the galápagos:

A PLACE I'LL NEVER FORGET

BY WESLEY GLASS — TOUR MANAGER

A two-hour flight from Quito, I landed in an airport surrounded by cactuses and nothing else within my eyes' reach. A short water taxi ride across a narrow channel brought me to Santa Cruz, the most populated island of the Galápagos. The desert landscape was not what I expected as I drove into Puerto Ayora, but as I got to the beach the beauty of the landscape was fully laid out.

Sights & Sensations

The water sparkled transparent and aquamarine. The waves lapped up onto the black rocks along the coastline, which gave way to small forests of shrubs, trees, and cacti. I slowly trekked along the water front with the equatorial sun beating down on me. En route to my Machu Picchu and Galápagos tour I saw a congress of pelicans, iguanas, and sea lions lazily waiting on the docks and in the mangrove trees for the local fishermen to turn their back on the fresh catch for sale.

The Charles Darwin Research Center

I made my first stop at the Charles Darwin Research Center because my fingers were itching to snap some shots of the famous Galápagos Tortoises. The Research Center works to stabilize the populations of the species of these animals found on all of the different islands. From eggs to adulthood, they are studied and cared for by the staff.

Underwater Adventure

I never thought that I would be able to say that I swam bumping into sea turtles, marine iguanas, sea lions, and a rainbow array of fish. Now, thanks to a snug life jacket and snorkeling mask, I have seen the completely different world underneath the water. It put into perspective that the islands are part of an underwater mountain range as I navigated around barnacle covered peaks not visible from the surface.

An Amazing End to the Day

For dinner, I stumbled upon a street known as *Los Kioskos*, or “the kiosks”, where small restaurant fronts close the street at night and fill it with long tables where strangers sit together eating the fish I had seen for sale that morning. In the heat of a summer night in February, everything came together, breaking bread with people from all over the world. Here was a place where life both human and animal were appreciated. I only stayed a short time, but I am already planning what to do next time the Galápagos pull me back in.

COMING IN MAY 2020

Our Machu Picchu & Galápagos Wonders tour will be enhanced to include a **privately chartered yacht**. You'll cruise through the Galapagos Islands on this exclusive 7-cabin ship for Collette travelers only.

We will make every effort to accommodate your cabin category preference at the time of booking. If the cabin category preferred is not available, the next closest category available will be offered and a surcharge may apply. The cruise portion of this tour is operated by Albatross Expeditions and will have Albatross English-speaking expedition representatives accompanying you throughout the program. The cruise is not Collette exclusive and a Collette Tour Manager will not be accompanying you for this portion of your tour. A Collette Tour Manager will be with you in Reykjavik on Days 2 and 3 of the program. A Collette representative will assist you during airport transfers on Days 8 and 9 of the program. Swimwear (swimsuits, sandals) must be easily accessible upon arrival to the Blue Lagoon. A carry-on bag is ideal. Onboard gratuities are not included in the price of your tour. Suggested tipping on board cruise: 13.50 USD per person, per day for the ship's crew. To transfer to and from the ship, travelers will use rafts and/or Zodiac boats. Travelers must be able to sit on the side of the raft (which is an inflatable tube) and hold on to the safety ropes – requiring agility, strength and balance. Due to this agility requirement, a person who uses a wheelchair or walker may be denied boarding by the Captain. If this happens, there are no other suitable options for the traveler's accommodations. The only airplanes in the area are charter flights, which do not arrive every day. There are also no hotels on land where travelers can wait for the cruise to return. Without a charter flight, the traveler would have to be evacuated by helicopter (at their expense). Due to tour scheduling, arrival flights must arrive prior to 9:30 a.m. The roundtrip flight from Keflavik airport, Iceland to Kangerlussuaq, Greenland is not included in the cost of the tour. All air, including internal air, can be purchased through us. This cruise maintains a high activity level, and should not be viewed as a leisurely excursion.

