THE NATURE *of the* NORDIC COUNTRIES

Travelers are flocking to the Nordic countries, lands filled with rugged landscapes drawn right from Viking tales. Delve into these natural experiences that you can find in Iceland, Finland, and Norway.

NEW ACTIVITY LEVEL RATINGS

Activity levels let you know what to expect on tour. They represent an overall average of the entire tour's level. If you are unsure about your tour's activity level, or what your destination entails, contact us and we'll be happy to assist.

LEVEL 1

You're a leisurely traveler. You like to discover the energy of a new place, but typically take it easy. You can handle at least one flight of stairs, board a coach, and walk for 15-30 minutes at a time with little difficulty.

LEVEL 2

You like a balanced approach to travel. You feel confident walking at least 30-45 minutes at a time over a variety of terrains – from cobblestone streets to easy straightaways to a couple hills or flights of stairs. You're comfortable walking a few city blocks at a time, but need some time to unwind and relax.

The Lava Fields of Iceland

Dimmuborgir, meaning "black castles" in Icelandic, is a lava field of warped rocks shaped by an ancient lava flow. Legends say that it is inhabited by trolls, but mostly you'll find some of the most beautiful natural landscapes in the world.

See this on Icelandic Adventure, pg. 52

The Deep Pine Forests of Lapland, Finland

Explore the forests of Lapland by reindeer-pulled sled, dogsled team, or your own two feet. Evergreens sway in the breeze, and the quiet wraps you up like a blanket. In the winter, snow falls across the landscape, clinging to every branch.

See this on The Northern Lights of Finland, pg. 56

The Fjords of Coastal Norway

From the deck of a ship, the might of the Norwegian fjords can't be denied. Steep mountain slopes rise from the glassy surface of the river. Occasionally, you'll see a plunging waterfall, or a picturesque Nordic farm tucked on a bank.

See this on Norwegian Coastal Voyage, pg. 58

LEVEL 3

You're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (1-2 hours) isn't a big deal. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, zodiac, etc.), and could possibly anticipate changes in elevation. You can expect some longer days balanced with free-time to recharge or set out on your own adventure.

LEVEL 4

You're ready to seize the day, whatever it may bring. You lead an active life at home (walking, biking, and hiking are things you may enjoy) and few thousand steps a day isn't out of the norm. You can handle longer walking tours (more than 90 minutes), traversing dusty or uneven terrain, standing for periods of time, varying altitudes and temperatures, and don't mind being on the go with some early starts, late-night experiences, and full days. Unfortunately, this level is not appropriate for individuals who use wheelchairs or walkers.

GET TO KNOW *our tour managers*

Jovanka Mrdja, Tour Manager for Central & Eastern Europe, tells the story of how **travel captivated her** from a young age.

What made you choose the adventurous life of a Tour Manager? When I was only two years old, my parents bought a small car and traveled to unknown areas of my country. As a child, I remember looking at those pictures and being fascinated by the mystery of their adventure, and since that time I wanted to retrace the journey they took. They were traveling with a librarian and art historian, whose job it was to restore frescoes in remote monasteries of

Macedonia and Montenegro. That was in 1960. Because of the stories from my parents' travels, I enrolled in school to become an art historian and wanted to travel.

What is your go-to Tour Manager "fun fact?" When I was 18, a cousin and I went on a guided tour to Paris. It was a lot like a Collette tour, actually. It was fascinating and the tour guide was top notch. I realized then that I wanted to be a tour manager myself, but I needed to learn a few languages first. I learned as many as I could, and since that time I've been enjoying my life as a tour manager. I have colleagues who speak more languages than myself, but I'm now fluent in Croatian, Serbian, Italian, and English.

What's a must-try experience on tour? If you find yourself in Croatia, in a small village like Ston, you must try the oysters there. You can reach down and pick them directly from the water. But there are too many must-try experiences to name in Croatia – Renaissance cities like Trogir, islands like Korčula, Hvar and many, many more.

Travelers must be able to sit on the side of the raft (which is an inflatable tube) and hold on to the safety ropes - requiring agility, strength and balance. Due to this agility requirement, a person who uses a wheelchair or walker may be denied boarding by the Captain. If this happens, there are no other suitable options for the traveler's accommodations. The only airplanes in the area are charter flights, which do not arrive every day. There are also no hotels on land where travelers can wait for the cruise to return. Without a charter flight, the traveler would have to be evacuated by helicopter (at their expense). Due to tour scheduling, arrival flights must arrive prior to 9:30 a.m. The roundtrip flight from Keflavik airport, Iceland to Kangerlussuaq, Greenland is not included in the cost of the tour. All air, including internal air, can be purchased through us. This cruise maintains a high activity level, and should not be viewed as a leisurely excursion.

