So why don’t we travel more often?”

MAKE MOMENTS *your souvenirs*

Travel affords us such enriching experiences. It reveals new cultures. It ignites a sense of adventure within us. And, it has the power to humble us. As you look out over the serene, emerald waters of Ha Long Bay, zip line your way through Costa Rican cloud forests, or embrace the artful dance of tango in Buenos Aires, you'll realize that moments like this are really what matter in travel – and in life.

It's time to make moments like these yours.
The only question is: what are you waiting for?

NEW TRAVEL TRENDS

uncovering PETRA'S LEGACY

Inhabited since prehistoric times, Petra is an archeological wonder. The city appears as if it had emerged straight from the rock bed – and it practically did. Half built and half carved, Petra's landscape is a perfect union of wind-hewn desert and chiseled feats of architecture. The city has served as a crossroads between the Red Sea and the Dead Sea and has been a part of trade routes since its creation. Within that time, the people of Petra absorbed rich traditions that are as vibrant and storied as the sandstone landscapes it's comprised of.

One such tradition Petra's Bedouin women have kept up over

generations is the crafting of *kilims*, or woven rugs. With homemade looms and wooden spindles, the women weave intricate patterns into functional – and beautiful – rugs based on Byzantine designs. On the new Journey through Egypt & Jordan tour, you'll be introduced to a local women's rug weaving cooperative known as the Bani Hamida Women's Weaving Project. Here, you'll peruse the rugs and learn about how these women artisans are helping to provide for their family while preserving their unique heritage. It's a way to connect authentically with locals and leave a positive impact on this beguiling place – a travel trend we can all get behind.

GET TO KNOW *our tour managers*

Ian Pletzer, Tour Manager weighs in on the jungles, cultures and wildlife you'll find in *south africa*

MEET *ian pletzer*

collette tour manager for **2 years**

favorite country to travel to:
**ANYWHERE I CAN GO
ON SAFARI**

What made you choose the adventurous life of a Tour Manager? I love the flexibility of being a Tour Manager as well as seeing the beautiful sights of my region at different times of the year through the different eyes of our travelers.

What makes you unique as a Tour Manager?

I think my expertise and personal experience on safari is something unique that I get to share with guests. My father first took me to Botswana on safari 35 years ago. We ran out of gas, camped in the wild, hyenas stole our cooler filled with food and there was nobody else in the park to help. It was definitely an adventure! While that experience might have scared others, it only made me want to explore Africa even more.

What's a must-try experience on tour? For those adventurous eaters, I recommend trying mopane worms, a South African delicacy. The mopane worm is actually a caterpillar of a species of the emperor moth. They are very nutritious and in many rural areas of Africa, mopane worms are a staple food item.

What's your go-to Tour Manager "fun fact?"

We have some of the most delicious wine in South Africa, and I like to tell our guests about Route 62 – the longest wine route in the world. Apparently it is modeled after Route 66 in the United States, but we like to say it's better because you'll get to see stunning scenery and drink wine along the way.

Ian's top 3 travel tips

VIETNAMESE *street food*

A *can't miss* culinary experience

In Vietnam, those who are in the know know that some of Vietnam's tastiest, most authentic dishes are found on its humble streets. Street food is this Southeast Asian country's culinary equalizer where you'll find men in sharp suits dining alongside locals in flip flops and shorts. As you make your way through Vietnam's food stalls, here are some staple dishes to seek out and savor:

Bún chả

VIETNAMESE BBQ

Follow the scent of barbequing meat in any urban area, and you're almost sure to find Bún chả. Grilled pork patties and sliced marinated pork belly are served up with a bowl of broth, green veggies, and rice noodles. It's a staple of the lunchtime rush for a reason.

Bánh mì

VIETNAMESE SANDWICH

When Vietnam was under French colonial rule, they made their own version of the baguette with wheat and rice flour, and the Bánh mì was born. The crispy roll is filled with roast pork, pickled veggies, and soy sauce.

Bánh tét

BANANA AND STICKY RICE DESSERT

Bánh tét is the perfect sweet treat after a long day of exploring. Banana and sweet red beans are rolled up into a banana leaf with sticky rice, and thrown onto a grill. Once it's pulled off, it's cut into slices and dished out with a side of coconut milk custard, and dusted with sesame seeds.

Cà Phê Sữa

VIETNAMESE COFFEE

The Vietnamese people love to drink coffee. Their preferred method of brewing a cup is the "drip" method. Add in some condensed milk and pour it over ice or drink it hot and you've got a delicious beverage that'll keep you energized all day.

