go behind the scenes WITH THE COLLETTE TEAM

As we kick off our 104th season of travel this year, brand-new tours join our most popular tours for an incredible lineup that spans 7 continents. Hear from some of the people behind the scenes of these tours and get a sneak peek into what they're most excited about this year.

NEW SPOTLIGHTS TOUR

On **Spotlight on Boston**, take a panoramic tour of Boston including Beacon Hill and Fenway Park.

Samantha K. TOUR DESIGNER

What are you most excited about for this travel season?

We have a new **Spotlight on Boston** tour and I'm so excited for it. Last year, travelers embraced exploring in their own backyards. Boston is such a cool city – from the Salem Witch Trials to Lexington and Concord, we embrace the city's fascinating history. We meet the people (*and their accents*) and try the food (*New England clam chowder and a cannoli? Need I say more?*).

Motovun, Croatia

Sanja K. TOUR DESIGNER

Which new tour do you think travelers will fall in love with?

We have a small group Explorations tour to **the Balkans** that's so fun, visiting **Croatia, Montenegro, Bosnia and Herzegovina and Slovenia**. And it's so immersive – we meet a war survivor and learn from locals how to make Bosnian coffee. We join a third generation truffle hunt family on their grounds and get to watch some adorable pups in action!

Top of Europe, Switzerland

Mark G. TOUR MANAGER

What are travelers on the road saying?

It's been so great to be back out on the road with our travelers. They're as excited to explore the world again as we are! And doing it together is what I love. A lot of people seem to be thrilled about our **brand-new Peaks of Europe** tour and I get it. They can experience **France, Switzerland, Austria, Germany and Italy** through the lens of the Alps and Dolomites - these gorgeous mountain vistas tell a new kind of story of Europe and you know with a tour like that, the pictures will be postcard-perfect.

NEW SMALL GROUP TOUR

On Montana: Exploring Big Sky Country, venture down Going-to-the-Sun Road in a 1930s vintage bus.

Jaclyn L. PRESIDENT

What can you tell us about the expansion of the Small Group Explorations travel style?

The reason we created our five Travel Styles is to offer tours that suit the diversified needs of our travelers. Everyone is different and we love being able to listen to what our travelers are asking for and creating, with their happiness in mind. Last year, as travel made its comeback, travelers wanted more small group touring. Our designers, who build and manage your favorite tours, added some exciting brand-new tours to the lineup, including many small group tours. There are some amazing Explorations tours you can find in these pages throughout Europe as well as in immersive destinations like **Morocco** and **Egypt**. This ever-growing Travel Style is one that just keeps growing more popular with our travelers so we will continue creating culturally rich journeys to expand it more for you.

Our **brand-new Montana** tour was created directly because travelers wanted to experience this destination and the gorgeous national parks located here. Our **African Safari: Kenya and Tanzania** tour offers such an immersion in the local culture, including interactions with local tribes and a balance of animal inclusions in addition to 12 game drives! On our **brand-new Costa del Sol** and **Portuguese Riviera** tour, travelers climb aboard a private tram for a city tour of Lisbon that is truly an experience you'd be hard-pressed to have on your own.

Capture the moment

Our team is on the road all year and they send us the best snapshots of their travels! Every photo is a story from the road and these moments definitely capture the magic of travel.

TRAVEL STYLE:
CLASSIC

Experience the grandeur of the American West as you explore five fantastic national parks on this exciting journey.

Day 1: Scottsdale, Arizona - Tour Begins

Journey through five of America's most incredible national parks. Your tour opens in Arizona where you will enjoy a stay in the world-famous resort town of Scottsdale. This evening, join your fellow travelers at a welcome dinner. (D)

Day 2: Scottsdale - Sedona - Lake Powell

Begin the day with a visit to the artists' colony of Sedona and see the amazing rock formations that change hue with each turn in the road. Later today, arrive at Lake Powell for dinner and sunset views of the lake. (B, D)

Day 3: Lake Powell - Grand Canyon

Embark on a delightful breakfast cruise on scenic Lake Powell. Head to the Carl Hayden Visitors Center and look out over Glen Canyon Dam to see the end of Lake Powell. Afterward, travel through the beautiful scenery before arriving at one of the Seven Natural Wonders of the World – the spectacular Grand Canyon.* Upon arrival, relax at one of the many public seating areas overlooking the immense and colorful canyon. Take a moment to reflect as you stand in awe of this iconic natural treasure. Before dinner you may wish to take a short hike to explore the area. (B, D)

Day 4: Grand Canyon - Bryce Canyon - Springdale, Utah

Today's journey takes you to Bryce Canyon National Park, truly one of the most spectacular scenic wonders of the world. The formations within the park, called Hoodoos, are the creation of wind and water erosion over eons of time. Iron oxidizing within the rock causes the natural orange and red hues that color these formations. End your day in Springdale, the gateway to Zion National Park. (B, D)

Day 5: Zion National Park

In terms of sheer magnitude and color, few places on Earth match the beauty of Zion National Park. Marvel at red and white sandstone cliffs as you take a full day to explore Utah's first national park. Climb aboard Zion's open-air tram and wind your way alongside the Virgin River and through the 2,400-foot deep, half-mile wide Zion Canyon. This afternoon, **it's your choice!** Delve into the area's native American heritage and pioneer culture at the Zion Human History Museum **-OR-** venture off on your own to explore the park independently. (B)

Day 6: Springdale - Salt Lake City

Enjoy a tour of Salt Lake City featuring the Great

Grand Canyon

Mount Rushmore

Salt Lake and the Utah State Capitol building. Then, take the rest of the day and evening to relax or explore more on your own. Perhaps you will choose to explore Temple Square – a beautifully landscaped area set in the heart of downtown. The square's centerpiece is the 6-spired granite Salt Lake Temple, and adjacent to this imposing structure is the domed Tabernacle, home of the famous Mormon Tabernacle Choir and the great Tabernacle organ. (B)

