"Travel far enough,

- DAVID MITCHELL

Dear Traveller,

There are moments on tour that can set your soul on fire. Moments that take you completely by surprise. Like talking to a bookstore owner in Jordan about Arab literature. Overnighting in a tree house in Australia. Exploring Switzerland completely by train. Having a conversation with an atomic bomb survivor in Japan.

These moments can spark understanding or shift your perspective. And you won't find them in any guidebook. Each day on an Explorations tour reveals life in a new way.

Travel is the greatest educator – and our small group Explorations tours are designed to connect you with your fellow travellers, guides, and locals. And go deeper.

On these tours, you'll explore the world by diving in deep. And you'll learn more about yourself on your journey.

Explore with us. We can't wait to meet you on these amazing, less-travelled roads.

ACTIVITY LEVELS

Our Tour Activity Levels help to set expectations on tour. Look for this rating on every tour and gauge your ideal speed.

LEVEL 1

You're a leisurely traveller. You like to discover the energy of a new place, but typically take it easy. You can handle at least one flight of stairs, board a coach, and walk for 15-30 minutes at a time with little difficulty.

LEVEL 2

You like a balanced approach to travel. You feel confident walking at least 30-45 minutes at a time over a variety of terrains – from cobblestone streets to easy straightaways to a couple hills or flights of stairs. You're comfortable walking a few city blocks at a time, but need some time to unwind and relax.

BECAUSE YOU ARE A Traveller

No other reason needed.

Break away from the crowd...Dive deeper...

Discover the world around you and
more of yourself with every journey.

On a small group Explorations tour, the average group is made up of about 16 travellers who'll share the road, a few meals, and many special moments throughout the journey. Travel in ways that are authentic, connected, and extraordinary.

LEVEL 3

You're an on-the-go traveller. Walking and standing for longer periods of time (1-2 hours) isn't a big deal. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, zodiac, etc.), and could possibly anticipate changes in elevation. Expect some longer days balanced with free-time.

LEVEL 4

You're ready to seize the day, whatever it may bring.

You lead an active life at home (walking, biking, and hiking are things you may enjoy) and a few thousand steps a day isn't out of the norm. You can handle longer walking tours (more than 90 minutes), traversing dusty or uneven terrain, standing for periods of time, varying altitudes and temperatures, and don't mind being on the go with some early starts, late-night experiences, and full days. Unfortunately, this level is not appropriate for individuals who use wheelchairs or walkers.

Experiences THAT IMMERSE YOU

Hard to replicate and impossible to forget, every experience is enhanced through the people you'll meet and unique perspective you'll gain into local culture. These are the connections that will shape your understanding of a destination.

Day 2: Nairobi, Kenya - Tour Begins

A continent of adventure stirs the soul in Kenya, the heart of safari country. Your adventure begins today!

Day 3: Nairobi - Aberdare National Park

After breakfast, travel to Aberdare National Park. Inside this isolated volcanic range, peaks reach as high as 14,000 feet. Indigenous forests surround you on all sides, and red soil stirs under brilliant waterfalls. Set your eyes on Mweiga Hill, where a welcome party of giraffes wait to greet you at your lodge. Overlooking the park, enjoy the lodge's amenities at leisure this afternoon. (B, L, D)

Day 4: Aberdare National Park - Buffalo **Springs Reserve - Shaba Reserve**

Discover the magic of the Shaba, Samburu and Buffalo Springs reserves - home to some of Africa's most exotic wildlife - particularly two species you can only find north of the Equator: Grevy's zebra and the reticulated giraffe. Arrive at peaceful Shaba National Reserve, your home for the next two nights. This afternoon, head for Buffalo Springs

- a starkly beautiful semi-desert. On your game drive in this remarkably serene landscape, see if you can spot the "Big 5" - lions, elephants, buffalo, leopards and rhinos. (B, L, D)

Day 5: Shaba Reserve - Samburu **National Reserve - Shaba Reserve**

Marvel at the striking contrast of sand, sky, and bush during a morning game drive inside Samburu National Reserve, a tiny gem of Kenya's North Country. Return to Shaba Reserve for lunch before heading out on an afternoon game drive. Bring your camera as you continue searching for the elusive "Big 5." Make sure to look up for the approximately 350 species of birds that call this region home. As the sun sets over the banks of the Ewaso Ng'iro River, enjoy a traditional Sundowner, and relish the chance to deepen your cultural experience. In the company of a Samburu tribe member, learn about the culture, traditions, and folklore of the Samburu region and its people. (B, L, D)

