GAUGE YOUR SPEED

Fast-tracker or leisurelypaced? Tour Activity Levels help to set expectations on tour. See the levels below and **look for these circles on the tours ahead.**

TOUR ACTIVITY LEVEL

You're a leisurely traveler. You like to discover the energy of a new place, but typically take it easy. You can handle at least one flight of stairs, board a coach, and walk for 15-30 minutes at a time with little difficulty.

TOUR ACTIVITY LEVEL 2

You like a balanced approach to travel. You feel confident walking at least 30-45 minutes at a time over a variety of terrains – from cobblestone streets to easy straightaways to a couple hills or flights of stairs. You're comfortable walking a few city blocks at a time, but need some time to unwind and relax.

TOUR ACTIVITY LEVEL 3

You're an on-the-go traveler. Walking and standing for longer periods of time (1-2 hours) isn't a big deal. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, zodiac, etc.), and could possibly anticipate changes in elevation. Expect some longer days balanced with free-time.

TOUR ACTIVITY LEVEL 4

You're ready to seize the day, whatever it may bring. You lead an active life at home (walking, biking, and hiking are things you may enjoy) and a few thousand steps a day isn't out of the norm. You can handle longer walking tours (more than 90 minutes), traversing dusty or uneven terrain, standing for periods of time, varying altitudes and temperatures, and don't mind being on the go with some early starts, late-night experiences, and full days. Unfortunately, this level is not appropriate for individuals who use wheelchairs or walkers.

What's Your Style?

What do you look for in a tour? A chance to unpack just once and stay awhile? Some must-sees paired with local engagements? Sailing the most stunning waterways in the world?

We've got a tour for that.

June - October 2023 March - May 2024 (featured itinerary)

*Itinerary featured is for June 2023 – May 2024 tour departures. Departures prior to this date may vary. Please confirm at time of reservation.

See this tour online for available departure dates and pricing.

This trip requires a passport. Effective for travel after November 2023, all visitors who do not need a visa to enter Europe will be expected to apply for an ETIAS travel authorization, for a fee, when visiting a Schengen Area Country. To identify Schengen Area Countries and to complete the ETIAS application, please visit https://www.etiasvisa.com/. Our air passengers will arrive into Milan and depart from Venice. Airport transfers are available for purchase. Most museums in Florence are closed on Mondays, including the Academy Gallery and the Uffizi, and require reservations to access. We suggest you book a ticket online if you plan to visit the Academy or the Uffizi during your free time in Florence. In the event of adverse weather conditions, the dinner at Isola dei Pescatori may be held at your hotel instead. Note that villas in Tuscany are dotted throughout the region and we use different properties on this program. Some may be located in the countryside, removed from a city center. Still others may be closer to the hustle and bustle of the region. In order to fully experience the destination, some of our hotels on these programs are located in smaller towns or on country roads where access is limited to large coaches. In these cases, you will be dropped off as close as possible and there will be a short walk to access the hotel from the drop-off area. On occasion, due to inclement weather, your boat trip to Murano Island may be substituted with a visit to a local glass factory in Venice. Isola Bella and the Borromeo Palace are open from April 1 to October 31. If you are travelling between November 1 and March 31, you will enjoy a scenic cruise of the Borromean Islands and a visit to Pallanza village instead. If you are in Lake Maggiore from April 1-15 the Borromeo Palace might be closed mid-week. You should expect large crowds in the Cinque Terre, San Gimignano, Florence and Venice. For the Cinque Terre excursion, agility is required to board trains that require the ability to climb 3 one-foot-tall steps holding on to railings and agility boarding local ferry boats when available. Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in historic areas such as the Cinque Terre villages, Siena, San Gimignano, Venice, and Florence which requires a minimum 2.5 miles of walking over flat but cobblestoned streets with narrow sidewalks. If you require a walker or wheelchair, or have difficulty walking, you may not be able to access some of these areas and may want to consider an alternate program with us. Our travel counselors can provide additional information or assistance to help you determine the perfect trip for you.

