This travel guide could find its way into your hands, anywhere and anytime.

Maybe you’re sitting down in your office, with a stack of mail in your hand, ready to start the day. Maybe you’re sitting on the couch with a cup of coffee in your hand, idly flipping through the pages. Maybe you just picked it up off a coffee table, because the picture on the cover caught your attention.

Travel can take you somewhere that feeds your soul, or shows you new experiences. Opening up this cover, and flipping through these pages, could start a chain reaction that takes you across the globe, seeing new sights, tasting new foods, and meeting people you never thought you would. This travel guide could help you discover your reason for travel, that deep-down feeling that pushes you out the door and on to a new city, a new culture, a new friend.

We’ve been inspiring and guiding people to journey across this big, beautiful world for a hundred years now. From our humble beginnings as a motor coach tour company, to today, where we offer tours worldwide, we’ve learned that travel feeds the soul. And it fulfills different people in different ways, but we’ve learned that it always means something. Something special.

We don’t know where you’re reading this travel guide right now, but we do know this — this is the beginning of something wonderful.

MICHELLE GAMMON PURVIS 
TOUR MANAGER AND REGIONAL DESTINATION MANAGER

4 years of service, on why she loves being a Tour Manager with Collette:

I love that my job requires me to be constantly learning more about our amazing world, and especially that I get to share what I learn with our guests. I am passionate about helping our guests make the most of their visit to each city and village. No matter how many times I visit a destination, I can always learn something new, or try squeezing in a visit to a museum or restaurant that I haven’t been to before.

Our tour manager was excellent. She was very helpful and her recommendations for restaurants and places to see were wonderful. We celebrated birthdays and learned many things about Portuguese history, food and wines.

Nestled in the foothills of the Bavarian Alps, less than a two-hour drive from Munich, the quaint village of Oberammergau is one of Europe's most unique destinations. Every ten years, this town draws visitors from across the globe as host to what is regarded as the most important Passion Play in the world. The Passion Play, an epic event that traces Jesus’ life, death and resurrection, is a moving feast of drama and music.

In 1633 soldiers returning home from the Thirty Years War brought with them the Black Plague. After much death and suffering, leaders of the community in Oberammergau came together, pledging to hold a play honoring the life of Christ every ten years. From that day forward, no additional villagers perished from the plague. The event continues today with performers all native to the village.

When you choose one of our special departures that includes the Passion Play, you'll receive your ticket and stay right in Oberammergau at a hotel conveniently located near the auditorium. The auditorium where the play will be held offers comfortable seats set on an incline, providing everyone with a good view. During a break in the performance, you'll join your fellow travelers for dinner before returning for the remainder of your Passion Play performance. This powerful play is not to be missed.

Frequently Asked Questions

Accommodations
What is the difference between a twin room and a double room? In certain countries, hotel rooms tend to be smaller than U.S. standard accommodations. A double room is designed to accommodate two people, but may not have two separate beds. A twin bedded room has two separate beds of any size, and is the type most commonly utilized.

What size is a triple room? A triple room is the same size as a twin bedded room and beds will accommodate three people, but we cannot guarantee that there will be three separate beds. If there are only two beds, a rollaway may be requested but cannot be guaranteed due to size of room and fire codes. Please inquire at time of reservation.

Can my children travel on tour? Children over the age of 5 may travel on a Collette tour accompanied by an adult. Child land rates are valid for ages 5-12, sharing a room with two full-paying adults.

Are single and triple rooms always available? On many tours, triple and single accommodations are limited and are available on a first come, first served basis. Be advised that single rooms are often smaller.

When can I check into my hotel? Normal check-in time is late afternoon in most locations. Due to early arrival times into some cities, rooms may not always be available for immediate check-in.

Air
Can Collette book our airline reservations? Collette is happy to assist you in accommodating your flight needs. Due to tour scheduling and limited availability, you are strongly encouraged to take advantage of Collette’s air packages. We are not responsible for air arrangements you have made on your own. On occasion, it is necessary to change tour dates. In this case, we can only protect air reservations booked through Collette. For all air reservations, it is strongly recommended to reconfirm flights before departure, in the event that the airline has an unexpected schedule change. We cannot assume responsibility for schedule changes, routings or flight cancellations involving the airlines. Not all airlines offer pre-assigned seats. Some charge a fee for seats which will be at the guests’ expense. Where pre-assigned seats are not offered, the guests must contact the airline directly to arrange seat assignments.