Day 6: Shaba Reserve - Aberdare **National Park**

Journey to the forests of Aberdare National Park in the heights of the Aberdare Mountain Range. An amazing experience awaits you upon arrival to your lodge, The Ark. This incredible place is

an experience all on its own. Surrounded by forest and wildlife. The Ark offers four viewing decks that make it easy to watch the game go by. Tonight, learn more about the conservation efforts and anti-poaching measures in the region. Many animals visit the Ark's floodlit water hole throughout the night. So you don't miss any of the action, you can choose to be notified through the unique buzzer system of any wildlife sightings. (B, L, D)

Day 7: Aberdare National Park -Lake Nakuru

To the middle of the Earth and beyond! Hit the road for a spectacular, mountain-kissed journey on the way to Nyahururu waterfalls. One of the Great Rift Valley's soda lakes. Lake Nakuru is a haven of ecological diversity surrounded by picturesque ridges and wooded, bushy grassland. (B, L, D)

Day 8: Lake Nakuru

Wake up in the embrace of Nakuru's acacia forest. During this morning's game drive, make sure your binoculars are ready - this is rhino country. Find this park absolutely brimming with wildlife, on the ground and in the air. Regale in a true taste of Africa: a traditional breakfast prepared right in the bush. Unwind at your lodge before continuing your journey through the park on an afternoon game drive. Return just in time to witness one of Nakuru's unforgettable sunsets. (B, L, D)

Day 9: Lake Nakuru - Masai Mara **Game Reserve**

Welcome to the Masai Mara Game Reserve, one of Kenya's best spots for game viewing. Your tented accommodations in the Mara provide you with all the deluxe amenities of a proper lodge, with the added adventure of being on level with the wild. Graced with an astounding collection of wildlife including lions, giraffes, zebras and elephants, the Mara offers an unsurpassed safari experience on your game drive this afternoon. After a Mara sunset, head over to your tent and be lulled to sleep by the sounds of the animals in the distance. (B, L, D)

Day 10: Masai Mara Game Reserve

Ernest Hemingway said, "I never knew a morning in Africa when I woke up and game drive, enjoy the grassy plains and rolling hills of the Masai Mara. This is truly nature's greatest theater, where savanna, cloud shadows and amazing wildlife spot the horizon. Tonight, indulge in a traditional bush dinner, complete with a Masai dance performance. (B, L, D)

Day 12: Nairobi - Amboseli **National Park**

This morning, experience an **Impact** Moment when you visit Ocean Sole, a social enterprise that turns ocean debris into colorful works of art. Learn about their mission to clean the waterways and grow the Kenyan economy. You'll also get a chance to peruse their collection of products before continuing on to Amboseli National Park. Later, learn about Masai culture during a visit to a local village (an enkeng in Maa, the Masai language). Take to the plains for an afternoon game drive in the breathtaking aura of snowcapped Mt. Kilimanjaro. Complement your journey with an opportunity to give back to nature with a "seedball." The compact balls of seed limit the cost of planting indigenous trees around the world. A moment of impact can grow into a lifetime of change, so toss your seedball out the window anytime during your stay in Amboseli. (B, L, D)