Day 7: Salt Lake City - Jackson Hole, Wyoming

En route to Wyoming, see the majestic Bear Lake Summit. Later, arrive in the cowboy town of Jackson and experience a fun-filled evening of cowboy entertainment and a traditional chuck wagon dinner.** (B, D)

Day 8: Jackson Hole

The day is yours to enjoy Jackson Hole. From hiking and river-rafting to shopping and sampling the local cuisine, there are endless activities to make the most of your day. (B)

Day 9: Jackson Hole - Grand Teton & Yellowstone National Parks

From Jackson Hole, pass through Grand Teton National Park. Towering more than a mile above the valley of Jackson Hole, the

Grand Teton rises to 13,770 feet. Twelve Teton peaks reach above 12,000 feet and support a dozen mountain glaciers. The Teton Range is the youngest range in the Rockies and displays some of North America's oldest rocks. Later, arrive at the amazing Yellowstone National Park*** and explore the park's incredible sights. Experience the world-famous Old Faithful Geyser, a fountain of steam that rises more than 130 feet in the air. (B)

Day 10: Yellowstone - Cody - Sheridan

A delightful day of sightseeing begins with a trip along Yellowstone Lake and over Sylvan Pass. As you pass through Cody, stop at the Buffalo Bill Center of the West, a tribute to one of the most well-known figures of the Old West. Before turning in for the night in Sheridan, drive through the incredible Bighorn Mountains and journey through the territory of the Great Sioux Nation. (B)

Day 11: Sheridan - Rapid City, South Dakota

Visit Crazy Horse Memorial, a monument dedicated to Native Americans. Visit the Native American Cultural Center to learn more about local customs, when Native Americans discuss the movements of their dances and the significance of different clothes. Later, see one of the country's most famous landmarks, Mount Rushmore, whose four figures carved in stone represent the first 150 years of American history. At tonight's farewell dinner you will meet a local Lakota Native American and learn all about their fascinating way of life, past and present. (B, D)

Day 12: Rapid City - Tour Ends

Your tour comes to a close, leaving you with many wonderful memories.

TRAVEL STYLE: SMALL GROUP EXPLORATIONS

Glacier National Park

Step outside, take a deep breath in, and look towards the mountains – you're in the big sky country of Montana.

Day 1: Bozeman, Montana – Tour Begins

Step outside, take a deep breath in, and look around you – you're in big sky country. Montana is wilderness, adventure, and beauty, and you're about to see what makes it unique, as well as its crown jewels. Today, arrive in Bozeman, the jumping off point to explore Yellowstone, America's first national park.

Day 2: Bozeman – Yellowstone Southern Loop – Gardiner

This morning, pass through Yellowstone's western gate and venture into the Lower Loop, the road that encircles the entire lower half of the national park. Your first stop will be at the Grand Prismatic Spring, where steaming azure-blue waters clash brilliantly with the bright orange of the clay earth surrounding it. The best spot to take it all in is at the overlook, and you'll have enough time to take the 20-minute hike up if you choose. Afterwards, head to Old Faithful, the legendary geyser that you can "set your watch to." Enjoy lunch on your own and walk the boardwalk trails surrounding Old Faithful. After you've explored Old Faithful, pass by the massive and beautiful Yellowstone Lake. Bison, elk, bears, eagles, wolves, and antelope call this incredible slice of wilderness their home. (B, D)

Day 3: Gardiner – Yellowstone Northern Loop – Gardiner

Today, explore Yellowstone's northern loop. Head to the Grand Canyon of Yellowstone lookout first,

where you'll find yourself standing over the massive, 20-mile-long canyon. Its craggy walls are streaked with whites, pinks, and oranges from the volcanic minerals contained in the rocks. The Yellowstone River roars along at the bottom over three different waterfalls. Next, head to Mammoth Hot Springs. Here, bubbling pots of geothermal water trickle down the step-like rocks, creating incredible shapes and colors. Explore the boardwalks that wind through the steaming landscape before heading to your hotel in Gardiner, right outside Yellowstone's north gate. (B)

Day 4: Gardiner – Paradise Valley – Helena

This morning, head through the sweeping vistas of Montana's Paradise Valley. You'll arrive in the capital of Montana, Helena, a city with rich gold rush history and beautiful Victorian era architecture. These days, the "Queen City of the Rockies" is less known for gold and more known for its great local restaurants and microbreweries, as well as a stunning trail system in the surrounding landscape. (B, D)

Day 5: Helena – Gates of the Mountains – Helena

Start your day today with a local guide showing you around the beautiful mountain town of Helena. Delve into the history of the city's south side and get a view of its gritty past. This was where the rough-and-tumble elements of

Helena gathered, from bars filled with miners to the city's persecuted immigrant population in Chinatown. Learn about these oft-ignored communities as you make your way through these areas. You'll have time on your own to enjoy the charm of downtown Helena before heading to the Gates of the Mountains. Here, on the shores of the Missouri River, you'll follow in the footsteps of the most renowned explorers in American history – Lewis and Clark. Climb aboard a boat and cruise these storied waters, following the path Lewis and Clark took on their legendary journey across this vast wilderness. Meriwether Lewis himself named the stunning canyon the Gates of the Mountains. Tonight, return to Helena for an evening at leisure. (B)

Day 6: Helena – Great Falls – St. Mary Village, Glacier National Park

Today, venture to Great Falls, where the mighty Missouri River thunders down from the Rocky Mountains over five waterfalls to the great plains below. This was a massive obstacle for Lewis and Clark's expedition in 1805. They had to carry their boats over land for a month to make it from the lower falls to the upper falls. You will not have to work that hard, because **It's Your Choice!** Visit the Lewis and Clark National Historic Trail Interpretive Center where you can learn about the trials and travails of the legendary expedition, followed by hiking along the Missouri River **-OR-** explore the exhibits at the C.M. Russell Art Museum during a guided tour. See the art of Charles Russell, a cowboy-turned-artist from the turn of the century, as well as his original home and log studio. Afterwards, continue to St. Mary Village, the eastern entryway to Glacier National Park. (B, D)