Switch trains in Myrdal and travel 12 miles on the famous Flåm Railway, a masterpiece of engineering, taking you 2,800 breathtaking feet in 55 minutes to the village of Flåm on Sognefjord, Norway's longest (120 miles) and deepest (more than a mile). Next, cruise Nærøfjord (UNESCO), the narrowest fjord in Europe with stunning views of waterfalls and small farms clinging to the steep mountainsides. Proceed to Rothenburg, one of the most well-preserved medieval walled towns in all of Germany. Enjoy free time to explore the town and its charming Christmas market, or perhaps visit the Käthe Wohlfahrt Christmas store and museum. Continue on to Nuremberg where you will board your ship for a leisurely 6-night cruise along the Danube River. This beautiful vessel offers outstanding services:

Day 4: Nuremberg

Stroll along the streets with an expert guide on a city tour of historic Nuremberg featuring Old Town, the 900-year-old ramparts that surround the city, and the Imperial Castle. Your city tour concludes with a visit to Nuremberg's Christmas market, which is Germany's oldest, dating back to 1628. The city is also known to be a toy-making center, and perhaps you'll shop for traditional handcrafted nutcrackers or treat your taste buds to Nuremberg's famous Lebkuchen (gingerbread). Your cruise continues across the continental divide and through the final stretch of the fascinating Main-Danube Canal to Regensburg. (B, L, D)

A guided walking tour of magnificent Regensburg reveals one of Germany's best-preserved medieval cities with nearly 1,400 historic buildings. Some of the architectural highlights you may view include the first stone bridge built over the Danube, a 1,400-foot-long span built in the

12th century, the old Town Hall, and the Porta Praetoria, built in A.D. 179 and one of only two remaining Roman gates in Germany. Browse and shop at the brightly lit wooden huts that sell Christmas tree ornaments, wooden toys and local handicrafts. (B, L, D)

FREQUENTLY ASKED *questions*

accommodations

What is the difference between a twin room and a double room?

In certain countries, hotel rooms tend to be smaller than U.S. standard accommodations. A double room is designed to accommodate two people, but may not have two separate beds. A twin bedded room has two separate beds of any size, and is the type most commonly utilized.

What size is a triple room? A triple room is the same size as a twin bedded room and beds will accommodate three people, but we cannot guarantee that there will be three separate beds. If there are only two beds, a rollaway may be requested but cannot be guaranteed due to size of room and fire codes. Please inquire at time of reservation.

Can my children travel on tour? Children over the age of 5 may travel on a Collette tour accompanied by an adult. Child land rates are valid for ages 5-12, sharing a room with two full-paying adults.

Are single and triple rooms always available? On many tours, triple and single accommodations are limited and are available on a first come, first served basis. Be advised that single rooms are often smaller.

When can I check into my hotel? Normal check-in time is late afternoon in most locations. Due to early arrival times into some cities, rooms may not always be available for immediate check-in.

air

Can Collette book our airline reservations? Collette is happy to assist you in accommodating your flight needs. Due to tour scheduling and limited availability, you are strongly encouraged to take advantage of Collette's air packages. We are not responsible for air arrangements you have made on your own. On occasion, it is necessary to change tour dates. In this case, we can only protect air reservations booked through Collette. For all air reservations, it is strongly recommended to reconfirm flights before departure, in the event that the airline has an unexpected schedule change. We cannot assume responsibility for schedule changes, routings or flight cancellations involving the airlines. Not all airlines offer pre-assigned seats. Some charge a fee for seats which will be at the guests' expense. Where pre-assigned seats are not offered, the guests must contact the airline directly to arrange seat assignments.

attractions & sightseeing

Are attractions always available? Access to some attractions or Collette Foundation sites may be affected by the observance of holidays, weather conditions or other circumstances. As a result, the days and order of sightseeing may change to best utilize your time on tour. Boat rides are weather permitting. Some attractions may not be available during the "off-season" months. When attractions are unavailable, other similar attractions will be substituted. Wildlife sightings are not guaranteed.

Is there a lot of walking on tour? We pride ourselves on bringing travelers the very best experiences a destination offers. Our itineraries include many activities and may consist of walking on uneven terrain or significant walking at times. Some of the most unique sightseeing can mean accessing locations that restrict motorcoaches, especially in historic areas. Some hotels/lodges in remote locations may not have elevators. For your comfort, we recommend bringing walking shoes. Review each tour's "Tour Activity Level" and "Tour Pacing" (pg 191) for details.