Day 13: Amboseli National Park

Today will start with an early morning game drive followed by breakfast back at the lodge. All of Amboseli is at your feet during morning and afternoon game drives. This trip requires a passport. Effective for travel after November 2023, all visitors who do not need a visa to enter Europe will be expected to apply for an ETIAS travel authorization, for a fee, when visiting a Schengen Area Country. To identify Schengen Area Countries and to complete the ETIAS application, please visit https://www.etiasvisa.com/ Our air passengers will arrive into Paris and depart from Nice. Airport transfers are available for purchase. The truffle hunting activity takes place in the countryside on unpaved paths and in wooded areas. To participate you must wear comfortable, sturdy walking or hiking shoes. Waterproof shoes are recommended as mud and puddles are common in the area. Using the Paris underground system requires the ability to negotiate 2 to 3 flights of stairs and agility to step on and off moving escalators. Seating is not guaranteed in the Métro as it's available on a first come, first served basis. In case seats are not available, the ability to stand in a moving vehicle is required (handrails are available). Only 3% of the underground stations are wheelchair accessible. The hiking in the Calanques National Park (part of the Choice on Tour) is ranked as "moderately strenuous" according to the US National Park Service guidelines. Moderately strenuous hikes will generally be challenging for an unconditioned person. The terrain can involve a steady and often steep incline. The hike, comprising of 1 to 2 calanques, will be an approximate duration of 2 hours in length over rough, unpaved terrain - constantly up/down hills. In case of adverse weather conditions, the hike might be replaced with a walk along a paved 11 miles scenic path. The Louvre and Versailles optional tours must be purchased no later than 60 days prior to departure. Space is limited on some dates. Once purchased any cancellation within 60 days of tour departure will be nonrefundable. Porterage is not available in French train stations, therefore you must be prepared to handle your own luggage from the motorcoach to the platform and lift it aboard the train. Luggage space is limited, so you may have to store your bags in the overhead racks as there is no checked luggage service available on French trains. Please be advised that high-speed trains in France are double-deckers and you may be assigned a seat in the upper deck, requiring you to lift your luggage up the steps. In France some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in the historic areas of Paris, Aix-en-Provence, Cassis, Grasse, St. Paul de Vence and Nice. If you require a walker or wheelchair, or have difficulty walking, you may not be able to access some of these areas and may want to consider an alternate program with us. Our tour counselors can provide additional information or assistance to help you determine the perfect trip for you. All rates in Canadian dollars.

This trip requires a passport and a visa. Our air passengers will arrive into and depart from Istanbul. Airport transfers are available for purchase. The internal flight between Kayseri and Istanbul is not included in the cost of your tour and must be arranged by us. The exact flight time may vary from early morning to mid-afternoon. In some cases, your visit to the Grand Bazaar may be moved to Day 3. Some of our hotels on these programs are located in smaller towns or on country roads where access is limited to large coaches, in which case you will be dropped off as close as possible and there will be a short walk to access the hotel from the drop-off area. If travelling during the month of Ramadan, please note that the order of some features may vary and that some meal experiences may be replaced with meals in the hotel instead of local restaurants/ venues. Ramadan observances are from March 10-April 10, 2024. Modest attire is required for visiting religious sites. Mosque visits require removing your shoes. We recommend wearing or bringing a pair of socks to use during the Mosque visits. Women will have to cover their heads with a scarf and wear long skits or trousers, while men will need to wear trousers or shorts that fall below the knee. The natural pools of Pamukkale's "Cotton Castle" are visible from a viewpoint. Due to the reduction in the strength of the natural water spring, only about 15% of the pools have water in them. Accessing the pools requires the ability to walk barefoot on wet, slippery limestone. Due to the fragile nature of the limestone, the use of any kind of shoes is forbidden. We suggest bringing a towel with you if you plan to access the pools. Bathing in the pools is not allowed. If you choose the Cleopatra Antique Pools, please note that the admission includes access to changing rooms with lockers and showers. You are responsible for bringing your own towel and bathing suit. Swimming stops will be made weather permitting. Swimming stops from the boat require the use of a pool ladder to enter and exit the water. If joining the optional hot air balloon ride you will depart the hotel around 5AM and return in time for breakfast, prior to joining the tour group for your included activities. Agility is required for climbing into and out of the balloon's basket. The balloon ride is subject to wind and weather conditions. The option is available for sale only prior to the tour and must be purchased no later than 30 days prior to departure. When demand exceeds availability the hot air balloon operators retain the right to cancelling reservations even when previously confirmed. If this situation should occur, you will be refunded. This tour is not exclusive to Collette travellers and therefore you may be with passengers from other tour companies. Please note the Whirling Dervishes ceremony is a religious ceremony (not a performance) and photography will not be permitted, though the Dervishes may linger for pictures afterwards. Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in historic areas. In particular, the sightseeing in Istanbul on Days 3 and 4 requires a minimum of 2 miles of walking per day. You will be walking over cobblestoned streets with narrow sidewalks, at time uphill. At the archeological sites of Pergamon, Ephesus, and Kaunos and in Cappadocia, many activities require walking on uneven, unpaved terrain, often with loose stones. Visiting sites such as the Underground City and the Göreme Open-Air Museum require climbing and descending steep staircases and/or ramps with limited to no help from handrails. Some of these visits may not be suitable for people suffering from claustrophobia. Agility is required for boarding the boats for your included tours on days 4, 9, 10. If you require a walker or wheelchair, or have difficulty walking, you will not be able to access some of these areas and may want to consider an alternate program with us. Our travel counselors can provide additional information or assistance to help you determine the perfect trip for you. All rates in Canadian dollars.