Day 7: Glacier National Park – Going-to-the-Sun Road – Whitefish

Head into Glacier National Park to board one of the 1930s vintage red buses and venture down one of the most breathtaking roads in North America, Going-to-the-Sun Road. Sit back and admire the views of the valley as your "jammer", one of the experienced guides, drives you through this natural landscape. Relax and take in all the majestic sights, before heading to the town of Whitefish. (B)

Day 8: Whitefish

This morning, enjoy some leisure time in the picturesque town of Whitefish. Always listed as one of America's 25 prettiest towns, enjoy a stroll around, do some shopping, or just relax. Perhaps you'll stop for lunch at one of the great restaurants found along Central Avenue or buy some Huckleberry jam from a local shop. Your

morning leads into an adventurous afternoon, because **it's your choice!** Grab a paddle and get ready for a white-water rafting adventure **-OR-** take the calmer, scenic route on a float down the Flathead River. No matter which style river journey you choose, the awe-inspiring views of Glacier National Park await. Tonight, sit down for a mouth-watering barbecue dinner. (B, D)

Day 9: Whitefish – Flathead Lake – Missoula

Depart Whitefish and drive south, journeying along the western edge of beautiful Flathead Lake. Carved by the ancient glaciers that give Glacier National Park its name, Flathead Lake stretches almost 200 square miles. You might even spot some orchards, growing Flathead cherries. Encompassing most of the lake is the Flathead Reservation, home to the Confederated Salish and Kootenai Tribes of the Flathead Nation. At one point, these tribes had territories that stretched out of Montana and into Idaho, British Columbia, and Wyoming. The Hellgate Treaty of 1855 set aside Flathead Lake for the tribes, reducing their lands to a fraction of what it once was. Tribal land was once again shrunk in 1904 by over half a million acres. Despite all of this, the Tribal way of life continues on to this day, passed down from elders to children through a rich oral and spiritual tradition. Get a glimpse into these traditions when you meet a descendant of the last Kootenai chief, and learn about the importance of the land in native life. Afterwards, head to the eclectic city of Missoula, where you can enjoy a relaxing evening at leisure. (B)

Day 10: Missoula

Your day in Missoula starts off with a visit to the Smokejumper Visitor Center. Learn how and why these legendary firefighters do what they do – jump out of planes and parachute into dangerous wildfires. Missoula is home to the largest smokejumper base in the United States, and you'll visit the ready room, smokejumper loft, the National Smokejumper Memorial, and a fire lookout tower originally built in 1930. Later, experience an **Impact Moment** when you visit River Pines Farm Horse Sanctuary, a non-profit dedicated to providing a forever home to horses in need. This evening, enjoy a memorable farewell dinner with your fellow travelers, where you can raise a glass and toast to a wildly fun Montana adventure. (B, D)

The Durango & Silverton Narrow Gauge Railroad

Experience the grand landscapes of the American West as you journey from Denver to Colorado Springs.

Day 1: Denver, Colorado - Tour Begins

Adventure awaits as you explore the towering peaks and rolling meadows of Colorado and Utah. This tour (which features four national parks) opens in the "Mile High City" of Denver where you will gather for a welcome dinner with your fellow travelers. (D)

Day 2: Denver - Rocky Mountain National Park - Denver

Travel through Boulder, a scenic university town known for its iconic landmark...the striking, reddish-brown foothills known as the Flatirons. Stop in Estes Park, a mountain resort town and home of the Stanley Hotel, the inspiration for Stephen King's *The Shining*. Your adventure in Rocky Mountain National Park starts on the Trail Ridge Road, the highest paved, continuous highway in North America. It's a drive that should be on everybody's bucket list. At Rainbow Curve, marvel at the majestic mountains that stand in contrast to deep, rugged canyons. Later, return to Denver for a free evening in this dynamic city. (B)

Day 3: Denver - Colorado National Monument - Grand Junction

The spectacular Rocky Mountains are your traveling companion. Make a scenic drive from Denver to Grand Junction, passing through many

of Colorado's famous ski resorts. This journey also takes you to one of the grand landscapes of the American West - Colorado National Monument. Continue along the monument's historic Rim Rock Drive to see a colorful panorama of deep, sheer-sided canyons and high rock towers. Gather for dinner at a favorite local hangout in Grand Junction, a town that attracts outdoorsmen, foodies and all manner of free spirits. (B, D)

Day 4: Canyonlands National Park, Utah - Arches National Park - Grand Junction

Today, one amazing park follows another! In Canyonlands National Park, marvel at the vast landscape of gorges carved by the mighty Colorado River. From the Island in the Sky mesa - sandstone cliffs that soar 1,000 feet above the surrounding canyons - take in the seemingly endless views. Then, enjoy awe-inspiring views at Dead Horse Point State Park. Legend says the point was used as a corral for wild mustangs that roamed the mesa top. In Arches National Park, see the world's largest concentration of natural sandstone arches before returning to Grand Junction. (B)

Day 5: Grand Junction - Silverton - Durango

Head south to Silverton, a former silver mining

town and now a National Historic Landmark. Hidden high in the San Juan Mountains, this town blends spectacular scenery, Victorian charm and historic architecture. Then it's "all aboard" the Durango & Silverton Narrow Gauge Railroad. This 1881 coal-fired, steam-powered locomotive made its name hauling silver and gold ore from the San Juan Mountains, but you will soon realize it is the view that is its most precious asset. (B)

Day 6: Durango - Mesa Verde National Park - Durango

An incredible day awaits in Mesa Verde National Park (UNESCO), home of the ancient Ancestral Puebloan civilization. Today, **it's your choice!** Join a local guide on a drive through the park making several photo stops including views of the famous Spruce Tree House, one of Mesa Verde's best preserved cliff dwellings and Cliff Palace, the largest in the park **-OR-** if you are feeling more adventurous, join a National Park Ranger on a short hike down the canyon to one of the cliff dwellings; as you walk, soak in views of the valley along with some of the 600 homes carved along the cliffs. This evening, experience a farm-to-table dinner on a family-owned ranch surrounded by red mountain peaks and lush green pastures. (B, D)

Day 7: Durango - Colorado Springs
Sit back and relax during a scenic ride to Colorado Springs. En route, marvel at the landscape as you make your way from the San Juan National Forest and across Wolf Creek Pass, a section of the Continental Divide that would take pioneers two to three weeks to cross. Continue on through the Rio Grande National Forest, a vast expanse of wilderness named for the 1,800 miles of Rio Grande River that cuts through the forest. Your day concludes in Colorado Springs, an artistic and cultural hub. (B)

Cherry Blossom Season

Enjoy the festivities during this beautiful herald of spring. Please note: Blooming varies slightly every year. Dates are to be determined.