Agility is required for boarding the gondola boats in Venice and the pontoon boat in the Po Delta. The visits to the underground Labyrinth of Porsenna in Chiusi and to the Catacombs in Rome require negotiating 3 to 4 flights of steps and may not be suitable for people suffering from claustrophobia. If you require a walker or wheelchair, or have difficulty walking, you may not be able to access some of these areas and may want to consider an alternate program with us. Due to tour scheduling, arrival flights should arrive prior to 10:00 a.m. The northern lights are in the Northern Hemisphere from September through April and are only visible when the sky is clear and free of clouds. As this tour is weather dependent, sightings of the northern lights are not guaranteed. Icelandic breakfasts are continental; included dinners are of a simpler nature due to the remote locations of the restaurants. Coaches which may not be lavatory equipped may be used on this program. In this case, stops are made during travel periods. Due to the remoteness of the sites we visit, the travel time between restrooms may be up to 2 hours. The northern lights cruise is weather dependent and may be postponed or cancelled in the event of adverse weather or sea conditions. This tour takes place in the winter. You can expect varying weather conditions with brisk days and limited daylight. We seek to best utilize your time while on tour; to account for the potential for adverse weather, some activities or days may need to be altered, shifted, or cancelled. In addition, museum visits and shopping may be affected by observance of religious or local holidays. While you are searching for the northern lights, you will be walking and waiting outdoors. It is recommended that you wear sturdy non-slip snow footwear and warm clothing including thermals, hat, scarf and gloves. Most natural sites such as waterfalls, beaches, and lava fields require walking on unpaved, uneven surfaces rendered slippery by ice and rain. Sturdy footwear and ice crampons are required if you plan to walk in these areas or approach the waterfalls.

See this tour online for available departure dates and pricing.

This trip requires a passport and a visa. Our air passengers will arrive into and depart from Istanbul. Airport transfers are available for purchase. The internal flight between Kayseri and Istanbul is not included in the cost of your tour and must be arranged by us. The exact flight time may vary from early morning to mid-afternoon. In some cases, your visit to the Grand Bazaar may be moved to Day 3. Some of our hotels on these programs are located in smaller towns or on country roads where access is limited to large coaches, in which case you will be dropped off as close as possible and there will be a short walk to access the hotel from the drop-off area. If traveling during the month of Ramadan, please note that the order of some features may vary and that some meal experiences may be replaced with meals in the hotel instead of local restaurants/venues. Ramadan observances are from March 10-April 10, 2024. Modest attire is required for visiting religious sites. Mosque visits require removing your shoes. We recommend wearing or bringing a pair of socks to use during the Mosque visits. Women will have to cover their heads with a scarf and wear long skits or trousers, while men will need to wear trousers or shorts that fall below the knee. The natural pools of Pamukkale's "Cotton Castle" are visible from a viewpoint. Due to the reduction in the strength of the natural water spring, only about 15% of the pools have water in them. Accessing the pools requires the ability to walk barefoot on wet, slippery limestone. Due to the fragile nature of the limestone, the use of any kind of shoes is forbidden. We suggest bringing a towel with you if you plan to access the pools. Bathing in the pools is not allowed. If you choose the Cleopatra Antique Pools, please note that the admission includes access to changing rooms with lockers and showers You are responsible for bringing your own towel and bathing suit. Swimming stops will be made weather permitting. Swimming stops from the boat require the use of a pool ladder to enter and exit the water. If joining the optional hot air balloon ride you will depart the hotel around 5AM and return in time for breakfast, prior to joining the tour group for your included activities. Agility is required for climbing into and out of the balloon's basket. The balloon ride is subject to wind and weather conditions. The option is available for sale only prior to the tour and must be purchased no later than 30 days prior to departure. When demand exceeds availability the hot air balloon operators retain the right to cancelling reservations even when previously confirmed. If this situation should occur, you will be refunded. This tour is not exclusive to Collette travelers and therefore you may be with passengers from other tour companies. Please note the Whirling Dervishes ceremony is a religious ceremony (not a performance) and photography will not be permitted, though the Dervishes may linger for pictures afterwards. Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in historic areas. In particular, the sightseeing in Istanbul on Days 3 and 4 requires a minimum of 2 miles of walking per day. You will be walking over cobblestoned streets with narrow sidewalks, at time uphill. At the archeological sites of Pergamon, Ephesus, and Kaunos and in Cappadocia, many activities require walking on uneven, unpaved terrain, often with loose stones. Visiting sites such as the Underground City and the Göreme Open-Air Museum require climbing and descending steep staircases and/or ramps with limited to no help from handrails. Some of these visits may not be suitable for people suffering from claustrophobia. Agility is required for boarding the boats for your included tours on days 4, 9, 10. If you require a walker or wheelchair, or have difficulty walking, you will not be able to access some of these areas and may want to consider an alternate program with us. Our travel counselors can provide additional information or assistance to help you determine the perfect trip for you.