*Itinerary featured is for June 2023 - May 2024 tour departures. Departures prior to this date may vary. Please confirm at time of reservation.

See this tour online for available departure dates and pricing.

This trip requires a passport. Effective for travel after November 2023, all visitors who do not need a visa to enter Europe will be expected to apply for an ETIAS travel authorization, for a fee, when visiting a Schengen Area Country. To identify Schengen Area Countries and to complete the ETIAS application, please visit https://www.etiasvisa.com/. Our air passengers will arrive into Milan and depart from Venice. Airport transfers are available for purchase. Most museums in Florence are closed on Mondays, including the Academy Gallery and the Uffizi, and require reservations to access. We suggest you book a ticket online if you plan to visit the Academy or the Uffizi during your free time in Florence. In the event of adverse weather conditions, the dinner at Isola dei Pescatori may be held at your hotel instead. Note that villas in Tuscany are dotted throughout the region and we use different properties on this program. Some may be located in the countryside, removed from a city centre. Still others may be closer to the hustle and bustle of the region. In order to fully experience the destination, some of our hotels on these programs are located in smaller towns or on country roads where access is limited to large coaches. In these cases, you will be dropped off as close as possible and there will be a short walk to access the hotel from the drop-off area. On occasion, due to inclement weather, your boat trip to Murano Island may be substituted with a visit to a local glass factory in Venice. Isola Bella and the Borromeo Palace are open from April 1 to October 31. If you are travelling between November 1 and March 31, you will enjoy a scenic cruise of the Borromean Islands and a visit to Pallanza village instead. If you are in Lake Maggiore from April 1-15 the Borromeo Palace might be closed mid-week. You should expect large crowds in the Cinque Terre, San Gimignano, Florence and Venice. For the Cinque Terre excursion, agility is required to board trains that require the ability to climb 3 one-foot-tall steps holding on to railings and agility boarding local ferry boats when available. Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in historic areas such as the Cinque Terre villages, Siena, San Gimignano, Venice, and Florence which requires a minimum 2.5 miles of walking over flat but cobblestoned streets with narrow sidewalks. If you require a walker or wheelchair, or have difficulty walking, you may not be able to access some of these areas and may want to consider an alternate program with us. Our travel counsellors can provide additional information or assistance to help you determine the perfect trip for you. All rates in Canadian dollars.

Step outside, take a deep breath in, and look towards the mountains – you're in the big sky country of Montana.

Day 1: Bozeman, Montana - Tour Begins

Montana is wilderness, adventure, and beauty, and you're about to see what makes it unique, as well as its crown jewels. Today, arrive in Bozeman, the jumping off point to explore the northern and southern loops of Yellowstone, America's first national park. Get your cameras ready, there's a good chance you're going to come across roaming bison, roaring geysers, and more.

Day 2: Bozeman - Yellowstone Southern Loop - Gardiner

This morning, pass through Yellowstone's western gate and venture into the Lower Loop. Your first stop will be at the Grand Prismatic Spring, where steaming blue waters clash brilliantly with the bright orange of the clay earth surrounding it. The best spot to take it all in is at the overlook, and you'll have enough time to take the 20-minute hike up if you choose. Afterwards, head to Old Faithful, the legendary geyser that you can "set your watch to." Enjoy lunch on your own and walk the boardwalk trails surrounding Old Faithful. No drive through Yellowstone is that quiet, though – bison, elk, bears, eagles, wolves, and antelope call this incredible slice of wilderness their home, and you might spot them at any time. (B, D)