Our air passengers will arrive into and depart from Washington, D.C. Airport transfers are available for purchase. The National Cherry Blossom Festival is planned to coincide as near as possible with the blooming of the trees. "Peak Bloom Date" is defined as the day on which 70 percent of the blossoms of the Yoshino cherry trees are open. The date when the Yoshino cherry blossoms reach peak bloom varies from year-to-year, depending upon weather conditions. The mean date of blooming is April 4, but nature is not always cooperative and the National Park Service horticulturists cannot make an accurate prediction much more than 10 days prior. The blooming period starts several days before the Peak Bloom Date and can last as long as 14 days; however, frost or high temperatures combined with wind and/or rain can shorten this period. Ford's Theatre is a working, professional theatre and there may be occasions when access is restricted or not available.

Come along with us and embrace the history, culture, art and romance of this incredible country.

Day 2: Venice, Italy - Tour Begins

Day 3: Venice - Gondola Boatyard & Ride - Classical Music Concert

This morning, explore the traditional Venetian craftsmanship behind one of the city's symbols: the sleek, iconic gondola boats. Visit a local boatyard, one of only two still active in the city, and glide along the canals during a gondola ride. Afterwards, enjoy an afternoon at leisure in the floating city. Perhaps you'll follow the advice of the locals who say the best way to discover Venice is to "get lost." Or, you could explore St. Mark's Square adorned with marbled palaces and seek out the perfect view over the Bridge of Sighs. This evening, delve into Venice's classical music heritage while you enjoy a live performance of the Four Seasons composed by the great Venetian Antonio Vivaldi. (B)

Day 4: Venice - Po River Sailing - Romagna Countryside

Say "Ciao" to Venice as you journey towards the Romagna region, famous for its epicurean lifestyle and its *joie de vivre*. Along the way, visit the Po Delta (UNESCO). Since ancient times, this delta has been the border between the Venice and the Ravenna regions, once two independent states. These wetlands will give you a glimpse into what Venice and Ravenna looked like to ancient Roman settlers making their way here from the south. You'll explore these wetlands by pontoon boat, learning about how the ecosystem here actually aided the Romans in escaping the barbarians that harried them. You'll also learn about the lives of fishermen and farmers whose lives have changed very little over the last 1000 years. Take in the tranquil scenery before stopping for lunch at a local restaurant. In the afternoon, continue to your hotel nestled among vineyards in the Romagna countryside and settle in for your 3-night stay. (B, L, D)

Day 5: Romagna Countryside - Choice on Tour

Today, it's your choice! Bask in the bucolic landscape at your wine resort hotel and pamper yourself with an organic wine-infused mud treatment in the onsite spa **-OR-** spend the day exploring Ravenna (UNESCO). During the

darkness that enveloped the last days of the Roman Empire, Ravenna emerged as a center of power thanks to its strategic position. The city's rulers – the Byzantines, the Goths – adorned its churches with dazzling mosaics. During a guided walking tour, discover the city's most illustrious monuments including the mosaics that inspired Cole Porter's "Night and Day." This evening, join the local chef for a hands-on cooking class centred on Romagna's most typical pasta dishes with colorful names such as *garganelli* or *strozzapreti* (priest-stranglers), and enjoy the results of your work for dinner. Grab your passport and journey to the landlocked Republic of San Marino, the fifth-smallest country in the world. Perched at the top of Mount Titano, the old town of San Marino (UNESCO) gives visitors sweeping views over the Adriatic Riviera and the gentle rolling hills of the Romagna countryside. Explore the Old Town's intricate system of fortification towers, walls, gates and bastions during time at leisure. This evening, wrap up your stay in the Romagna Countryside with a wine-pairing dinner at your wine resort hotel. (B, D)

Day 7: Romagna Countryside - Emilia Food Valley - Florence

Today, travel to the Emilia region, Italy's foodie haven. Meet students and teachers at a vocational high school for an **Impact Moment** dedicated to the Culinary Arts and Agriculture. Here, Italy's future chefs and farmers learn how to make Parmigiano-Reggiano cheese according to traditional codes, dating back to the 1300s. Students also try their hand aging Balsamic vinegar, a generational process taking anything from 12 to 25 years. Enjoy a farm-to-table light lunch prepared by the culinary students using ingredients from the School's farm. Later, continue to Florence (UNESCO), the "Cradle of the Renaissance" and your home for the next 2 nights. (B, L)

This morning, meet a local expert for a walking tour of a city that is a work of art all on its own. Your guide will highlight the Piazza del Duomo, the Cathedral of Santa Maria del Fiore and the Baptistery. You'll also visit the Piazza della Signoria with its impressive Palazzo Vecchio. The remainder of the day is yours to explore Florence's cultural riches independently. Perhaps you'll visit to one of the city's many museums, such as the Uffizi or Academy Gallery, where Michelangelo's *David* is kept. (B)

Day 9: Florence - Chiusi - Rome

This morning traverse southern Tuscany, the ancient land of the Etruscans. This mysterious civilization predated the Romans, who assimilated them, erasing most of their way of life, even though many early kings of Rome were Etruscans. By all accounts, they were an advanced society and culture. On a guided walking tour of Chiusi, once part of the Etruscan Dodecapolis, you explore the town's underground water system – which has so many twists and turns that it was nicknamed Labyrinth of King Porsenna. You'll also visit the small archeological museum housing some of the most interesting artifacts archeologists found in the surrounding hills. Arrive in Rome (UNESCO) in the afternoon and settle in for a 3-night stay. (B)