Attractions & Sightseeing
Are attractions always available? Access to some attractions or Collette Foundation sites may be affected by the observance of holidays, weather conditions or other circumstances. As a result, the days and order of sightseeing may change to best utilize your time on tour. Boat rides are weather permitting. Some attractions may not be available during the “off-season” months. When attractions are unavailable, other similar attractions will be substituted. Wildlife sightings are not guaranteed.

Is there a lot of walking on tour? We pride ourselves on bringing travelers the very best experiences a destination offers. Our itineraries include many activities and may consist of walking on uneven terrain or significant walking at times. Some of the most unique sightseeing can mean accessing locations that restrict motorcoaches, especially in historic areas. Some hotels/lodges in remote locations may not have elevators. For your comfort, we recommend bringing walking shoes. Review each tour’s “Tour Activity Level” and “Tour Pacing” (pg 189) for details.

Can you tell me more about the safaris? In order to most fully experience the wildlife, you will be traveling by custom-built safari vehicle which requires climbing in and out frequently and sometimes travels on bumpy roads. To experience Africa fully, we recommend that all travelers be in reasonably good health and prepare properly.

How can I plan for shore landings? Special clothing is required for the shore landings (Antarctica, Galapagos); please refer to your predeparture documents for important details.

Are all theater performances suitable for children? Some theater performances may be unsuitable for children – consult your tour manager.

Documentation
Do I need a passport? Government-issued identification is required for all air travel. A valid passport is required for all trips outside the USA. All passengers should check with the appropriate foreign consulate for entry and validity requirements. We recommend that your passport has six months validity, and at least 3 blank pages. Passports and visas are the responsibility of each client.

International Borders Any child under age 16 (traveling without a parent or legal guardian to Canada) must have written permission from a parent or legal guardian.

Please be advised that if you have been convicted of an offense, or have committed a criminal act that is an offense under the laws where it occurred and would be an offense in Canada, you may be inadmissible into Canada. You will need to apply for a Minister’s Permit of Approval of Rehabilitation at a Canadian Consulate. All other travelers should contact the appropriate consulate for entry requirements in other international destinations.

In South Africa, children are required to have a passport as well as additional documentation to travel with you into and out of the country. Please consult the South African Embassy for the current specific requirements related to your travel dates.

If travelling internationally with a child under the age of 18, please check directly with the airline for the legal documentation that is required. It is the sole responsibility of the guest to procure the proper documentation to travel and many requirements vary by airline and destination.

Collette will not be responsible for costs incurred for missed flights or canceled tours where a guest fails to secure proper documentation.

Extending Your Stay
Can I extend my tour to see more of a region? Yes! You may enhance your tour by purchasing either an extension or pre/post hotel stays, offered on select tours. Extensions may be “hosted” rather than escorted. When hosted, passengers will be greeted upon arrival by a local tour manager who will provide all included services and be available on-call during the duration of the extension. A minimum number of passengers may be required to operate some extensions. Extensions not purchased at time of deposit are subject to availability and applicable charges at time of request.

Collette also offers pre and post hotel nights before and/or after a tour for you to explore the destination independently. Should you purchase additional nights, please be advised that your tour manager will not be available during this time.

Extras
What is not included in the tour price? The land price does not include air travel, airline fees, airport or departure taxes, transfers, visas, customary end-of-trip gratuities for your Tour Manager, driver, local guides, hotel housekeepers, cruise ship waitstaff, and any incidental charges.

Late Bookings
Do you accept late bookings? Tour sales normally close 7 days prior to departure. All late bookings are on request and must be guaranteed with a credit card if within 60 days of departure date.
On-Tour Experience
Where do I meet my Tour Manager? Your tour will begin at your first hotel. The Tour Manager will make contact with you at the hotel and will provide details relating to your tour. The hotel’s address and phone number will be included in your documents.

Can I prepurchase optional excursions/activities? Yes, the majority of optional excursions and activities are available for advance purchase for applicable tours provided that you make your options purchase prior to 15 days of the tour departure. Collette makes it convenient to reserve presold options by visiting our website for a full listing of activities and excursions or when your reservation is made with our reservations staff. In addition, there are benefits to prepaying options including a price guarantee once your tour is paid in full. So, while the cost of an optional activity may change from the time you book your tour, once payment is received in full, your preselected options are guaranteed by Collette at their original price. Although you can still purchase options while on tour, reserving them ahead of time ensures you a spot in the event that the activity sells out. Collette will provide a refund if you cancel a presold option prior to tour departure. Any presold options canceled while on tour are nonrefundable.