Can you tell me more about the safaris? In order to most fully experience the wildlife, you will be traveling by custom-built safari vehicle which requires climbing in and out frequently and sometimes travels on bumpy roads. To experience Africa fully, we recommend that all travelers be in reasonably good health and prepare properly.

How can I plan for shore landings? Special clothing is required for the shore landings (Antarctica, Galapagos); please refer to your predeparture documents for important details.

Are all theater performances suitable for children? Some theater performances may be unsuitable for children – consult your Tour Manager.

documentation

Do I need a passport? Government-issued identification is required for all air travel. A valid passport is required for all trips outside the USA. All passengers should check with the appropriate foreign consulate for entry and validity requirements. We recommend that your passport has six months validity, and at least 3 blank pages. Passports and visas are the responsibility of each client.

International Borders Any child under age 16 (traveling without a parent or legal guardian to Canada) must have written permission from a parent or legal guardian.

Please be advised that if you have been convicted of an offense, or have committed a criminal act that is an offense under the laws where it occurred and would be an offense in Canada, you may be inadmissible into Canada. You will need to apply for a Minister's Permit of Approval of Rehabilitation at a Canadian Consulate. All other travelers should contact the appropriate consulate for entry requirements in other international destinations.

In South Africa, children are required to have a passport as well as additional documentation to travel with you into and out of the country. Please consult the South African Embassy for the current specific requirements related to your travel dates.

If travelling internationally with a child under the age of 18, please check directly with the airline for the legal documentation that is required. It is the sole responsibility of the guest to procure the proper documentation to travel and many requirements vary by airline and destination.

Collette will not be responsible for costs incurred for missed flights or canceled tours where a guest fails to secure proper documentation.

extending your stay

Can I extend my tour to see more of a region? Yes! You may enhance your tour by purchasing either an extension or pre/post hotel stays, offered on select tours. Extensions may be "hosted" rather than escorted. When hosted, passengers will be greeted upon arrival by a local Tour Manager who will provide all included services and be available on-call during the duration of the extension. A minimum number of passengers may be required to operate some extensions. Extensions not purchased at time of deposit are subject to availability and applicable charges at time of request.

Collette also offers pre and post hotel nights before and/or after a tour for you to explore the destination independently. Should you purchase additional nights, please be advised that your Tour Manager will not be available during this time.

extras

What is not included in the tour price? The land price does not include air travel, airline fees, airport or departure taxes, transfers, visas, customary end-of-trip gratuities for your Tour Manager, driver, local guides, hotel housekeepers, cruise ship waitstaff, and any incidental charges.

late bookings

Do you accept late bookings? Tour sales normally close 7 days prior to departure. All late bookings are on request and must be guaranteed with a credit card if within 60 days of departure date.

on-tour experience

Where do I meet my Tour Manager? Your tour will begin at your first hotel. The Tour Manager will make contact with you at the hotel and will provide details relating to your tour. The hotel's address and phone number will be included in your documents.

Can I prepurchase optional excursions/activities? Yes, the majority of optional excursions and activities are available for advance purchase for applicable tours provided that you make your options purchase prior to 15 days of the tour departure. Collette makes it convenient to reserve presold options by visiting our website for a full listing of activities and excursions or when your reservation is made with our reservations staff. In addition, there are benefits to prepurchasing options including a price guarantee once your tour is paid in full. So, while the cost of an optional activity may change from the time you book your tour, once payment is received in full, your preselected options are guaranteed by Collette at their original price. Although you can still purchase options while on tour, reserving them ahead of time ensures you a spot in the event that the activity sells out. Collette will provide a refund if you cancel a presold option prior to tour departure. Any presold options canceled while on tour are nonrefundable.

revisions/changes

Would my tour date ever be changed? While it is unlikely, Collette does reserve the right to cancel a tour prior to departure. Should this happen, Collette will make every effort to put you on another departure date. If an alternate cannot be found, a full refund will be made. Air booked through Collette will be protected. We cannot be held responsible for penalties incurred if you have secured your own air.

Can I make changes to my reservation? Should you decide to change your reservation after initial booking, a handling fee of \$25 per transaction will be charged. A change of tour date, tour itinerary or passenger name, within the guidelines of the cancellation policy, will be treated as a cancellation and regular cancellation fees may apply.