Savor some *scrumptious* street food

FREQUENTLY ASKED *questions*

accommodations

What is the difference between a twin room and a double room?

In certain countries, hotel rooms tend to be smaller than U.S. standard accommodations. A double room is designed to accommodate two people, but may not have two separate beds. A twin bedded room has two separate beds of any size, and is the type most commonly utilized.

What size is a triple room? A triple room is the same size as a twin bedded room and beds will accommodate three people, but we cannot guarantee that there will be three separate beds. If there are only two beds, a rollaway may be requested but cannot be guaranteed due to size of room and fire codes. Please inquire at time of reservation.

Can my children travel on tour? Children over the age of 5 may travel on a Collette tour accompanied by an adult. Child land rates are valid for ages 5-12, sharing a room with two full-paying adults.

Are single and triple rooms always available? On many tours, triple and single accommodations are limited and are available on a first come, first served basis. Be advised that single rooms are often smaller.

When can I check into my hotel? Normal check-in time is late afternoon in most locations. Due to early arrival times into some cities, rooms may not always be available for immediate check-in.

air

Can Collette book our airline reservations? Collette is happy to assist you in accommodating your flight needs. Due to tour scheduling and limited availability, you are strongly encouraged to take advantage of Collette's air packages. We are not responsible for air arrangements you have made on your own. On occasion, it is necessary to change tour dates. In this case, we can only protect air reservations booked through Collette. For all air reservations, it is strongly recommended to reconfirm flights before departure, in the event that the airline has an unexpected schedule change. We cannot assume responsibility for schedule changes, routings or flight cancellations involving the airlines. Not all airlines offer pre-assigned seats. Some charge a fee for seats which will be at the guests' expense. Where pre-assigned seats are not offered, the guests must contact the airline directly to arrange seat assignments.

attractions & sightseeing

Are attractions always available? Access to some attractions or Collette Foundation sites may be affected by the observance of holidays, weather conditions or other circumstances. As a result, the days and order of sightseeing may change to best utilize your time on tour. Boat rides are weather permitting. Some attractions may not be available during the "off-season" months. When attractions are unavailable, other similar attractions will be substituted. Wildlife sightings are not guaranteed.

Is there a lot of walking on tour? We pride ourselves on bringing travelers the very best experiences a destination offers. Our itineraries include many activities and may consist of walking on uneven terrain or significant walking at times. Some of the most unique sightseeing can mean accessing locations that restrict motorcoaches, especially in historic areas. Some hotels/lodges in remote locations may not have elevators. For your comfort, we recommend bringing walking shoes. Review each tour's "Tour Activity Level" and "Tour Pacing" (pg 103) for details.

Can you tell me more about the safaris? In order to most fully experience the wildlife, you will be traveling by custom-built safari vehicle which requires climbing in and out frequently and sometimes travels on bumpy roads. To experience Africa fully, we recommend that all travelers be in reasonably good health and prepare properly.

How can I plan for shore landings? Special clothing is required for the shore landings (Antarctica, Galapagos); please refer to your predeparture documents for important details.

Are all theater performances suitable for children? Some theater performances may be unsuitable for children – consult your Tour Manager.

documentation

Do I need a passport? Government-issued identification is required for all air travel. A valid passport is required for all trips outside the USA. All passengers should check with the appropriate foreign consulate for entry and validity requirements. We recommend that your passport has six months validity, and at least 3 blank pages. Passports and visas are the responsibility of each client.

International Borders Any child under age 16 (traveling without a parent or legal guardian to Canada) must have written permission from a parent or legal guardian.

Please be advised that if you have been convicted of an offense, or have committed a criminal act that is an offense under the laws where it occurred and would be an offense in Canada, you may be inadmissible into Canada. You will need to apply for a Minister's Permit of Approval of Rehabilitation at a Canadian Consulate. All other travelers should contact the appropriate consulate for entry requirements in other international destinations.

In South Africa, children are required to have a passport as well as additional documentation to travel with you into and out of the country. Please consult the South African Embassy for the current specific requirements related to your travel dates.

If travelling internationally with a child under the age of 18, please check directly with the airline for the legal documentation that is required. It is the sole responsibility of the guest to procure the proper documentation to travel and many requirements vary by airline and destination.