Revisions/Changes
Would my tour date ever be changed? While it is unlikely, Collette does reserve the right to cancel a tour prior to departure. Should this happen, Collette will make every effort to put you on another departure date. If an alternate cannot be found, a full refund will be made. Air booked through Collette will be protected. We cannot be held responsible for penalties incurred if you have secured your own air.

Can I make changes to my reservation? Should you decide to change your reservation after initial booking, a handling fee of $25 per transaction will be charged. A change of tour date, tour itinerary or passenger name, within the guidelines of the cancellation policy, will be treated as a cancellation and regular cancellation fees may apply. Revisions to air tickets are subject to the rules and regulations of the airline. See our Cancellation Policy for more details.

Tour Pacing
How can I be best prepared for the pacing and physical requirements on a Collette tour? Tour pacing varies by itinerary, and each destination’s sightseeing and activities are unique. Pacing is subject to personal interpretation. At Collette, we do include the best a destination has to offer, enhancing your overall tour experience. For overnight pacing of a tour, please refer to the “Accommodations” section on each tour page and on the tour map. These describe the number of nights you will stay in each hotel during your tour. The day-by-day descriptions will provide additional detail about the number of activities included in each day.

The Tour Activity Level Ranking is featured on each tour itinerary in a circle. The definition of each activity level is listed here. If you have additional questions regarding a specific tour, please inquire at time of reservation. For your comfort, we recommend packing comfortable walking shoes so you can fully enjoy every aspect of your tour.

Level 1: At a very leisurely pace, this tour involves minimal physical activity, such as climbing some stairs, boarding a motorcoach, and walking from the hotel reception area to hotel rooms and dining areas.

Level 2: This tour requires average physical activity. You should be in good health, able to climb stairs and walk reasonable distances, possibly over uneven ground and cobblestoned streets.

Level 3: This tour includes moderate physical activity. The itinerary blends some longer days with shorter days and more leisure time. Walking tours, as well as walking slightly longer distances, up stairs or on uneven walking surfaces should be expected.

Level 4: To truly experience the program and destination, you need to be able to participate in physical activities such as longer walking tours, walking over uneven terrain, climbing stairs and periods of standing. Some of the touring days may be longer, with select included activities occurring later in the evening.

Level 5: This tour is very active, requiring participants to be physically fit to fully enjoy all the experiences. This itinerary has more strenuous activities which may include such things as: extensive walking tours, transfers over uneven and dusty terrain, high altitudes, early morning departures, late night activities, or extreme temperatures. All conditions do not apply to all days, so please read the itinerary carefully and speak to one of our travel counselors to determine if this tour is right for you. We recommend this program to individuals who are physically fit. Unfortunately, this tour is not appropriate for individuals who use either walkers or wheelchairs. If this trip is not ideally suited for you, our travel counselors can help determine the perfect trip for you.

Airfare
For your convenience, we offer airfare for purchase with all tour packages. If you purchase an air-inclusive program, your airfare will be quoted inclusive of all fuel, taxes and fees. Your rates are subject to change until paid in full. Seats are limited and may not be available on every flight or departure date.

Instant Purchase Nonrefundable Airfare includes roundtrip airport/hotel transfers (excluding pre- or post-days and extensions). Instant Purchase nonrefundable airfare requires full payment at the time of booking. If you purchase the Travel Protection Plan, the Instant Purchase nonrefundable airfare may be covered, if you cancel your trip for a covered reason (see Part B for more details). Tickets will be issued immediately and once issued are nonrefundable, and may only be changed for a fee up to $300 plus any difference in airfare for travel in the following 12 months; specific fees and policies may vary by airline. These tickets include an administration fee and roundtrip airport-to-hotel transfers, of which both hold no airline reissue value. Once issued, there can be no fluctuation in price due to an increase in government taxes or in airline fuel surcharges. Therefore, any such fees or airport-to-hotel transfers are not refundable under any circumstances.

Aircraft Cabin Disinsection Disclaimer
Some countries may require aircraft cabin insecticide treatment for inbound foreign flights. Information about aircraft disinsection requirements and a list of countries requiring such disinsection are available online at http://www.dot.gov/office-policy/aviation-policy/aircraft-disinsection-requirements.