Consumer Protection Plans

Collette is a member of the following organizations: the National Tour Association, the United States Tour Operators Association, the Alliance of Canadian Travel Associations, the Travel Industry Council of Ontario, and the Association of British Travel Agents. Some of these associations operate a consumer protection plan to cover deposits placed with any tour operator member.

Collette is proud to be a member of USTOA (United States Tour Operators Association), an association that represents the tour operator industry. The USTOA logo on our brochures signifies that Collette is a member in good standing and is backed by their \$1 Million Travelers Assistance Program. Collette, as an Active Member of USTOA, is required to post \$1 million with USTOA to be used to reimburse, in accordance with the terms and conditions of the USTOA Travelers Assistance Program, the advance payments of Collette customers in the unlikely event of Collette's bankruptcy, insolvency or cessation of business. Further, you should understand that the \$1 million posted by Collette may be sufficient to provide only a partial recovery of the advance payments received by Collette. Complete details of the USTOA Travelers Assistance Program may be obtained by email to information@ustoa.com or by visiting their website at www.USTOA.com.

Collette is pleased to give this additional protection to our clients.

Collette's Travel Protection Plan

The following is an outline of the Non-Insurance Pre-Departure Cancellation Fee Waiver, Insurance Benefits and non-insurance assistance services that make up the Travel Protection Plan.

Part A Waiver Only provided by Collette Travel Service, Inc.: The Pre-Departure Cancellation Fee Waiver is provided by Collette, is not an insurance benefit and is not underwritten by United States Fire Insurance Company. Payment of a per person Travel Protection Plan fee guarantees a full refund of all payments (including deposit), except the Travel Protection Plan fee itself, made to Collette for travel arrangements in case of cancellation of your travel plans for any reason prior to the day of departure. The Cancellation Fee Waiver reimburses airline tickets you have purchased from Collette.

Exception: If you originally purchased Instant Purchase airline tickets, this Part A Travel Protection Plan does not provide a refund for the airline tickets, taxes or fees, in the event of a cancellation. This air ticket may be covered by Collette's Travel Protection Plan under Part B, if you cancel your trip for covered reasons (see Part B for more details).

The Part A Waiver portion of Collette's Travel Protection Plan protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. The Part A Waiver portion of the Travel Protection Plan does not indemnify you from penalties if you choose to cancel partial tour components or air. If you choose to partially cancel your tour, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation.

For Residents of MN, MO, NY and WA Only: The Pre-Departure Cancellation Fee Waiver (Part A) can be purchased separately without the purchase of the Travel Protection Plan. Contact Collette at 1-800-832-4656 in order to purchase the Pre-Departure Cancellation Fee Waiver separately.

Collette's Part A Waiver portion of the Travel Protection Plan does not reimburse any single supplement charges which arise from an individual's traveling companion electing to cancel for any reason prior to departure. In this case, the single supplement will be deducted from the refund of the person who cancels. (However, the Part B Benefits referenced below include a single supplement benefit for certain covered reasons, as detailed in Part B.) Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement.

Your payment for the Travel Protection Plan (if chosen) must be received by Collette with your deposit. The fee is non-refundable, nontransferable and valid for each applicant only.

Collette can assume no responsibility for and cannot be held liable for any wrongful, negligent or unauthorized acts or omissions of any travel agent or travel agency other than that of Collette Travel Service, Inc. itself, and its own employees.

To request a refund under the Part A Pre-Departure Cancellation Fee Waiver portion of the Travel Protection Plan, please call Collette and send any unused airline tickets to:

Making a better world... together

Collette travelers – you know that this world is amazing; it's why exploring it drives you every day. Caring for this world, and protecting it matters to us all.

Travelers participate in on-tour experiences that support the communities we visit and the locals who live there. Travelers take carbon-neutral land tours with us as well, with our small group Explorations style. Collette employees volunteer in local communities. We support organizations doing amazing work through grants from our nonprofit, **The Collette Foundation.** From hunger and education to sustainable travel and carbon offsetting (and so much more!), we have big goals. There's a lot of work to do.

Thank you for blazing this trail with us. Together, let's make a better world. Collette is honored to earn these awards:
