you all share a similar agenda — to authentically travel and connect to the world.

ACTIVITY LEVELS

As part of the Collette family, we share 5 activity levels across more than 160 tours. On Explorations, you'll find our tours scale a bit more active to allow for the most immersive experience possible.

LEVEL 1

You're a leisurely traveller. You like to discover the energy of a new place, but typically take it easy. You can handle at least one flight of stairs, board a coach, and walk for 15-30 minutes at a time with little difficulty.

LEVEL 2

You like a balanced approach to travel. You feel confident walking at least 30-45 minutes at a time over a variety of terrains - from cobblestones streets to easy straightaways to a couple hills or flights of stairs. You're comfortable walking a few city blocks at a time, but need some time to unwind and relax.

LEVEL 3

You enjoy a blend of longer days, shorter days, and leisure time. Plan for some walking tours, walking slightly longer distances, up stairs, or on uneven walking surfaces.

LEVEL 4

You're comfortable with a mix of longer days and some evening or early-morning activities. You can expect longer walking tours, traversing uneven terrain, climbing stairs, and periods of standing.

LEVEL 5

You're in good health and able to handle activities like: extensive walking tours, transfers over uneven or dusty terrain, high altitudes, early-morning departures, latenight activities, or extreme temperatures. This tour is not appropriate for individuals who use walkers or wheelchairs.

WHAT YOU'LL DO

unique experiences

It's often said that experience is the best teacher and we couldn't agree more. We've built Explorations experiences entirely around this philosophy, and that's why the number of travellers is always less than 19, or less than 25 on some tours. These smaller group sizes allow for possibilities you can't get with a bigger group.

Collette's tour design team built experiences that will educate us as travellers about cultures, traditions, and the human spirit. Some experiences are active and even a little adventurous, some are designed to reveal the heart of a culture, and some may even have the power to change your life.

Hard to replicate, and impossible to forget, these experiences will help shape your understanding of a destination, and shape your vision of the world.

33

This was one of my favourite destinations.

We visited many interesting sites, but probably my favourite thing about the tour was that I felt like I learned a lot about the culture and the people as well as the country. We visited three homes and I loved the experience of seeing what their homes look like and what their daily life is truly like."

EXPLORATIONS TRAVELLER ON COLOURS OF MOROCCO

THE TSARS

In St. Petersburg, iconic architecture seems to be around every corner. A favourite stop is to gaze on the lavish robin's egg blue exterior of the lavish Catherine Palace, the former summer escape for Russian aristocracy. But, there's no need for us to simply peer through the golden gates of this place. Step through the archways for an exclusive tour of this magnificent palace.

>> The Baltics Revealed, pp. 30-31

withessing the grandeur of Jaipur

Jaipur, the "Pink City," comes alive as the sun sets over the elegant stone architecture. The pinkish hue of the stone, the colour the city gets its eponymous name for, captures the reds and oranges of the sunlight, setting the buildings aglow. There is a regal grandeur to this place that can be found in the craftmanship of the palaces, temples, and buildings here. You get to explore these streets from your hotel, located in the heart of the city.

>> Mysteries of India, pp. 58-59

WHO WILL JOIN YOU

Your travels are often made more memorable by the people you meet and the connections you make along the way. Explorations does more than show you a new place. It connects you to new cultures and shows you a fresh perspective of the world. This approach to travel wouldn't be possible without a little help from the people who will share the adventure with you.

Tour Manager

Part friend, part historian, and a total virtuoso with logistics, it takes a special type of person to be a Tour Manager. From recommendations for free time to introducing you to new foods, people, and experiences, our Tour Managers are your go-to expert for everything while you're travelling. They make every part of your trip seamless.

Local Guides

Collette's local experts know more than just the lay of the land. They reveal the spirit of their hometown. Maybe they'll point out their childhood home on a walking tour. Maybe they'll tell you a story you won't find in a travel guide. You won't find a more authentic way to see the local sights than with our local experts.

Fellow Travellers

You'll travel with a small group of 14-24 (or less) who all share a passion for travel. And while every traveller is unique, Explorations travellers have many similar interests and a shared desire to travel in a deeper, more meaningful way.