The cabins available are Outside cabins, located on the Lower and Upper Decks. Upgrades may be available to Suites (Lower or Main Deck). Please check pricing for upgrade fees. The yacht has a limited quantity of cabins available in each cabin category, and some cabins may only have one bed. Every sailing will have a maximum of 14 passengers; however, if Collette is unable to fill the minimum capacity of 9 on the yacht, inventory will be opened to the general public. At all times you are accompanied by your naturalist guide. Shore excursions normally last 2 - 2.5 hours each. In some cases, the terrain can be a little strenuous. Passengers should consult their physician should they have any concerns regarding their physical condition. The internal flights on this program in Peru and Ecuador are not included in the land price and must be purchased with the air portion of your tour. Internal flights that are purchased will be ticketed and distributed on tour by your Tour Manager. Required interflights include four segments: Lima-Cuzco, Cuzco-Quito, Quito-Baltra Island, Baltra Island-Quito. Tour prices may change due to the unique nature of the government restrictions on the Galápagos Islands. Visitors are required to have valid travel/health insurance to travel to Ecuador. The health insurance must cover medical services abroad. If you have purchased our Travel Protection Plan, your coverage meets this requirement. We will attach a document for proof of coverage that you are required to keep with you while on tour. If you opted not to purchase our travel protection, you will be required to have proof of your own coverage. Each guest is responsible for proper medical documentation and inoculations that may be required and/or recommended to participate on this tour. TOUR ACTIVITY LEVEL ① ② ③ ④ ⑤ See page 78 for details.

This trip requires a passport due to ports of call in Canada. Our air passengers will arrive into Fairbanks and depart from Vancouver. Airport transfers are available for purchase. Return flights from Vancouver should not be booked prior to 12:00 noon. Port taxes and fees starting from \$625 USD, quoted at time of printing, per guest are included in the land only tour cost. Single cabins, if confirmed, are higher. Pricing is based on Inside Cabin category. Call for rates for other cabin categories. Cruise ships have a limited quantity of cabins available in each cabin category. We will make every effort to accommodate your cabin category preference at the time of booking. If the cabin category preferred is not available at the time of booking, the next closest category available will be offered and a surcharge may apply. Order of ports may be changed by the cruise line. Onboard gratuities are not included in the price of your tour. For your convenience, Princess Cruise Lines automatically applies a service charge of \$14.50 USD, quoted at time of printing and subject to change, per guest per day to your shipboard account. All of the service personnel on board receive gratuities from this service charge and there is no need for additional tipping. Separately, a 15% gratuity is added for bar drinks and spa services. Prior to full payment for the program, the cruise line reserves the right to impose a supplemental fuel charge. Should this occur, you will be notified of the additional charges. Accommodations in Fairbanks will be assigned prior to departure. The Tundra Wilderness tour is a fully narrated 7-9 hour tour, including frequent rest stops. During the off season, this tour will be substituted with a shorter 4-hour tour due to inclement weather.

FREQUENTLY ASKED *questions*

Accommodations

What is the difference between a twin room and a double room?

In certain countries, hotel rooms tend to be smaller than U.S. standard accommodations. A double room is designed to accommodate two people, but may not have two separate beds. A twin bedded room has two separate beds of any size, and is the type most commonly utilized.

What size is a triple room? A triple room is the same size as a twin bedded room and beds will accommodate three people, but we cannot guarantee that there will be three separate beds. If there are only two beds, a rollaway may be requested but cannot be guaranteed due to size of room and fire codes. Please inquire at time of reservation.

Can my children travel on tour? Children over the age of 5 may travel on a Collette tour accompanied by an adult. Child land rates are valid for ages 5-12, sharing a room with two full-paying adults.

Are single and triple rooms always available? On many tours, triple and single accommodations are limited and are available on a first come, first served basis. Be advised that single rooms are often smaller.

When can I check into my hotel? Normal check-in time is late afternoon in most locations. Due to early arrival times into some cities, rooms may not always be available for immediate check-in.

Air

Can Collette book our airline reservations? Collette is happy to assist you in accommodating your flight needs. Due to tour scheduling and limited availability, you are strongly encouraged to take advantage of Collette's air packages. We are not responsible for air arrangements you have made on your own. On occasion, it is necessary to change tour dates. In this case, we can only protect air reservations booked through Collette. For all air reservations, it is strongly recommended to reconfirm flights before departure, in the event that the airline has an unexpected schedule change. We cannot assume responsibility for schedule changes, routings or flight cancellations involving the airlines. Not all airlines offer pre-assigned seats. Some charge a fee for seats which will be at the guests' expense. Where pre-assigned seats are not offered, the guests must contact the airline directly to arrange seat assignments.