Perhaps you'll stroll through the Borghese Gardens for views of the city's skyline or join an early morning "Breakfast with Michelangelo" option to the Vatican Museums. Your visit begins with a buffet breakfast in the Pinecone Courtyard with views of Michelangelo's cupola – the dome sheltering St. Peter's Basilica. Then, 1 hour ahead of the Vatican Museums' opening to the general public, enjoy the ability to roam freely through one of the world's greatest Art collections. With the aid of an audio guide, you'll be able to independently explore the Museums' highlights, including Michelangelo's Sistine Chapel. This trip requires a passport. Effective for travel after January 2023, all visitors who do not need a visa to enter Europe will be expected to apply for an ETIAS travel authorization, for a fee, when visiting a Schengen Area Country. To identify Schengen Area Countries and to complete the ETIAS application, please visit <https://www.etiasvisa.com/>. Our air passengers will arrive into Venice and depart from Rome. Airport transfers are available for purchase. Exact concert program is confirmed 6 months ahead of your tour departure date and is subject to change. Occasionally the orchestra may be on tour and unavailable. Bring your passport to San Marino if you would like to have it stamped with the country's entry visa. During school holidays the visit to the culinary vocational school will be replaced by a visit to a local farm producing Parmigiano-Reggiano, and lunch will take place at a local Balsamic vinegar producer. Most museums in Florence are closed on Mondays, including the Academy Gallery and the Uffizi, as are other state museums. Most state museums in Florence require reservations to access. In order to avoid standing in long lines, we suggest you reserve your ticket online prior to departure if you plan to visit the Academy Gallery or the Uffizi during your free time in Florence. The Vatican Museums and the Colosseum dates and times are all subject to change based on availability of reservations. Vatican Museums are not available on Sundays and Catholic holidays. The Breakfast with Michelangelo option must be purchased no later than 60 days prior to your departure date. Once purchased any cancellation within 60 days of tour departure will be nonrefundable. Due to the very limited number of tickets available, this option is not available for purchase on tour. On occasion, due to inclement weather: your gondola boat ride in Venice may be substituted with a motorboat transfer; your pontoon boat ride on the Po Delta may be replaced with an enclosed motorboat ride or for a tour of the local River Museum; and your farewell dinner in Rome may be served in a local restaurant instead. In Italy, some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in the historic areas of Venice, Ravenna, San Marino, Florence and Rome. For your comfort, we recommend bringing walking shoes. Agility is required for boarding the gondola boats in Venice and the pontoon boat in the Po Delta. The visits to the underground Labyrinth of Porsenna in Chiusi and to the Catacombs in Rome require negotiating 3 to 4 flights of steps and may not be suitable for people suffering from claustrophobia. If you require a walker or wheelchair, or have difficulty walking, you may not be able to access some of these areas and may want to consider an alternate program with us. Our travel counselors can provide additional information or assistance to help you determine the perfect trip for you.

*Itinerary featured is for May 2022 - May 2023 tour departures. Departures prior to this date may vary. Please confirm at time of reservation.

This trip requires a passport. Effective for travel after January 2023, all visitors who do not need a visa to enter Europe will be expected to apply for an ETIAS travel authorization, for a fee, when visiting a Schengen Area Country. To identify Schengen Area Countries and to complete the ETIAS application, please visit <https://www.etiasvisa.com/>. Our air passengers will arrive into Naples and depart from Bari. Airport transfers are available for purchase. The hike along the Path of Lemons and/or the boat trip to Maiori may be cancelled in case of inclement weather or adverse sea conditions. The hike is 2.4 miles long and involves multiple flights of stairs; a boat will be provided for travelers who prefer not to hike. The ferry boat service does not operate between November and March. During these months a substitute bus service will be provided. In case of adverse sea conditions, the ferry service may be suspended at any time, in which case a substitute bus service will be provided. On occasion, due to inclement weather, your hiking of the Rock Churches in Matera's countryside may be substituted with a visit to an underground cistern in Matera city center. In order to fully experience the destination, some of our hotels on these programs are located in smaller towns or on country roads where access is limited to large coaches. In these cases, you will be dropped off as close as possible and there will be a short walk to access the hotel from the drop-off area. Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in historic areas such as Naples, Positano, Alberobello, Monopoli and Matera which requires ability to walk up and down hill on narrow, cobblestoned streets and negotiating stairs. For your comfort, we recommend bringing walking shoes. If you require a walker or wheelchair, or have difficulty walking, you may not be able to access some of these areas and may want to consider an alternate program with us. Our travel counselors can provide additional information or assistance to help you determine the perfect trip for you.

This trip requires a passport and visa. An Egyptian visa is required for this tour and costs approximately 25 US Dollars. You must obtain your own visa upon your arrival in Egypt. Visas can be obtained at the airport and payment should be made in cash. Rates are subject to change at any time based on governing authority. Our air passengers will arrive into and depart from Cairo. Airport transfers are available for purchase. The internal flights on this program are not included in the land price of your tour. All air, including internal flights, can be purchased through us. For inter-flights between Luxor and Aswan, you should expect early morning departures from your hotel due to early morning flight schedules. You should also expect early morning departures on the days the Valley of the Kings and Pyramids of Giza are featured. Our itineraries include many activities that require walking on uneven terrain and sand. Visiting the Tombs of the Valley of the Kings requires descending steep staircases and/or ramps with limited help from handrails. These visits may not be suitable for people suffering from claustrophobia. Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in historic areas. For your comfort, we recommend bringing sturdy walking shoes. You can expect some longer days balanced with free-time to recharge or set out on your own adventure. Temperatures can reach over 100° F, particularly in Luxor and Aswan. Be sure to bring adequate sun protection. Each guest is responsible for proper medical documentation and inoculations that may be required and/or recommended to participate on this tour. Please contact your local travel clinic or personal physician for specific details on the destinations you are traveling to and from. Visiting the Great Pyramid of Pharaoh Cheops in Giza requires agility as you will have to climb up steep, narrow steps (approximately 1-1 1/2 feet tall) on the side of the Pyramid without the help of handrails. To access the inner chamber, you will need to crouch and at times to crawl up the narrow shaft with minimal help of handrails. This activity is not suitable for people suffering from claustrophobia. The Egyptian Government charges a camera and/or video fee of approximately 18 US Dollars for taking photos inside of the Valley of the Kings. There is an additional cost to enter special tombs and sites in the Valley of the Kings and at the Pyramids of Giza. We cover the entrance fee to many sites and to some special tombs/sites (King Tutankhamun and King Ramses VI tombs in the Valley of the Kings and to the Great Pyramid of Giza in Cairo) but other special tombs/sites will be at your expense. Rates are subject to change at any time based on governing authority. Your Tour Manager will collect these fees at the beginning of the tour day and pay the government accordingly. Due to flight schedules, the Abu Simbel option must be purchased at time of booking. Grand Egyptian Museum is projected to open in 2021. If opening is delayed, groups will visit the Egyptian Museum of Antiquities.