Local Community

You won't just see locals going about their everyday lives, you'll experience life right alongside them. Cook a meal together. Share a few stories. Learn about traditions. Collette wants you to truly come to understand a destination by connecting with the people who call it home.

YOUR TIME IS VALUABLE WHILE YOU'RE TRAVELLING.

Make the most out of it by getting local recommendations from your **Tour Manager**. They know just where to go (and not to go) so you can spend more time making memories and less time planning for them.

33

We really didn't know exactly what to expect. Well, you certainly exceeded any expectations we had. You created a truly 'once in a lifetime' experience for us. From the lodging to the daily game drives, we saw incredible glimpses of life in Kenya...both human and animal. We would highly recommend this safari to anyone considering this type of experience."

WHAT'S ON THE MENU

culinary adventures

Local cuisine is so much more than taste and texture. It's about the experience and ambiance served up alongside a mouthwatering meal. Explorations seeks to delight the entire palate, creating an unforgettable and hard-to-replicate epicurean adventure. From home-hosted meals to hands-on cooking classes, intimate local restaurants to street food tours, you will savour the many local flavours your destination has to offer.

HUNTING FOR TRUFFLES IN FRANCE

Delight in the "thrill of the hunt" on an epicurean adventure through the forests of Southern France. Led by a local chef and his keen-sensed dogs, this culinary experience on **Journey Through Southern France** will have you searching for coveted black truffles where they naturally grow.

>> Journey Through Southern France, pp. 38-39

We *loved* the smaller group focus on small hillside towns!

Highlights include the visit to the olive oil farm, Carletti, where the intimate setting was as marvellous as was the olive oil. The cooking class in Vallo di Nera was a lot of fun and laughs."

THE BOUNTY OF MAINE

Set out to the rocky coasts of Maine and taste the bounty of the ocean. Feast on freshly caught Maine lobster before setting out in a Downeast-style lobster boat to see traps hauled from the cold Atlantic waves.

WHERE YOU'LL STAY

authentic surroundings

Explorations includes a variety of unique places to rest up and rejuvenate during your travels. Each hotel (4-star and above) is carefully chosen to ensure that your exploration never stops, even while you're relaxing after a full day, or lingering over a morning coffee. Whether it's the history, the view, the location, or the amenities, your hotels will capture the spirit of your destination.

These are but a few of the types of places you can expect to stay with Explorations. Visit collette.com/explorations to see specific hotel details for your trip.

All the hotels, the tours, the people on our tour and the people that we met, to the bus driver Luigi and the local guides, it was a win-win tour. No wonder Collette is celebrating 100 years in the travel business."

EXPLORATIONS TRAVELLER ON TUSCAN & UMBRIAN COUNTRYSIDE

LODGES

At a lodge, the environment is key. Lodges are often built so that you never feel detached from the stunning natural surroundings you've found yourself in, and the safari lodge in South Africa is no exception. With some luck, you'll be able to see the animals of the savannah right outside your window.

CASTLES & CHATEAUS

You'll truly live like a royal on some of our European Explorations. Walk the halls and grounds where royals once reigned and take time to appreciate the history that surrounds you.

MOROCCAN RIAD

A riad — a large traditional home or palace built around a central courtyard — is perfect for soaking in the cultural ambiance of Morocco. Steeped in history and heritage, staying in a riad is a must to connect with Morocco's storied past.

FEEL THE FREEDOM TO explore

No one has travelled the same path as you. And no one will experience the world just as you do. While there's no "one size fits all" travel experience, the travel experiences we craft include a good balance of unique, hard-to-replicate experiences, cultural connections, and plenty of opportunities for "you" time.

Sometimes with a guide by your side, and others with no other agenda other than to explore, these included and optional experiences mean you'll come to understand a destination on your own terms.

It's Your Choice

Zip lining or hiking, walking or biking, leisure time or guided sightseeing — it's all up to you. Collette's tour designers build these choices into Explorations to allow you to tailor your experience. All you have to do is choose which included option best suits your interests.