Revisions to air tickets are subject to the rules and regulations of the airline. See our Cancellation Policy for more details.

tour pacing

How can I be best prepared for the pacing and physical requirements on a Collette tour? Tour pacing varies by itinerary, and each destination's sightseeing and activities are unique. Pacing is subject to personal interpretation. At Collette, we do include the best a destination has to offer, enhancing your overall tour experience. For overnight pacing of a tour, please refer to the "Accommodations" section on each tour page and on the tour map. These describe the number of nights you will stay in each hotel during your tour. The day-by-day descriptions will provide additional details about the number of activities included in each day.

The Tour Activity Level Ranking is featured on each tour itinerary in a circle. The definition of each activity level is listed here. If you have additional questions regarding a specific tour, please inquire at time of reservation. For your comfort, we recommend packing comfortable walking shoes so you can fully enjoy every aspect of your tour.

Level 1: You're a leisurely traveler. You like to discover the energy of a new place, but typically take it easy. You can handle at least one flight of stairs, board a coach, and walk for 15-30 minutes at a time with little difficulty.

Level 2: You like a balanced approach to travel. You feel confident walking at least 30-45 minutes at a time over a variety of terrains - from cobblestones streets to easy straightaways to a couple hills or flights of stairs. You're comfortable walking a few city blocks at a time, but need some time to unwind and relax.

Level 3: You're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (1-2 hours) isn't a big deal. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, zodiac, etc.), and could possibly

anticipate changes in elevation. You can expect some longer days balanced with free-time to recharge or set out on your own adventure.

Level 4: You're ready to seize the day, whatever it may bring. You lead an active life at home (walking, biking, and hiking are things you may enjoy) and few thousand steps a day isn't out of the norm. You can handle longer walking tours (more than 90 minutes), traversing dusty or uneven terrain, standing for periods of time, varying altitudes and temperatures, and don't mind being on the go with some early starts, late-night experiences, and full days. Unfortunately, this level is not appropriate for individuals who use wheelchairs or walkers.

transfers

Are airport and hotel transfers available? Roundtrip airport-to-hotel transfers are provided for all passengers who purchase airfare through Collette. These transfers also apply to pre- and post-night stays purchased through Collette. Passengers who do not purchase airfare through Collette can purchase transfers (for the first and last day of the tour) at an additional cost of \$100 per person, roundtrip. Some restrictions may apply. All transfers leave at prescheduled times.

What is Roundtrip Home to Airport Sedan Service? It's your ticket to and from the airport. This service is available for all air-inclusive tour bookings. This personalized service is included in many U.S. cities within a 50 mile radius from more than 90 airport gateways.* Service is available between 51 and 75 miles for a small fee. Not valid on group travel.

*One transfer per room booking. Additional stops are not permitted on route.

the Collette Passport Club

What is the Collette Passport Club? Formerly known as Travel Loyalty by Collette (TLC), Collette has relaunched a new, more inclusive loyalty program called the Collette Passport Club. For guests who are already enrolled in TLC no action is required. New guests who completed a trip that departed on or after 9/4/17 will automatically be enrolled in the program. Collette Passport Club members receive a \$150 travel credit for each trip they take* along with various other benefits.

*Full credit is valid for your next tour when travel is completed within 12 months of the original trip. \$100 of the credit remains valid for travel within 13-24 months. Credit expires 24 months after the original trip.

Such participants, however, should be aware that the Americans with Disabilities Act is inapplicable outside of the United States and facilities outside the United States for disabled individuals are limited. It is strongly recommended that persons requiring assistance be accompanied by a companion who is capable of and totally responsible for providing the assistance. Neither Collette nor its personnel, nor its suppliers, may physically lift or assist clients into transportation vehicles. If a traveler thinks he or she might need assistance during a trip, he or she should call Collette to determine what assistance might reasonably be given. Seat Rotation

Seats are rotated onboard the coach for all Collette tours under the direction of the tour manager. So that we do not show partiality among passengers, exceptions cannot be made.

Maps shown on tour pages are current at the time of printing and may not reflect actual tour routing should the tour change. Photos shown on tour pages are reflective of the area(s) visited, but may not be included in the actual tour itinerary and the conditions you experience may be different than depicted in the photograph(s).

Although every effort is made to handle passengers' luggage as carefully as possible, Collette is not responsible for and does not assume liability or accept claims for loss of or damage to luggage due to breakage, theft or wear and tear through hotel and group carrier handling. It is recommended for your own self-interest and protection that you have adequate insurance to cover these eventualities. Check with your sales agent for low-cost insurance to cover these risks.

There are limitations by coach and air carrier as to the number and size of bags which can be carried onboard and in bulk storage. Be sure to ask your travel professional about such restrictions before departing for your tour.