Attractions & Sightseeing

Are attractions always available? Access to some attractions or Collette Foundation sites may be affected by the observance of holidays, weather conditions or other circumstances. As a result, the days and order of sightseeing may change to best utilize your time on tour. Boat rides are weather permitting. Some attractions may not be available during the "off-season" months. When attractions are unavailable, other similar attractions will be substituted. Wildlife sightings are not guaranteed.

Is there a lot of walking on tour? We pride ourselves on bringing travelers the very best experiences a destination offers. Our itineraries include many activities and may consist of walking on uneven terrain or significant walking at times. Some of the most unique sightseeing can mean accessing locations that restrict motorcoaches, especially in historic areas. Some hotels/lodges in remote locations may not have elevators. For your comfort, we recommend bringing walking shoes. Review each tour's "Tour Activity Level" and "Tour Pacing" for details.

Can you tell me more about the safaris? In order to most fully experience the wildlife, you will be traveling by custom-built safari vehicle which requires climbing in and out frequently and sometimes travels on bumpy roads. To experience Africa fully, we recommend that all travelers be in reasonably good health and prepare properly.

How can I plan for shore landings? Special clothing is required for the shore landings (Antarctica, Galapagos); please refer to your predeparture documents for important details.

Are all theater performances suitable for children? Some theater performances may be unsuitable for children – consult your tour manager.

Documentation

Do I need a passport? Government-issued identification is required for all air travel. A valid passport is required for all trips outside the USA. All passengers should check with the appropriate foreign consulate for entry and validity requirements. We recommend that your passport has six months validity, and at least 3 blank pages. Passports and visas are the responsibility of each client.

International Borders Any child under age 16 (traveling without a parent or legal guardian to Canada) must have written permission from a parent or legal guardian.

Please be advised that if you have been convicted of an offense, or have committed a criminal act that is an offense under the laws where it occurred and would be an offense in Canada, you may be inadmissible into Canada. You will need to apply for a Minister's Permit of Approval of Rehabilitation at a Canadian Consulate. All other travelers should contact the appropriate consulate for entry requirements in other international destinations.

In South Africa, children are required to have a passport as well as additional documentation to travel with you into and out of the country. Please consult the South African Embassy for the current specific requirements related to your travel dates.

If traveling internationally with a child under the age of 18, please check directly with the airline for the legal documentation that is required. It is the sole responsibility of the guest to procure the proper documentation to travel and many requirements vary by airline and destination. Collette will not be responsible for costs incurred for missed flights or canceled tours where a guest fails to secure proper documentation.

Extending Your Stay

Can I extend my tour to see more of a region? Yes! You may enhance your tour by purchasing either an extension or pre/post hotel stays, offered on select tours. Extensions may be "hosted" rather than escorted. When hosted, passengers will be greeted upon arrival by a local tour manager who will provide all included services and be available on-call during the duration of the extension. A minimum number of passengers may be required to operate some extensions. Extensions not purchased at time of deposit are subject to availability and applicable charges at time of request.

Collette also offers pre and post hotel nights before and/or after a tour for you to explore the destination independently. Should you purchase additional nights, please be advised that your tour manager will not be available during this time.

Extras

What is not included in the tour price? The land price does not include air travel, airline fees, airport or departure taxes, transfers, visas, customary end-of-trip gratuities for your Tour Manager, driver, local guides, hotel housekeepers, cruise ship waitstaff, and any incidental charges.

Late Bookings

Do you accept late bookings? Tour sales normally close 7 days prior to departure. All late bookings are on request and must be guaranteed with a credit card if within 60 days of departure date.

On-Tour Experience

Where do I meet my Tour Manager? Your tour will begin at your first hotel. The Tour Manager will make contact with you at the hotel and will provide details relating to your tour. The hotel's address and phone number will be included in your documents.

Can I prepurchase optional excursions/activities? Yes, the majority of optional excursions and activities are available for advance purchase for applicable tours provided that you make your options purchase prior to 15 days of the tour departure. Collette makes it convenient to reserve presold options by visiting our website for a full listing of activities and excursions or when your reservation is made with our reservations staff. In addition, there are benefits to prepurchasing options including a price guarantee once your tour is paid in full. So, while the cost of an optional activity may change from the time you book your tour, once payment is received in full, your preselected options are guaranteed by Collette at their original price. Although you can still purchase options while on tour, reserving them ahead of time ensures you a spot in the event that the activity sells out. Collette will provide a refund if you cancel a presold option prior to tour departure. Any presold options canceled while on tour are nonrefundable.