Plenty of You Time

To truly feel the pulse of a new destination, you need time to set off on your own. We incorporate the right mix of guided experiences and time to independently explore on every tour we craft.

optional ADDITIONS

Excursions

Bringing you one step deeper into the culture, our **optional excursions** will provide you with new experiences and perspectives. From expert-led walking tours to exotic cruises and cultural connections, there's a little something for every type of traveller.

OUR COMMITMENT TO

CARBON NEUTRAL TRAVEL

All Explorations tours are now carbon neutral.

How? First off, we started by measuring the amount of carbon we emitted on each Explorations tour. From there, we offset that same amount of carbon by investing in different environmentally friendly projects.

What does it mean to be "carbon neutral," exactly?

Every time you take a flight, eat at a restaurant, drive a car, or use your laptop, you're using energy from fossil fuels, which emit carbon dioxide. This carbon dioxide makes its way into the atmosphere, polluting the air and contributing to global climate change. To counter this release of carbon dioxide into the atmosphere, we invest money in projects that lessen the amount of carbon dioxide in the air, like wind farms and reforestation efforts.

We're taking action now, to benefit the future of the planet.

By partnering with a company that helps track and measure our carbon dioxide output as a company, we are offsetting our carbon emissions. When we add all of those travel-related activities up, the carbon footprint we leave behind as travellers can be substantial. That's why we're doing something about it.

HOW YOU CAN REDUCE YOUR CARBON FOOTPRINT EVERY DAY,

AT HOME OR WHILE TRAVELLING:

1 DITCH SINGLE USE PRODUCTS

Use reusable water bottles and straws at home or on the road.

TURN THE LIGHTS OFF

When not in use, turn
unnecessary lights off and
use LED bulbs - they're
80% more efficient than
traditional lighting.

3 PRINT LESS, WASTE LESS

50% of waste produced by business is comprised of paper. Send documents electronically if you can.

4 ALWAYS RECYCLE

Don't contribute to your local landfill – recycle plastic and glass bottles, aluminum cans and paper products.

5 LOVE THY FARMER & EAT LOCAL

It's estimated that 13% of U.S. greenhouse gas emissions are caused by the production and transportation of food. Buying local significantly reduces the transportation of food products, which reduces the carbon footprint of your meal.

switzerland's BEST KEPT SECRET

THE IMPECCABLE WINES OF HELVETIA

When you think of world-class wine, you might think of France or Italy. But do you think of Switzerland? Maybe you should start to, because Swiss wine is the country's best-kept secret. Over 200 grape varieties are grown in the mountainous vineyards of Switzerland, with Chasselas and Pinot Noir being the most popular.

The Lavaux region is quite possibly the best-known area for Swiss Wine, and was even declared a UNESCO World Heritage site. To get an expert opinion on Swiss wine and the entire winemaking process, we talked to **Aurélia Joly,** a Lavaux-region winegrower.

WHAT MAKES SWITZERLAND'S WINE CULTURE SO UNIQUE?

"Because we are a very little country," says Aurélia. With only 15,000 hectares of space, the winegrowers have to be smart about what kind of grapes they grow. "The vineyards are very little," she explained, so they don't grow the volume of wine necessary to start exporting it — only 1-2% of all the wines produced are exported.

HOW DID YOU COME TO OWN A WINERY AND GROW YOUR OWN GRAPES?

"[My husband] Jacques was born into a winegrower family in Lavaux," Aurélia explained to us. This is the story for so many vineyards, as the traditional craft gets passed down through the generations. "We wanted to create our own little society."

WHAT IS YOUR FAVOURITE SWISS DISH TO PAIR WITH WINE?

Aurélia suggests Swiss cheese fondue, of course. Make sure you have plenty of roasted potatoes for dipping, and pair with a crisp Chasselas white wine. Not only is this meal incredibly traditional for Switzerland, it's incredibly delicious.

WHAT IS SOMETHING EVERYONE SHOULD KNOW ABOUT SWISS WINE?