Collette will not be responsible for costs incurred for missed flights or canceled tours where a guest fails to secure proper documentation.

extending your stay

Can I extend my tour to see more of a region? Yes! You may enhance your tour by purchasing either an extension or pre/post hotel stays, offered on select tours. Extensions may be "hosted" rather than escorted. When hosted, passengers will be greeted upon arrival by a local tour manager who will provide all included services and be available on-call during the duration of the extension. A minimum number of passengers may be required to operate some extensions. Extensions not purchased at time of deposit are subject to availability and applicable charges at time of request.

Collette also offers pre and post hotel nights before and/or after a tour for you to explore the destination independently. Should you purchase additional nights, please be advised that your Tour Manager will not be available during this time.

extras

What is not included in the tour price? The land price does not include air travel, airline fees, airport or departure taxes, transfers, visas, customary end-of-trip gratuities for your Tour Manager, driver, local guides, hotel housekeepers, cruise ship waitstaff, and any incidental charges.

late bookings

Do you accept late bookings? Tour sales normally close 7 days prior to departure. All late bookings are on request and must be guaranteed with a credit card if within 60 days of departure date.

on-tour experience

Where do I meet my Tour Manager? Your tour will begin at your first hotel. The Tour Manager will make contact with you at the hotel and will provide details relating to your tour. The hotel's address and phone number will be included in your documents.

Can I prepurchase optional excursions/activities? Yes, the majority of optional excursions and activities are available for advance purchase for applicable tours provided that you make your options purchase prior to 15 days of the tour departure. Collette makes it convenient to reserve presold options by visiting our website for a full listing of activities and excursions or when your reservation is made with our reservations staff. In addition, there are benefits to prepurchasing options including a price guarantee once your tour is paid in full. So, while the cost of an optional activity may change from the time you book your tour, once payment is received in full, your preselected options are guaranteed by Collette at their original price. Although you can still purchase options while on tour, reserving them ahead of time ensures you a spot in the event that the activity sells out. Collette will provide a refund if you cancel a presold option prior to tour departure. Any presold options canceled while on tour are nonrefundable.

revisions/changes

Would my tour date ever be changed? While it is unlikely, Collette does reserve the right to cancel a tour prior to departure. Should this happen, Collette will make every effort to put you on another departure date. If an alternate cannot be found, a full refund will be made. Air booked through Collette will be protected. We cannot be held responsible for penalties incurred if you have secured your own air.

Can I make changes to my reservation? Should you decide to change your reservation after initial booking, a handling fee of \$25 per transaction will be charged. A change of tour date, tour itinerary or passenger name, within the guidelines of the cancellation policy, will be treated as a cancellation and regular cancellation fees may apply.

Revisions to air tickets are subject to the rules and regulations of the airline. See our Cancellation Policy for more details.

tour pacing

How can I be best prepared for the pacing and physical requirements on a Collette tour? Tour pacing varies by itinerary, and each destination's sightseeing and activities are unique. Pacing is subject to personal interpretation. At Collette, we do include the best a destination has to offer, enhancing your overall tour experience. For overnight pacing of a tour, please refer to the "Accommodations" section on each tour page and on the tour map. These describe the number of nights you will stay in each hotel during your tour. The day-by-day descriptions will provide additional details about the number of activities included in each day.

The Tour Activity Level Ranking is featured on each tour itinerary in a circle. The definition of each activity level is listed here. If you have additional questions regarding a specific tour, please inquire at time of reservation. For your comfort, we recommend packing comfortable walking shoes so you can fully enjoy every aspect of your tour.

Level 1: At a very leisurely pace, this tour involves minimal physical activity, such as climbing some stairs, boarding a motorcoach, and walking from the hotel reception area to hotel rooms and dining areas.

Level 2: This tour requires average physical activity. You should be in good health, able to climb stairs and walk reasonable distances, possibly over uneven ground and cobblestoned streets.

Level 3: This tour includes moderate physical activity. The itinerary blends some longer days with shorter days and more leisure time. Walking tours, as well as walking slightly longer distances, up stairs or on uneven walking surfaces should be expected.

Level 4: To truly experience the program and destination, you need to be able to participate in physical activities such as longer walking tours, walking over

uneven terrain, climbing stairs and periods of standing. Some of the touring days may be longer, with select included activities occurring later in the evening.

Level 5: This tour is very active, requiring participants to be physically fit to fully enjoy all the experiences. This itinerary has more strenuous activities which may include such things as: extensive walking tours, transfers over uneven and dusty terrain, high altitudes, early morning departures, late night activities, or extreme temperatures. All conditions do not apply to all days, so please read the itinerary carefully and speak to one of our travel counselors to determine if this tour is right for you. We recommend this program to individuals who are physically fit. Unfortunately, this tour is not appropriate for individuals who use either walkers or wheelchairs. If this trip is not ideally suited for you, our travel counselors can help determine the perfect trip for you.