Revisions/Changes

Would my tour date ever be changed? While it is unlikely, Collette does reserve the right to cancel a tour prior to departure. Should this happen, Collette will make every effort to put you on another departure date. If an alternate cannot be found, a full refund will be made. Air booked through Collette will be protected. We cannot be held responsible for penalties incurred if you have secured your own air.

Can I make changes to my reservation? Should you decide to change your reservation after initial booking, a handling fee of \$25 per transaction will be charged. A change of tour date, tour itinerary or passenger name, within the guidelines of the cancellation policy, will be treated as a cancellation and regular cancellation fees may apply. Revisions to air tickets are subject to the rules and regulations of the airline. See our Cancellation Policy for more details.

Tour Pacing

How can I be best prepared for the pacing and physical requirements on a Collette tour? Tour pacing varies by itinerary, and each destination's sightseeing and activities are unique. Pacing is subject to personal interpretation. At Collette, we do include the best a destination has to offer, enhancing your overall tour experience. For overnight pacing of a tour, please refer to the "Accommodations" section on each tour page and on the tour map. These describe the number of nights you will stay in each hotel during your tour. The day-by-day descriptions will provide additional detail about the number of activities included in each day.

The Tour Activity Level Ranking is featured on each tour itinerary in a circle. The definition of each activity level is listed here. If you have additional questions regarding a specific tour, please inquire at time of reservation. For your comfort, we recommend packing comfortable walking shoes so you can fully enjoy every aspect of your tour.

Level 1: At a very leisurely pace, this tour involves minimal physical activity, such as climbing some stairs, boarding a motorcoach, and walking from the hotel reception area to hotel rooms and dining areas.

Level 2: This tour requires average physical activity. You should be in good health, able to climb stairs and walk reasonable distances, possibly over uneven ground and cobblestoned streets.

Level 3: This tour includes moderate physical activity. The itinerary blends some longer days with shorter days and more leisure time. Walking tours, as well as walking slightly longer distances, up stairs or on uneven walking surfaces should be expected.

Level 4: To truly experience the program and destination, you need to be able to participate in physical activities such as longer walking tours, walking over uneven terrain, climbing stairs and periods of standing. Some of the touring days may be longer, with select included activities occurring later in the evening.

Level 5: This tour is very active, requiring participants to be physically fit to fully enjoy all the experiences. This itinerary has more strenuous activities which may include such things as: extensive walking tours, transfers over uneven and dusty terrain, high altitudes, early morning departures, late night activities, or extreme temperatures. All conditions do not apply to all days, so please read the itinerary carefully and speak to one of our travel counselors to determine if this tour is right for you. We recommend this program to individuals who are physically fit. Unfortunately, this tour is not appropriate for individuals who use either walkers or wheelchairs. If this trip is not ideally suited for you, our travel counselors can help determine the perfect trip for you.

Are airport and hotel transfers available? Roundtrip airport-to-hotel transfers are provided for all passengers who purchase airfare through Collette. It is strongly recommended that persons requiring assistance be accompanied by a companion who is capable of and totally responsible for providing the assistance. Neither Collette nor its personnel, nor its suppliers, may physically lift or assist clients into transportation vehicles. If a traveler thinks he or she might need assistance during a trip, he or she should call Collette to determine what assistance might reasonably be given. Collette cannot provide special individual assistance to tour members with special needs for walking, dining or other routine activities.

Motorcoach Washrooms

Most motorcoaches used on our tours are equipped with washrooms except safari vehicles, exotic locations, and some of our Explorations tours. These are typically for emergency use, as we make plenty of comfort stops, allowing you the opportunity to use public restrooms and/or stretch your legs.

Seat Rotation

Seats are rotated onboard the coach for all Collette tours under the direction of the tour manager. So that we do not show partiality among passengers, exceptions cannot be made.

Maps and Photos

Maps shown on tour pages are current at the time of printing and may not reflect actual tour routing should the tour change. Photos shown on tour pages are reflective of the area(s) visited, but may not be included in the actual tour itinerary and the conditions you experience may be different than depicted in the photograph(s).