"We work with our hands, and not with big machines, in the vineyards," Aurélia told us. The winegrowers and vintners of Switzerland are a tight-knit society of craftsmen and artisans, that always stress quality over quantity. You'll be able to tell as soon as you take your first sip.

our hundred acres of ruins and temples sprawl out through the jungle, making Angkor Wat one of the largest holy sites in the world. At its centre is the largest structure, Angkor Wat proper, set beside a calm lake in a wide-open clearing. A stone bridge leads travellers across the waters and inside its walls. It's no wonder that this place evokes so much pride in Cambodia — you can feel a serene power in the air.

HISTORIC GROUNDS

King Suryavarman II ordered the construction of this sacred site as a Hindu place of worship, sometime in the 12th century. It was a massive undertaking, and the king underestimated how long construction would take. He died without seeing the City of Temples completed, and without his grand vision, construction halted.

In the 1800s, famous French explorer Henri Mouhot revealed this incredible temple complex to a "western" audience. In his famous travel journals, he wrote, "One of these temples, a rival to

that of Solomon, and erected by some ancient Michelangelo, might take an honourable place beside our most beautiful buildings." This pushed the French government to pour resources into preserving this mythical place.

LEGENDARY STORIES

There is a tale of Angkor Wat, that tells of King Suryavarman II starting his construction with a prayer to the gods. When the king awoke the next day, the temple had been built in the night by the gods themselves. This legend must have come hundreds of years after the construction, when the harsh labour of hundreds of workers had long been forgotten. Angkor Wat started as a holy site for Hindus, but over the decades transformed into a holy site for Buddhists as well. Buddhist pilgrims began to journey to the ancient site in the 17th century, claiming it was thought to be the mystical Jetavana garden of Buddha, where he taught his most important lessons to his students, and created Buddhism as a religion and a philosophy.

Frequently Asked Questions

Accommodations

What is the difference between a twin room and a double room?

In certain countries, hotel rooms tend to be smaller than Canadian standard accommodations. A double room is designed to accommodate two people, but may not have two separate beds. A twin bedded room has two separate beds of any size, and is the type most commonly utilized.

What size is a triple room? A triple room is the same size as a twin bedded room and beds will accommodate three people, but we cannot guarantee that there will be three separate beds. If there are only two beds, a rollaway may be requested but cannot be guaranteed due to size of room and fire codes. Please inquire at time of reservation.

Can my children travel on tour? Children over the age of 5 may travel on a Collette tour accompanied by an adult. Child land rates are valid for ages 5-12, sharing a room with two full-paying adults.

Are single and triple rooms always available? On many tours, triple and single accommodations are limited and are available on a first come, first served basis. Be advised that single rooms are often smaller.

When can I check into my hotel? Normal check-in time is late afternoon in most locations. Due to early arrival times into some cities, rooms may not always be available for immediate check-in.

Air

Can Collette book our airline reservations? Collette is happy to assist you in accommodating your flight needs. Due to tour scheduling and limited availability, you are strongly encouraged to take advantage of Collette's air packages. We are not responsible for air arrangements you have made on your own. On occasion, it is necessary to change tour dates. In this case, we can only protect air reservations booked through Collette. For all air reservations, it is strongly recommended to reconfirm flights before departure, in the event that the airline has an unexpected schedule change. We cannot assume responsibility for schedule changes, routings or flight cancellations involving the airlines. Not all airlines offer pre-assigned seats. Some charge a fee for seats which will be at the guests' expense. Where pre-assigned seats are not offered, the guests must contact the airline directly to arrange seat assignments.

Attractions & Sightseeing

Are attractions always available? Access to some attractions or Collette Foundation sites may be affected by the observance of holidays, weather conditions or other circumstances. As a result, the days and order of sightseeing may change to best utilize your time on tour. Boat rides are weather permitting. Some attractions may not be available during the "offseason" months. When attractions are unavailable, other similar attractions will be substituted. Wildlife sightings are not guaranteed.

Is there a lot of walking on tour? We pride ourselves on bringing travellers the very best experiences a destination offers. Our itineraries include many activities and may consist of walking on uneven terrain or significant walking at times. Some of the most unique sightseeing can mean accessing locations that restrict motorcoaches, especially in historic areas. Some hotels/lodges in remote locations may not have elevators. For your comfort, we recommend bringing walking shoes. Review each tour's "Tour Activity Level" and "Tour Pacina" (pg 75) for details.