Day 3: Gardiner - Yellowstone Northern Loop - Gardiner

Today, explore Yellowstone's northern loop. Your

first stop will be Mammoth Hot Springs. Here, bubbling pots of geothermal water trickle down the step-like terraces, creating incredible shapes and colours. Next, head to the Grand Canyon of Yellowstone lookout, where you'll find yourself standing over the massive, 20-mile-long canyon. Its craggy walls are streaked with brilliant whites, pinks, and oranges from the volcanic minerals contained in the rocks. The Yellowstone River roars along at the bottom over three different waterfalls. Later today, return to your hotel in Gardiner. (B)

Day 4: Gardiner - Paradise Valley - Helena

This morning, head through the sweeping vistas of Montana's Paradise Valley. You'll arrive in the capital of Montana, Helena, a city with rich gold rush history and beautiful Victorian era architecture. These days, the "Queen City of the Rockies" is less known for gold and more known for its great local restaurants and microbreweries, as well as a stunning trail system in the surrounding landscape. (B, D)

Day 5: Helena - Gates of the Mountains - Helena

Start your day today with a local guide showing you around the beautiful and welcoming mountain city of Helena on a narrated, train trolley tour. See the opulent mansion district,

marvel at the Cathedral of St. Helena, and roll by governor's homes. Pass by a restored miners' village, enjoy the unique architecture along Last Chance Gulch, and catch a glimpse of the Old Fire Tower. After exploring the city a bit, you'll have time on your own to enjoy the charm of downtown Helena before heading to the Gates of the Mountains, Here, on the shores of the Missouri River, you'll follow in the footsteps of Lewis and Clark. Climb aboard a boat and follow the path they took on their legendary journey across this vast wilderness. Meriwether Lewis himself named this stunning canyon the Gates of the Mountains. Tonight, return to Helena for an evening at leisure. (B)

They had to carry their boats over land for a month to make it from the lower falls to the upper falls. You will not have to work that hard, because it's your choice! Visit the Lewis and Clark National Historic Trail Interpretive Center where you can learn about the trials of the legendary expedition **-OR-** explore the exhibits at the C.M. Russell Art Museum during a guided tour, where you'll see the art of Charles Russell, a cowboy-turned-artist, as well as his original home and log studio. Afterwards, continue to St. Mary. (B, D)

Next, head to Whitefish where forests, lakes, rivers, and mountains unfold in every direction. (B, L)

choose, the awe-inspiring views of Glacier National Park await, Tonight, tell tales about your river escapades while sitting down for a mouth-watering barbeque dinner. (B, D)

Day 9: Whitefish - Flathead Lake -Missoula

Depart Whitefish and drive south, journeying along the western edge of beautiful Flathead Lake. Carved by the ancient glaciers that give Glacier National Park its name, Flathead Lake stretches almost 200 square miles. Quaint, small towns dot the shores here, built with the beautiful backdrop of nature behind them. You might even spot some orchards, growing Flathead cherries. Encompassing most of the lake is the Flathead Reservation, home to the Confederated Salish and Kootenai Tribes of the Flathead Nation. At one point, these tribes had territories that stretched out of Montana and into Idaho, British Columbia, and Wyoming. The Hellgate Treaty of 1855 set aside Flathead Lake for the tribes, reducing their lands to a fraction of what it once was. Tribal land was once again shrunk in 1904 by over half a million acres. Despite all of this, the Tribal way of life continues on to this day, passed down from elders to children though a rich oral and spiritual tradition. Get a glimpse into these traditions when you meet a descendant of the last Kootenai chief, and learn about the importance of the land in native life. Afterwards, head to the final stay on your journey, the eclectic city of Missoula, where you can enjoy a relaxing evening at leisure. (B)

Day 10: Missoula

Your day in Missoula starts off with a visit to the Historical Museum at Fort Missoula, a 32-acre site with over 20 structures including a collection of nearly 50,000 artifacts that tell the fascinating history of Missoula County. Next, visit the Smokejumper Visitor Center and learn how and why these legendary firefighters do what they do - jump out of planes and parachute into dangerous wildfires. Missoula is home to the largest smokejumper base in the United States, and you'll visit the ready room, smokejumper loft, the National Smokejumper Memorial, and a fire lookout tower originally built in 1930. This evening, enjoy a memorable farewell dinner with your fellow travellers, where you can raise a glass and toast to a wildly fun Montana adventure. (B, D)