This trip requires a passport. Our air passengers will arrive into and depart from Tel Aviv. Airport transfers are available for purchase. Due to flight schedules, you may require a very early morning departure from the hotel on the last day (Day 10). Travel distance from Jerusalem to Tel Aviv's Ben Gurion Airport is approximately 1.5 hours (depending upon traffic conditions). Due to security checkpoints, it is recommended that you arrive at Ben Gurion Airport 3 hours prior to departure. In this destination, temperatures may exceed over 100° F (37° C) with high levels of humidity, especially while in Tel Aviv, Caesarea and Tiberias. You should bring adequate sun protection and be prepared to walk and stand in the heat with limited to no shade. In addition to Israel, this tour travels through the occupied Palestinian territory of the West Bank. This itinerary is focused on culture, history and everyday life. While at some sites, there may be free time for individual reflection, this tour is not suitable for travelers or groups who wish to organize religious functions or utilize travel time on the coach for devotion and prayer. If the food market tour falls on a Saturday or a Jewish holiday, then your food tour will take place at the Mahane Yehuda Market while in Jerusalem. Due to fragile health conditions of Holocaust survivors, on occasion this interaction may be replaced with the screening of a poignant recorded testimony. Time will be allotted while in Bethlehem for entry into the Nativity Grotto. There is often a wait time that can exceed 2 - 3 hours; therefore, you must be prepared to stand in line for the entire time. If dinner falls on a Friday, you will attend the traditional Shabbat dinner. In such case use of any electronic device is prohibited due to religious beliefs (including mobile phones and cameras).

Enjoy a morning cruise to the floating islands of the Uros people of Lake Titicaca; experience walking on the island's spongy surface made from compacted beds of tortora reeds and meet the locals, learning about their history and lifestyle. Later, cruise to a local rustic village for a home-hosted meal and swap stories with Peruvian families before visiting the mystical Chullpas de Sillustani - an archaeological area boasting 13th-century funerary monuments. Day 10: Puno - Lima - Tour Ends

As your tour comes to a close, spend the morning relaxing on the shores of Lake Titicaca before flying to Lima. Upon arrival, head to the Larco Museum, a former mansion built on the site of a pre-Columbian temple. The museum offers a collection of over 3,000 years of ceramic, textile, and precious metal artifacts. After this incredible trip through history, your tour concludes with a farewell dinner on the grounds of the museum before departing for Lima's airport and your connecting flight home. (B)

FREQUENTLY ASKED *questions*

accommodations

What is the difference between a twin room and a double room?

In certain countries, hotel rooms tend to be smaller than U.S. standard accommodations. A double room is designed to accommodate two people, but may not have two separate beds. A twin bedded room has two separate beds of any size, and is the type most commonly utilized.

What size is a triple room? A triple room is the same size as a twin bedded room and beds will accommodate three people, but we cannot guarantee that there will be three separate beds. If there are only two beds, a rollaway may be requested but cannot be guaranteed due to size of room and fire codes. Please inquire at time of reservation.

Can my children travel on tour? Children over the age of 5 may travel on a Collette tour accompanied by an adult. Child land rates are valid for ages 5-12, sharing a room with two full-paying adults.

Are single and triple rooms always available? On many tours, triple and single accommodations are limited and are available on a first come, first served basis. Be advised that single rooms are often smaller.

When can I check into my hotel? Normal check-in time is late afternoon in most locations. Due to early arrival times into some cities, rooms may not always be available for immediate check-in.

air

Can Collette book our airline reservations? Collette is happy to assist you in accommodating your flight needs. Due to tour scheduling and limited availability, you are strongly encouraged to take advantage of Collette's air packages. We are not responsible for air arrangements you have made on your own. On occasion, it is necessary to change tour dates. In this case, we can only protect air reservations booked through Collette. For all air reservations, it is strongly recommended to reconfirm flights before departure, in the event that the airline has an unexpected schedule change. We cannot assume responsibility for schedule changes, routings or flight cancellations involving the airlines. Not all airlines offer pre-assigned seats. Some charge a fee for seats which will be at the guests' expense. Where pre-assigned seats are not offered, the guests must contact the airline directly to arrange seat assignments.

attractions & sightseeing

Are attractions always available? Access to some attractions or Collette Foundation sites may be affected by the observance of holidays, weather conditions or other circumstances. As a result, the days and order of sightseeing may change to best utilize your time on tour. Boat rides are weather permitting. Some attractions may not be available during the "off-season" months. When attractions are unavailable, other similar attractions will be substituted. Wildlife sightings are not guaranteed.

Is there a lot of walking on tour? We pride ourselves on bringing travelers the very best experiences a destination offers. Our itineraries include many activities and may consist of walking on uneven terrain or significant walking at times. Some of the most unique sightseeing can mean accessing locations that restrict motorcoaches, especially in historic areas. Some hotels/lodges in remote locations may not have elevators. For your comfort, we recommend bringing walking shoes. Review each tour's "Tour Activity Level" and "Tour Pacing" on the tour itinerary webpage.