Airfare

For your convenience, we offer airfare for purchase with all tour packages. If you purchase an air-inclusive program, your airfare will be quoted inclusive of all fuel, taxes and fees. Your rates are subject to change until paid in full. Seats are limited and may not be available on every flight or departure date.

Instant Purchase Nonrefundable Airfare includes roundtrip airport/hotel transfers (excluding pre- or post-days and extensions). Instant Purchase nonrefundable airfare requires full payment at the time of booking. If you purchase the Travel Protection Plan, the Instant Purchase nonrefundable airfare may be covered, if you cancel your trip for a covered reason (see Part B for more details). Tickets will be issued immediately and once issued are nonrefundable, and may only be changed for a fee up to \$300 plus any difference in airfare for travel in the following 12 months; specific fees and policies may vary by airline. These tickets include an administration fee and roundtrip airport-to-hotel transfers, of which both hold no airline reissue value. Once issued, there can be no fluctuation in price due to an increase in government taxes or in airline fuel surcharges. Therefore, any such fees or airport-to-hotel transfers are not refundable under any circumstances.

Aircraft Cabin Disinsection Disclaimer

Some countries may require aircraft cabin insecticide treatment for inbound foreign flights. Information about aircraft disinsection requirements and a list of countries requiring such disinsection are available online at <http://www.dot.gov/office-policy/aviation-policy/aircraft-disinsection-requirements>.

Travelers Needing Special Assistance

You must report any disability requiring special attention to Collette at the time the reservation is made.* Collette will make reasonable efforts to accommodate the special needs of tour participants. Such participants, however, should be aware that the Americans with Disabilities Act is inapplicable outside of the United States and facilities outside the United States for disabled individuals are limited. It is strongly recommended that persons requiring assistance be accompanied by a companion who is capable of and totally responsible for providing the assistance. Neither Collette nor its personnel, nor its suppliers, may physically lift or assist clients into transportation vehicles. If a traveler thinks he or she might need assistance during a trip, he or she should call Collette to determine what assistance might reasonably be given. Collette cannot provide special individual assistance to tour members with special needs for walking, dining or other routine activities.

*To request a wheelchair accessible room on a cruise, the traveler or person sharing the room must have a recognized disability that alters a major life function and requires the use of a mobility device and the use of the accessible features provided in the wheelchair accessible stateroom.

Holiday and Museum Closures

Museum visits and personal shopping time may be disrupted due to unforeseen circumstances or many religious, state and local holidays observed throughout the world.

Motorcoach Washrooms

Most motorcoaches used on our tours are equipped with washrooms except safari vehicles, exotic locations, and some of our Explorations tours. These are typically for emergency use, as we make plenty of comfort stops, allowing you the opportunity to use public restrooms and/or stretch your legs.

Seat Rotation

Seats are rotated onboard the coach for all Collette tours under the direction of the tour manager. So that we do not show partiality among passengers, exceptions cannot be made.

Maps and Photos

Maps shown on tour pages are current at the time of printing and may not reflect actual tour routing should the tour change. Photos shown on tour pages are reflective of the area(s) visited, but may not be included in the actual tour itinerary and the conditions you experience may be different than depicted in the photograph(s).

Baggage Disclaimer

Although every effort is made to handle passengers' luggage as carefully as possible, Collette is not responsible for and does not assume liability or accept claims for loss of or damage to luggage due to breakage, theft or wear and tear through hotel and group carrier handling. It is recommended for your own self-interest and protection that you have adequate insurance to cover these eventualities. Check with your sales agent for low-cost insurance to cover these risks.

There are limitations by coach and air carrier as to the number and size of bags which can be carried onboard and in bulk storage. Be sure to ask your travel professional about such restrictions before departing for your tour.

RESERVATION *information*

Checked Baggage Charges:

Some airlines may impose additional charges if you choose to check any baggage. Please contact your airline or refer to its website for detailed information regarding your airline's checked baggage policies. Please be advised there is a \$25 USD/CAD charge (per piece) for checked baggage on most transborder flights between U.S. & Canada. This is a fee levied by the airlines, not Collette, and may be subject to change.