Can you tell me more about the safaris? In order to most fully experience the wildlife, you will be traveling by custom-built safari vehicle which requires climbing in and out frequently and sometimes travels on bumpy roads. To

experience Africa fully, we recommend that all travellers be in reasonably good health and prepare properly.

How can I plan for shore landings? Special clothing is required for the shore landings (Antarctica, Galapagos); please refer to your predeparture documents for important details.

Are all theater performances suitable for children? Some theater performances may be unsuitable for children – consult your Tour Manager.

Documentation

Do I need a passport? Government-issued identification is required for all air travel. A valid passport is required for all trips outside Canada. All passengers should check with the appropriate foreign consulate for entry and validity requirements. We recommend that your passport has seven months validity, and at least 3 blank pages. Passports and visas are the responsibility of each client.

In South Africa, children are required to have a passport as well as additional documentation to travel with you into and out of the country. Please consult the South African Embassy for the current specific requirements related to your travel dates.

If travelling internationally with a child under the age of 18, please check directly with the airline for the legal documentation that is required. It is the sole responsibility of the guest to procure the proper documentation to travel and many requirements vary by airline and destination.

Collette will not be responsible for costs incurred for missed flights or canceled tours where a guest fails to secure proper documentation.

Extending Your Stay

Can I extend my tour to see more of a region? Yes! You may enhance your tour by purchasing either an extension or pre/post hotel stays, offered on select tours. Extensions may be "hosted" rather than escorted. When hosted, passengers will be greeted upon arrival by a local tour manager who will provide all included services and be available on-call during the duration of the extension. A minimum number of passengers may be required to operate some extensions. Extensions not purchased at time of deposit are subject to availability and applicable charges at time of request.

Collette also offers pre and post hotel nights before and/or after a tour for you to explore the destination independently. Should you purchase additional nights, please be advised that your Tour Manager will not be available during this time.

Extras

What is not included in the tour price? The land price does not include air travel, airline fees, airport or departure taxes, transfers, visas, customary end-of-trip gratuities for your Tour Manager, driver, local guides, hotel housekeepers, cruise ship waitstaff, and any incidental charges.

Late Bookings

Do you accept late bookings? Tour sales normally close 7 days prior to departure. All late bookings are on request and must be guaranteed with a credit card if within 60 days of departure date.

On-Tour Experience

Where do I meet my Tour Manager? Your tour will begin at your first hotel. The Tour Manager will make contact with you at the hotel and will provide

details relating to your tour. The hotel's address and phone number will be included in your documents.

Can I prepurchase optional excursions/activities? Yes, the majority of optional excursions and activities are available for advance purchase for applicable tours provided that you make your options purchase prior to 15 days of the tour departure. Collette makes it convenient to reserve presold options by visiting our website for a full listing of activities and excursions or when your reservation is made with our reservations staff. In addition, there are benefits to prepurchasing options including a price guarantee once your tour is paid in full. So, while the cost of an optional activity may change from the time you book your tour, once payment is received in full, your preselected options are guaranteed by Collette at their original price. Although you can still purchase options while on tour, reserving them ahead of time ensures you a spot in the event that the activity sells out. Collette will provide a refund if you cancel a presold option prior to tour departure. Any presold options canceled while on tour are nonrefundable.

Revisions/Changes

Would my tour date ever be changed? While it is unlikely, Collette does reserve the right to cancel a tour prior to departure. Should this happen, Collette will make every effort to put you on another departure date. If an alternate cannot be found, a full refund will be made. Air booked through Collette will be protected. We cannot be held responsible for penalties incurred if you have secured your own air.

Can I make changes to my reservation? Should you decide to change your reservation after initial booking, a handling fee of \$25 per transaction will be charged. A change of tour date, tour itinerary or passenger name, within the guidelines of the cancellation policy, will be treated as a cancellation and regular cancellation fees may apply.

Revisions to air tickets are subject to the rules and regulations of the airline. See our Cancellation Policy for more details.