Can you tell me more about the safaris? In order to most fully experience the wildlife, you will be traveling by custom-built safari vehicle which requires climbing in and out frequently and sometimes travels on bumpy roads. To experience Africa fully, we recommend that all travelers be in reasonably good health and prepare properly.

How can I plan for shore landings? Special clothing is required for the shore landings (Antarctica, Galapagos); please refer to your predeparture documents for important details.

Are all theater performances suitable for children? Some theater performances may be unsuitable for children – consult your Tour Manager.

documentation

Do I need a passport? Government-issued identification is required for all air travel. A valid passport is required for all trips outside the USA. All passengers should check with the appropriate foreign consulate for entry and validity requirements. We recommend that your passport has six months validity, and at least 3 blank pages. Passports and visas are the responsibility of each client.

International Borders Any child under age 16 (traveling without a parent or legal guardian to Canada) must have written permission from a parent or legal guardian.

Please be advised that if you have been convicted of an offense, or have committed a criminal act that is an offense under the laws where it occurred and would be an offense in Canada, you may be inadmissible into Canada. You will need to apply for a Minister's Permit of Approval of Rehabilitation at a Canadian Consulate. All other travelers should contact the appropriate consulate for entry requirements in other international destinations.

In South Africa, children are required to have a passport as well as additional documentation to travel with you into and out of the country. Please consult the South African Embassy for the current specific requirements related to your travel dates.

If traveling internationally with a child under the age of 18, please check directly with the airline for the legal documentation that is required. It is the sole responsibility of the guest to procure the proper documentation to travel and many requirements vary by airline and destination.

Collette will not be responsible for costs incurred for missed flights or canceled tours where a guest fails to secure proper documentation.

extending your stay

Can I extend my tour to see more of a region? Yes! You may enhance your tour by purchasing either an extension or pre/post hotel stays, offered on select tours. Extensions may be "hosted" rather than escorted. When hosted, passengers will be greeted upon arrival by a local tour manager who will provide all included services and be available on-call during the duration of the extension. A minimum number of passengers may be required to operate some extensions. Extensions not purchased at time of deposit are subject to availability and applicable charges at time of request.

Collette also offers pre and post hotel nights before and/or after a tour for you to explore the destination independently. Should you purchase additional nights, please be advised that your Tour Manager will not be available during this time.

extras

What is not included in the tour price? The land price does not include air travel, airline fees, airport or departure taxes, transfers, visas, customary end-of-trip gratuities for your Tour Manager, driver, local guides, hotel housekeepers, cruise ship waitstaff, and any incidental charges.

late bookings

Do you accept late bookings? Tour sales normally close 7 days prior to departure. All late bookings are on request and must be guaranteed with a credit card if within 60 days of departure date.

on-tour experience

Where do I meet my Tour Manager? Your tour will begin at your first hotel. The Tour Manager will make contact with you at the hotel and will provide details relating to your tour. The hotel's address and phone number will be included in your documents.

Can I prepurchase optional excursions/activities? Yes, the majority of optional excursions and activities are available for advance purchase for applicable tours provided that you make your options purchase prior to 15 days of the tour departure. Collette makes it convenient to reserve presold options by visiting our website for a full listing of activities and excursions or when your reservation is made with our reservations staff. In addition, there are benefits to prepurchasing options including a price guarantee once your tour is paid in full. So, while the cost of an optional activity may change from the time you book your tour, once payment is received in full, your preselected options are guaranteed by Collette at their original price. Although you can still purchase options while on tour, reserving them ahead of time ensures you a spot in the event that the activity sells out. Collette will provide a refund if you cancel a presold option prior to tour departure. Any presold options canceled while on tour are nonrefundable.

revisions/changes

Would my tour date ever be changed? While it is unlikely, Collette does reserve the right to cancel a tour prior to departure. Should this happen, Collette will make every effort to put you on another departure date. If an alternate cannot be found, a full refund will be made. Air booked through Collette will be protected. We cannot be held responsible for penalties incurred if you have secured your own air.

Can I make changes to my reservation? Should you decide to change your reservation after initial booking, a handling fee of \$25 per transaction will be charged. A change of tour date, tour itinerary or passenger name, within the guidelines of the cancellation policy, will be treated as a cancellation and regular cancellation fees may apply.

Revisions to air tickets are subject to the rules and regulations of the airline. See our Cancellation Policy for more details.

tour pacing

How can I be best prepared for the pacing and physical requirements on a Collette tour? Tour pacing varies by itinerary, and each destination's sightseeing and activities are unique. Pacing is subject to personal interpretation. At Collette, we do include the best a destination has to offer, enhancing your overall tour experience. For overnight pacing of a tour, as well as day-by-day descriptions of the tour, please refer to our website.

The Tour Activity Level Ranking is featured on each tour itinerary webpage in a circle. The definition of each activity level is listed here. If you have additional questions regarding a specific tour, please inquire at time of reservation. For your comfort, we recommend packing comfortable walking shoes so you can fully enjoy every aspect of your tour.

Level 1: You're a leisurely traveler. You like to discover the energy of a new place, but typically take it easy. You can handle at least one flight of stairs, board a coach, and walk for 15-30 minutes at a time with little difficulty.

Level 2: You like a balanced approach to travel. You feel confident walking at least 30-45 minutes at a time over a variety of terrains – from cobblestone

streets to easy straightaways to a couple hills or flights of stairs. You're comfortable walking a few city blocks at a time, but need some time to unwind and relax.

Level 3: You're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (1-2 hours) isn't a big deal. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, zodiac, etc.), and could possibly anticipate changes in elevation. You can expect some longer days balanced with free-time to recharge or set out on your own adventure.