Travelers Needing Special Assistance
You must report any disability requiring special attention to Collette at the time the reservation is made.* Collette will make reasonable efforts to accommodate the special needs of tour participants. Such participants, however, should be aware that the Americans with Disabilities Act is inapplicable outside of the United States and facilities outside the United States for disabled individuals are limited. It is strongly recommended that persons requiring assistance be accompanied by a companion who is capable of and totally responsible for providing the assistance. Neither Collette nor its personnel, nor its suppliers, may physically lift or assist clients into transportation vehicles. If a traveler thinks he or she might need assistance during a trip, he or she should call Collette to determine what assistance might reasonably be given. Collette cannot provide special individual assistance to tour members with special needs for walking, dining or other routine activities.

*Mandatory if wheelchair accessible or any other unique needs.

Holiday and Museum Closures
Museum visits and personal shopping time may be disrupted due to unforeseen circumstances or many religious, state and local holidays observed throughout the world.

Motorcoach Washrooms
Most motorcoaches used on our tours are equipped with washrooms except safari vehicles, exotic locations, and some of our Explorations tours. These are typically for emergency use, as we make plenty of comfort stops, allowing you the opportunity to use public restrooms and/or stretch your legs.

Seat Rotation
Seats are rotated onboard the coach for all Collette tours under the direction of the tour manager. So that we do not show partiality among passengers, exceptions cannot be made.

Maps and Photos
Maps shown on tour pages are current at the time of printing and may not reflect actual tour routing should the tour change. Photos shown on tour pages are reflective of the area(s)
visited, but may not be included in the actual tour itinerary and the conditions you experience may be different than depicted in the photograph(s).

Baggage Disclaimer

Although every effort is made to handle passengers’ luggage as carefully as possible, Collette is not responsible for and does not assume liability or accept claims for loss of or damage to luggage due to breakage, theft or wear and tear through hotel and group carrier handling. It is recommended for your own self-interest and protection that you have adequate insurance to cover these eventualities. Check with your sales agent for low-cost insurance to cover these risks.

There are limitations by coach and air carrier as to the number and size of bags which can be carried onboard and in bulk storage. Be sure to ask your travel professional about such restrictions before departing for your tour.

Checked Baggage Charges:

Some airlines may impose additional charges if you choose to check any baggage. Please contact your airline or refer to its website for detailed information regarding your airline’s checked baggage policies. Please be advised there is a $25 USD/CAD charge (per piece) for checked baggage on most transborder flights between U.S. & Canada. This is a fee levied by the airlines, not Collette, and may be subject to change.

Collette’s Travel Protection Plan
Following is an outline of the Non-Insurance Pre-Departure Cancellation Fee Waiver, Insurance Benefits and non-insurance assistance services that make up the Travel Protection Plan.

Part A Waiver Only provided by Collette Travel Service, Inc.: The Pre-Departure Cancellation Fee Waiver is provided by Collette and is not an insurance benefit underwritten by United States Fire Insurance Company. Payment of a per person Travel Protection Plan fee guarantees a full refund of all payments (including deposit), except the Travel Protection Plan fee itself, made to Collette for travel arrangements in case of cancellation of your travel plans for any reason prior to the day of departure. The Travel Protection Plan fee with air only covers airline tickets you have purchased from Collette.

Exception: If you originally purchased nonrefundable airline tickets, this Part A Travel Protection Plan does not provide any refund for the airline tickets, taxes or fees, in the event of a cancellation. This air ticket may be covered by Collette’s Travel Protection Plan under Part B, if you cancel your trip for covered reasons (see Part B for more details).

The Part A Waiver portion of Collette’s Travel Protection Plan protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. The Part A Waiver portion of the Travel Protection Plan does not indemnify you from penalties if you choose to cancel partial tour components or air. If you choose to partially cancel your tour, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation.

Collette’s Part A Waiver portion of the Travel Protection Plan does not cover any single supplement charges which arise from an individual’s traveling companion electing to cancel for any reason prior to departure. In this case, the single supplement will be deducted from the refund of the person who cancels. (However, the Part B Benefits referenced below include a single supplement benefit of $1,500 for certain covered reasons, as detailed in Part B.) Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement.

Payment of the Travel Protection Plan Fee (if chosen) must be received by Collette with your deposit. The fee is nontransferable and valid for each applicant only. Collette can assume no responsibility for and cannot be held liable for any wrongful, negligent or unauthorized acts or omissions of any travel agent or travel agency other than that of Collette Travel Service, Inc., itself, and its own employees.