Each client is responsible for proper documentation and inoculations that may be required and/or recommended to participate on tour. Please contact your local travel clinic or personal physician for specific details on the destinations you are traveling to and from. If you decide to make a reservation, you acknowledge and agree that you are physically well enough to travel and understand that medical facilities may not be similar to what you are accustomed to at home. You must bring enough medication with you for the trip. Any person reserving or purchasing any Collette product published in this brochure accepts the condition that Collette reserves to itself the exclusive right to change or cancel itineraries, hotels, and other tour components whenever it is deemed necessary, including for tours designated as "guaranteed departures." If this occurs, every effort will be made to offer alternate dates and/or programs. Published times on itineraries are as accurate as possible but subject to change due to traffic, weather, mechanical and any other conditions beyond Collette's control that prevent Collette from operating as scheduled. Collette expressly disclaims any liability for any damages that may be incurred for any changes, cancellations or delays on any itinerary on any Collette tour.

All rates on foreign tours are subject to fluctuations of currency and may be changed when necessary without advance notice prior to deposit.

All rates published are per person as indicated and are based on double occupancy when only one rate is shown. Reservations will be accepted subject to availability at the time of request and will be considered confirmed only upon receipt of a minimum deposit. Child land rates are available and are valid for ages 5-12, sharing a room with two full-paying adults.

Collette does not accept liability in the case of any passenger being denied boarding by any airline carrier due to the carrier's overbooking of a flight. All cancellation charges, fees and refunds for any tour within this brochure are in effect as of the effective date as indicated on page 191 and supersede any other previously printed policies relating to these same charges.

The USTOA logo on our brochures signifies that Collette is a member in good standing and is backed by their \$1 Million Travelers Assistance Program. Collette, as an Active Member of USTOA, is required to post \$1 million with USTOA to be used to reimburse, in accordance with the terms and conditions of the USTOA Travelers Assistance Program, the advance payments of Collette customers in the unlikely event of Collette's bankruptcy, insolvency or cessation of business. Further, you should understand that the \$1 million posted by Collette may be sufficient to provide only a partial recovery of the advance payments received by Collette. Collette's Travel Protection Plan

The following is an outline of the Non-Insurance Pre-Departure Cancellation Fee Waiver, Insurance Benefits and non-insurance assistance services that make up the Travel Protection Plan.

Part A Waiver Only provided by Collette Travel Service, Inc.: The Pre-Departure Cancellation Fee Waiver is provided by Collette, is not an insurance benefit and is not underwritten by United States Fire Insurance Company. Payment of a per person Travel Protection Plan fee guarantees a full refund of all payments (including deposit), made to Collette for travel arrangements in case of cancellation of your planned travel for any reason prior to the day of departure. The Travel Protection Plan fee with air only covers airline tickets you have purchased from Collette.

Exception: If you originally purchased nonrefundable airline tickets, this Part A Travel Protection Plan does not provide a refund for the airline tickets, taxes or fees, in the event of a cancellation. This air ticket may be covered by Collette's Travel Protection Plan under Part B, if you cancel your trip for covered reasons (see Part B for more details).

The Part A Waiver portion of Collette's Travel Protection Plan protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. The Part A Waiver portion of the Travel Protection Plan does not indemnify you from penalties if you choose to cancel partial tour components or air. If you choose to partially cancel your tour, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation.

For Residents of MN, MO, NY and WA Only: The Pre-Departure Cancellation Fee Waiver (Part A) can be purchased separately without the purchase of the Travel Protection Plan. Contact Collette at 1-800-832-4656 in order to purchase the Pre-Departure Cancellation Fee Waiver separately.

Collette's Part A Waiver portion of the Travel Protection Plan does not cover any single supplement charges which arise from an individual's traveling companion electing to cancel for

any reason prior to departure. In this case, the single supplement will be deducted from the refund of the person who cancels. (However, the Part B Benefits referenced below include a single supplement benefit of \$1,000 for certain covered reasons, as detailed in Part B.) Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement.

Payment of the Travel Protection Plan Fee (if chosen) must be received by Collette with your deposit. The fee is nonrefundable, nontransferable and valid for each applicant only.

Collette can assume no responsibility for and cannot be held liable for any wrongful, negligent or unauthorized acts or omissions of any travel agent or travel agency other than that of Collette Travel Service, Inc. itself, and its own employees.

Where to Present Part A Claims

To request a refund under the Part A Pre-Departure Cancellation Fee Waiver portion of the Travel Protection Plan, please call Collette and send any unused airline tickets to:

Collette
ATTN: Customer Service Department, 162 Middle Street, Pawtucket, RI 02860