Level 4: You're ready to seize the day, whatever it may bring. You lead an active life at home (walking, biking, and hiking are things you may enjoy) and few thousand steps a day isn't out of the norm. You can handle longer walking tours (more than 90 minutes), traversing dusty or uneven terrain, standing for periods of time, varying altitudes and temperatures, and don't mind being on the go with some early starts, late-night experiences, and full days. Unfortunately, this level is not appropriate for individuals who use wheelchairs or walkers.

transfers

Are airport and hotel transfers available? Roundtrip airport-to-hotel transfers are provided for all passengers who purchase airfare through Collette. These transfers also apply to pre- and post-night stays purchased through Collette. Passengers who do not purchase airfare through Collette can purchase transfers (for the first and last day of the tour) at an additional cost of \$100 per person, roundtrip. Some restrictions may apply. All transfers leave at prescheduled times.

What is Roundtrip Home to Airport Sedan Service? It's your ticket to and from the airport. This service is available for all air-inclusive tour bookings. This personalized service is included in many U.S. cities within a 50 mile radius from more than 90 airport gateways.* Service is available between 51 and 75 miles for a small fee. Not valid on group travel.

*One transfer per room booking. Additional stops are not permitted on route.

the Collette Passport Club

What is the Collette Passport Club? Collette Passport Club members receive a \$150 travel credit for each trip they take* along with various other benefits.

*Full credit is valid for your next tour when travel is completed within 12 months of the original trip. \$100 of the credit remains valid for travel within 13-24 months. Credit expires 24 months after the original trip.

Neither Collette nor its personnel, nor its suppliers, may physically lift or assist clients into transportation vehicles. If a traveler thinks he or she might need assistance during a trip, he or she should call Collette to determine what assistance might reasonably be given. Motorcoach Washrooms

Seat Rotation

Seats are rotated onboard the coach for all Collette tours under the direction of the tour manager. So that we do not show partiality among passengers, exceptions cannot be made.

Maps and Photos

Maps shown on tour pages are current at the time of printing and may not reflect actual tour routing should the tour change. Photos shown on tour pages are reflective of the area(s) visited, but may not be included in the actual tour itinerary and the conditions you experience may be different than depicted in the photograph(s).

Baggage Disclaimer

Although every effort is made to handle passengers' luggage as carefully as possible, Collette is not responsible for and does not assume liability or accept claims for loss of or damage to luggage due to breakage, theft or wear and tear through hotel and group carrier handling. It is recommended for your own self-interest and protection that you have adequate insurance to cover these eventualities.

There are limitations by coach and air carrier as to the number and size of bags which can be carried onboard and in bulk storage. Be sure to ask your travel professional about such restrictions before departing for your tour.

Checked Baggage Charges:

Some airlines may impose additional charges if you choose to check any baggage. Consumer Protection Plans

Collette is a member of the following organizations: the National Tour Association, the United States Tour Operators Association, the Alliance of Canadian Travel Associations, the Travel Industry Council of Ontario, and the Association of British Travel Agents. Some of these associations operate a consumer protection plan to cover deposits placed with any tour operator member.

Collette is proud to be a member of USTOA (United States Tour Operators Association), an association that represents the tour operator industry. The USTOA logo on our brochures signifies that Collette is a member in good standing and is backed by their \$1 Million Travelers Assistance Program. Collette, as an Active Member of USTOA, is required to post \$1 million with USTOA to be used to reimburse, in accordance with the terms and conditions of the USTOA Travelers Assistance Program, the advance payments of Collette customers in the unlikely event of Collette's bankruptcy, insolvency or cessation of business. Further, you should understand that the \$1 million posted by Collette may be sufficient to provide only a partial recovery of the advance payments received by Collette. Complete details of the USTOA Travelers Assistance Program may be obtained by email to information@ustoa.com or by visiting their website at www.ustoa.com.

Collette is pleased to give this additional protection to our clients.

Collette's Travel Protection Plan

The following is an outline of the Non-Insurance Pre-Departure Cancellation Fee Waiver, Insurance Benefits and non-insurance assistance services that make up the Travel Protection Plan.

Part A Waiver Only provided by Collette Travel Service, Inc.: The Pre-Departure Cancellation Fee Waiver is provided by Collette, is not an insurance benefit and is not underwritten by United States Fire Insurance Company. Payment of a per person Travel Protection Plan fee guarantees a full refund of all payments (including deposit), except the Travel Protection Plan fee itself, made to Collette for travel arrangements in case of cancellation of your travel plans for any reason prior to the day of departure. The Cancellation Fee Waiver reimburses airline tickets you have purchased from Collette.

Exception: If you originally purchased Instant Purchase airline tickets, this Part A Travel Protection Plan does not provide a refund for the airline tickets, taxes or fees, in the event of a cancellation. This air ticket may be covered by Collette's Travel Protection Plan under Part B, if you cancel your trip for covered reasons (see Part B for more details).

The Part A Waiver portion of Collette's Travel Protection Plan protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. The Part A Waiver portion of the Travel Protection Plan does not indemnify you from penalties if you choose to cancel partial tour components or air. If you choose to partially cancel your tour, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation.

For Residents of MN, MO, NY and WA Only: The Pre-Departure Cancellation Fee Waiver (Part A) can be purchased separately without the purchase of the Travel Protection Plan. Contact Collette at 1-800-832-4656 in order to purchase the Pre-Departure Cancellation Fee Waiver separately.

Collette's Part A Waiver portion of the Travel Protection Plan does not reimburse any single supplement charges which arise from an individual's traveling companion electing to cancel for any reason prior to departure. In this case, the single supplement will be deducted from the refund of

the person who cancels. (However, the Part B Benefits referenced below include a single supplement benefit for certain covered reasons, as detailed in Part B.) Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement.

Your payment for the Travel Protection Plan (if chosen) must be received by Collette with your deposit. The fee is non-refundable, nontransferable and valid for each applicant only.

Collette can assume no responsibility for and cannot be held liable for any wrongful, negligent or unauthorized acts or omissions of any travel agent or travel agency other than that of Collette Travel Service, Inc. itself, and its own employees.

To request a refund under the Part A Pre-Departure Cancellation Fee Waiver portion of the Travel Protection Plan, please call Collette and send any unused airline tickets to:
