Land Rates Land rates are on a per person, double occupancy basis. Availability of departures at the prices noted in the brochure is limited. Government taxes and fees are additional. For current prices, please see our website at www.gocollette.com. Land rates are guaranteed at the time that the deposit is received by Collette.

Airfare For your convenience, we offer airfare for purchase with all tour packages. If you purchase an air-inclusive program, your airfare will be quoted exclusive of all fuel, taxes and fees. Your rates are subject to change until paid in full. Seats are limited and may not be available on every flight or departure date.

Instant Purchase nonrefundable airfare includes roundtrip airport/hotel transfers (excluding pre- or post-days and extensions). If you have selected Instant Purchase nonrefundable air, you are required to pay the full air cost in addition to the \$250 deposit at time of booking (all of which is nonrefundable). If you purchase the Travel Protection Plan, the Instant Purchase nonrefundable airfare may be covered, if you cancel your trip for a covered reason (see Part B for more details). Tickets will be issued immediately and once issued are nonrefundable; you may only be changed for a fee up to \$300 plus any difference in airfare for travel in the following 12 months; specific fees and policies may vary by airline. These tickets include an administration fee and roundtrip airport-to-hotel transfers, of which both hold no airline reissue value. Once issued, there can be no fluctuation in price due to an increase in government taxes or in airline fuel surcharges. Therefore, any such fees or airport-to-hotel transfers are not refundable under any circumstances.

Tour Pacing Tour pacing varies by itinerary, and each destination's sightseeing and activities are unique. Pacing is subject to personal interpretation. At Collette, we do include the best a destination has to offer, enhancing your overall tour experience. For overnight pacing of a tour, please refer to

the "Accommodations" section on each tour page and on the tour map. These describe the number of nights you will stay in each hotel during your tour. The day-by-day descriptions will provide additional detail about the number of activities included in each day.

The Tour Activity Level Ranking is featured on each tour itinerary in a circle. The definition of each activity level is listed here. If you have additional questions regarding a specific tour, please inquire at time of reservation. For your comfort, we recommend packing comfortable walking shoes so you can fully enjoy every aspect of your tour.

Level 1: At a very leisurely pace, this tour involves minimal physical activity, such as climbing some stairs, boarding a motorcoach, and walking from the hotel reception area to hotel rooms and dining areas.

Level 2: This tour requires average physical activity. You should be in good health, able to climb stairs and walk reasonable distances, possibly over uneven ground and cobblestoned streets.

Level 3: This tour includes moderate physical activity. The itinerary blends some longer days with shorter days and more leisure time. Walking tours, as well as walking slightly longer distances, up stairs, or on uneven walking surfaces should be expected.

Level 4: To truly experience the program and destination, you need to be able to participate in physical activities such as longer walking tours, walking over uneven terrain, climbing stairs and periods of standing. Some of the touring days may be longer, with select included activities occurring later in the evening.

Level 5: This tour is very active, requiring participants to be physically fit to fully enjoy all the experiences. This itinerary has more strenuous activities which may include such things as: extensive walking tours, transfers over uneven and dusty terrain, high altitudes, early morning departures, late night activities, or extreme temperatures. All conditions do not apply to all days, so please read the itinerary carefully and speak to one of our travel counsellors to determine if this tour is right for you. We recommend this program to individuals who are physically fit. Unfortunately, this tour is not appropriate for individuals who use either walkers or wheelchairs. If this trip is not ideally suited for you, our travel counsellors can help determine the perfect trip for you.