Tour Pacing

How can I be best prepared for the pacing and physical requirements on a Collette tour? Tour pacing varies by itinerary, and each destination's sightseeing and activities are unique. Pacing is subject to personal interpretation. At Collette, we do include the best a destination has to offer, enhancing your overall tour experience. For overnight pacing of a tour, please refer to the "Accommodations" section on each tour page and on the tour map. These describe the number of nights you will stay in each hotel during your tour. The day-by-day descriptions will provide additional details about the number of activities included in each day.

The Tour Activity Level Ranking is featured on each tour itinerary. The definition of each activity level is listed here. If you have additional questions regarding a specific tour, please inquire at time of reservation. For your comfort, we recommend packing comfortable walking shoes so you can fully enjoy every aspect of your tour.

Level 1: At a very leisurely pace, this tour involves minimal physical activity, such as climbing some stairs, boarding a motorcoach, and walking from the hotel reception area to hotel rooms and dining areas.

Level 2: This tour requires average physical activity. You should be in good health, able to climb stairs and walk reasonable distances, possibly over uneven ground and cobblestoned streets.

Level 3: This tour includes moderate physical activity. The itinerary blends some longer days with shorter days and more leisure time. Walking tours, as well as walking slightly longer distances, up stairs or on uneven walking surfaces should be expected.

Level 4: To truly experience the program and destination, you need to be able to participate in physical activities such as longer walking tours, walking over uneven terrain, climbing stairs and periods of standing. Some of the touring days may be longer, with select included activities occurring later in the evening.

Level 5: This tour is very active, requiring participants to be physically fit to fully enjoy all the experiences. This itinerary has more strenuous activities which may include such things as: extensive walking tours, transfers over uneven and dusty terrain, high altitudes, early morning departures, late night activities, or extreme temperatures. Collette's Travel Protection Plan (for Canadian citizens or residents only*)

Following is an outline of the Non-Insurance Pre-Departure Cancellation Fee Waiver, Insurance Benefits and non-insurance assistance services that make up the Travel Protection Plan.

Part A Waiver Only provided by Collette Tours Canada, Ltd: The Pre-Departure Cancellation Fee Waiver is provided by Collette and is not an insurance benefit underwritten by Old Republic Insurance Company of Canada. Payment of a per person Travel Protection Plan fee to Collette at the time of booking guarantees a full refund of all payments (including deposits), except the Travel Protection Plan fee itself, for travel arrangements in case of cancellation of your travel plans for any reason prior to the day of departure. The Travel Protection Plan fee with air only covers airline tickets that you purchase from Collette.

Exception: If you originally purchased nonrefundable airline tickets, this Part A Travel Protection Plan does not provide a refund for any such nonrefundable airline tickets in the event of a cancellation. This air ticket may be covered by Collette's Travel Protection Plan under Part B, if you cancel your trip for covered reasons (see Part B for more details).

The Part A Waiver portion of Collette's Travel Protection Plan protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. The Part A Waiver portion of the Travel Protection Plan does not indemnify you from penalties if you choose to cancel partial tour components or air. If you choose to partially cancel your tour, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation.

Collette's Part A Waiver portion of the Travel Protection Plan does not cover any single supplement charges which arise from an individual's travelling companion electing to cancel for any reason prior to departure. In this case, the single supplement will be deducted from the refund of the person who cancels. (However, the Part B Benefits referenced below include a single supplement benefit of \$1,000 for certain covered reasons, as detailed in Part B.) Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the cancelling client, the travelling client will be charged the remaining portion of the single supplement.

The Travel Protection Plan fee is nontransferable and valid for each applicant (paying client) only. Collette assumes no responsibility for and cannot and will not be held liable for any wrongful, negligent or unauthorized acts or omissions of any travel agent or travel agency other than that of Collette Tours Canada, Ltd. and its own employees, directors and officers.

Golden sun, green mountains, blue waters. From the Lagoa do Canario viewpoint, outside of São Miguel, it feels like those are the only things that exist. The golden sun beaming warmly down, clouds throwing slivers of shade across the world below. The rolling green of the mountains, threaded with a winding path, beckoning you to explore. The glistening blue of the water, both in the crater lake ahead and the sea beyond. This place feels like a grand work of art, crafted with the swirl of a paintbrush and somehow brought to life.