Baggage Disclaimer

Although every effort is made to handle passengers' luggage as carefully as possible, Collette is not responsible for and does not assume liability or accept claims for loss of or damage to luggage due to breakage, theft or wear and tear through hotel and group carrier handling. It is recommended for your own self-interest and protection that you have adequate insurance to cover these eventualities. Check with your sales agent for low-cost insurance to cover these risks.

There are limitations by coach and air carrier as to the number and size of bags which can be carried onboard and in bulk storage. Be sure to ask your travel professional about such restrictions before departing for your tour.

Consumer Protection Plans

Collette is a member of the following organizations: the National Tour Association, the United States Tour Operators Association, the Alliance of Canadian Travel Associations, the Travel Industry Council of Ontario, and the Association of British Travel Agents. Some of these associations operate a consumer protection plan to cover deposits placed with any tour operator member.

Collette is proud to be a member of USTOA (United States Tour Operators Association), an association that represents the tour operator industry. The USTOA logo on our brochures signifies that Collette is a member in good standing and is backed by their \$1 Million Travelers Assistance Program. Collette, as an Active Member of USTOA, is required to post \$1 million with USTOA to be used to reimburse, in accordance with the terms and conditions of the USTOA Travelers Assistance Program, the advance payments of Collette customers in the unlikely event of Collette's bankruptcy, insolvency or cessation of business. Further, you should understand that the \$1 million posted by Collette may be sufficient to provide only a partial recovery of the advance payments received by Collette. Complete details of the USTOA Travelers Assistance Program may be obtained by email to information@ustoa.com or by visiting their website at www.ustoa.com.

Collette is pleased to give this additional protection to our clients.

Collette's Travel Protection Plan

The following is an outline of the Non-Insurance Pre-Departure Cancellation Fee Waiver, Insurance Benefits and non-insurance assistance services that make up the Travel Protection Plan.

Part A Waiver Only provided by Collette Travel Service, Inc.: The Pre-Departure Cancellation Fee Waiver is provided by Collette, is not an insurance benefit and is not underwritten by United States Fire Insurance Company. Payment of a per person Travel Protection Plan fee guarantees a full refund of all payments (including deposit), made to Collette for travel arrangements in case of cancellation of your planned travel for any reason prior to the day of departure. The Travel Protection Plan fee with air only covers airline tickets you have purchased from Collette.

Exception: If you originally purchased nonrefundable airline tickets, this Part A Travel Protection Plan does not provide a refund for the airline tickets, taxes or fees, in the event of a cancellation. This air ticket may be covered by Collette's Travel Protection Plan under Part B, if you cancel your trip for covered reasons (see Part B for more details).

The Part A Waiver portion of Collette's Travel Protection Plan protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. The Part A Waiver portion of the Travel Protection Plan does not indemnify you from penalties if you choose to cancel partial tour components or air. If you choose to partially cancel your tour, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation.

For Residents of MN, MO, NY and WA Only: The Pre-Departure Cancellation Fee Waiver (Part A) can be purchased separately without the purchase of the Travel Protection Plan. Contact Collette at 1-800-832-4656 in order to purchase the Pre-Departure Cancellation Fee Waiver separately.

Collette's Part A Waiver portion of the Travel Protection Plan does not cover any single supplement charges which arise from an individual's traveling companion electing to cancel for

any reason prior to departure. In this case, the single supplement will be deducted from the refund of the person who cancels. (However, the Part B Benefits referenced below include a single supplement benefit of \$1,000 for certain covered reasons, as detailed in Part B.) Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement.

Payment of the Travel Protection Plan Fee (if chosen) must be received by Collette with your deposit. The fee is nontransferable and valid for each applicant only.

Collette can assume no responsibility for and cannot be held liable for any wrongful, negligent or unauthorized acts or omissions of any travel agent or travel agency other than that of Collette Travel Service, Inc. itself, and its own employees.

Where to Present Part A Claims

To request a refund under the Part A Pre-Departure Cancellation Fee Waiver portion of the Travel Protection Plan, please call Collette and send any unused airline tickets to:

Collette
ATTN: Customer Service Department, 162 Middle Street, Pawtucket, RI 02860