Explanation of Responsibilities and Tour Conditions for Collette

Each client is responsible for proper documentation and inoculations that may be required and/or recommended to participate on tour. Please contact your local travel clinic or personal physician for specific details on the destinations you are traveling to and from. If you decide to make a reservation, you acknowledge and agree that you are physically well enough to travel and understand that medical facilities may not be similar to what you are accustomed to at home. You must bring enough medication with you for the trip. Any person reserving or purchasing any Collette product published in this brochure accepts the condition that Collette reserves to itself the exclusive right to change or cancel itineraries, hotels, and other tour components whenever it is deemed necessary, including for tours designated as "guaranteed departures." If this occurs, every effort will be made to offer alternate dates and/or programs. Published times on itineraries are as accurate as possible but subject to change due to traffic, weather, mechanical and any other conditions beyond Collette's control that prevent Collette from operating as scheduled. Collette expressly disclaims any liability for any damages that may be incurred for any changes, cancellations or delays on any itinerary on any Collette tour.

All rates on foreign tours are subject to fluctuations of currency and may be changed when necessary without advance notice prior to deposit.

All rates published are per person as indicated and are based on double occupancy when only one rate is shown. Reservations will be accepted subject to availability at the time of request and will be considered confirmed only upon receipt of a minimum deposit. Child land rates are available and are valid for ages 5-12, sharing a room with two full-paying adults.

Collette does not accept liability in the case of any passenger being denied boarding by any airline carrier due to the carrier's overbooking of a flight. All cancellation charges, fees and refunds for any tour within this brochure are in effect as of the effective date as indicated on page 103 and supersede any other previously printed policies relating to these same charges.

Consumer Protection Plans

Collette is proud to be a member of USTOA (United States Tour Operators Association), an association that represents the tour operator industry. The USTOA logo on our brochures signifies that Collette is a member in good standing and is backed by their \$1 Million Travelers Assistance Program. Collette, as an Active Member of USTOA, is required to post \$1 million with USTOA to be used to reimburse, in accordance with the terms and conditions of the USTOA Travelers Assistance Program, the advance payments of Collette customers in the unlikely event of Collette's bankruptcy, insolvency or cessation of business. Further, you should understand that the \$1 million posted by Collette may be sufficient to provide only a partial recovery of the advance payments received by Collette. Collette's Travel Protection Plan

The following is an outline of the Non-Insurance Pre-Departure Cancellation Fee Waiver, Insurance Benefits and non-insurance assistance services that make up the Travel Protection Plan.

Part A Waiver Only provided by Collette Travel Service, Inc.: The Pre-Departure Cancellation Fee Waiver is provided by Collette, is not an insurance benefit and is not underwritten by United States Fire Insurance Company. Payment of a per person Travel Protection Plan fee guarantees a full refund of all payments (including deposit), made to Collette for travel arrangements in case of cancellation of your planned travel for any reason prior to the day of departure. The Travel Protection Plan fee with air only covers airline tickets you have purchased from Collette.

Exception: If you originally purchased nonrefundable airline tickets, this Part A Travel Protection Plan does not provide a refund for the airline tickets, taxes or fees, in the event of a cancellation. This air ticket may be covered by Collette's Travel Protection Plan under Part B, if you cancel your trip for covered reasons (see Part B for more details).

The Part A Waiver portion of Collette's Travel Protection Plan protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. The Part A Waiver portion of the Travel Protection Plan does not indemnify you from penalties if you choose to cancel partial tour components or air. If you choose to partially cancel your tour, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation.

For Residents of MN, MO, NY and WA Only: The Pre-Departure Cancellation Fee Waiver (Part A) can be purchased separately without the purchase of the Travel Protection Plan. Contact Collette at 1-800-832-4656 in order to purchase the Pre-Departure Cancellation Fee Waiver separately.

Collette's Part A Waiver portion of the Travel Protection Plan does not cover any single supplement charges which arise from an individual's traveling companion electing to cancel for

any reason prior to departure. In this case, the single supplement will be deducted from the refund of the person who cancels. (However, the Part B Benefits referenced below include a single supplement benefit of \$1,000 for certain covered reasons, as detailed in Part B.) Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement.

Payment of the Travel Protection Plan Fee (if chosen) must be received by Collette with your deposit. The fee is nontransferable and valid for each applicant only.

Collette can assume no responsibility for and cannot be held liable for any wrongful, negligent or unauthorized acts or omissions of any travel agent or travel agency other than that of Collette Travel Service, Inc. itself, and its own employees.

Where to Present Part A Claims

To request a refund under the Part A Pre-Departure Cancellation Fee Waiver portion of the Travel Protection Plan, please call Collette and send any unused airline tickets to:
