THE TRAVELLING WELL *experience*

OUR COMMITMENT TO YOUR well-being & enjoyment

Each guest that travels with us deserves a memorable and fulfilling travel experience. And we intend to continue to deliver on that promise. Your health, well-being, and enjoyment remain our top focus — just as they have been since we started in 1918.

Our team consults with health and security experts all around the world to ensure a healthy and enjoyable travel experience. Here are some of the steps we're taking for you.

Visit gocollette.com.au/travellingwell to learn more.

BEFORE YOUR TOUR

Pre-Tour Health Screenings

We will ask all travellers to complete a wellness declaration form before joining their tour.

Air Travel

Specific protocols will vary by airline, but standard operations typically include flight attendants wearing masks, sanitising all surfaces between flights and physical distancing. Check with your airline for specific details.

ON YOUR TOUR

Smaller Groups

Tours will operate with a number of empty seats to allow guests to space out for a more comfortable experience.

On-Tour Experiences

We work closely with our local partners to ensure adequate physical distancing during meals, experiences, and sightseeing. Guests may be rotated in smaller sub-groups when necessary.

Use of Face Coverings

Face coverings will be included with your pre-tour documents and will be required throughout many experiences on tour, including the motor coach and air travel.

Self-Screening

We will ask all travellers to monitor their health throughout their tour, with protocols in place in the event someone becomes ill.

Motor Coach

All surfaces will be sanitised often, including regular cleaning of high-touch areas with disinfecting wipes. Hand sanitiser will be available at all times and drivers will wear protective gear when appropriate.

Hotels

Specific protocols will vary from destination to destination, hotel to hotel. Overall, rooms and areas like restaurants, fitness centres, etc. will be deep-cleaned regularly, with rooms disinfected thoroughly between guests. High-traffic areas like lobbies and elevators will be cleaned hourly.

Your Tour Manager

We have employed new and enhanced hygiene & physical distancing protocols for tour managers. They are local experts and highly trained to handle a variety of unexpected situations – including illnesses and emergencies. They are also available 24/7 for guests throughout the tour should any situation arise.

Oberammergau *Passion Play 2022*

Don't miss out on this once-in-a-decade experience!

Nestled in the foothills of the Bavarian Alps, less than a two-hour drive from Munich, the quaint village of **Oberammergau** is one of Europe's most unique destinations. Every ten years, this town draws visitors from across the globe as host to what is regarded as the most important Passion Play in the world. The Passion Play, an epic event that traces Jesus' life, death and resurrection, is a moving feast of drama and music.

In 1633 soldiers returning home from the Thirty Years War brought with them the Black Plague. After much death and suffering, leaders of the community in Oberammergau came together, pledging to hold a play honouring the life of Christ every ten years. From that day forward, no additional villagers perished from the plague. The event continues today with performers all native to the village.

When you choose one of our special departures that includes the Passion Play, you'll receive your ticket and stay right in Oberammergau at a hotel conveniently located near the auditorium. The auditorium where the play will be held offers comfortable seats set on an incline, providing everyone with a good view. During a break in the performance, you'll join your fellow travellers for dinner before returning for the remainder of your Passion Play performance. **This powerful play is not to be missed.**

FREQUENTLY ASKED *questions*

accommodation

What is the difference between a twin room and a double room? A double room is designed to accommodate two people, but may not have two separate beds. A twin bedded room has two separate beds of any size, and is the type most commonly utilised.

What size is a triple room? A triple room is the same size as a twin bedded room and beds will accommodate three people, but we cannot guarantee three separate beds. If there are only two beds, a rollaway may be requested but cannot be guaranteed due to size of room and fire codes. Please inquire at time of reservation.

Can my children travel on tour? Children over the age of 5 may travel on a Collette tour accompanied by an adult. Child land rates are valid for ages 5-12, sharing a room with two full-paying adults on certain tours only. If you are travelling with a child, it is your sole responsibility to ensure the child follows all safety rules of the tour.

Are single and triple rooms always available? Triple and single rooms are limited and are available on a first come, first served basis. Be advised that single rooms are often smaller.

When can I check into my hotel? Normal check-in time is late afternoon. If you do have an early arrival, rooms may not always be available for immediate check-in.

air

Can Collette book our airline reservations? Collette is happy to assist you in accommodating your flight needs. Due to tour scheduling and limited availability, you are strongly encouraged to take advantage of Collette's air packages. We are not responsible for air arrangements you have made on your own. On occasion, it is necessary to change tour dates. In this case, we can only protect air reservations booked through Collette. For all air reservations, it is strongly recommended to reconfirm flights before departure, in the event that the airline has an unexpected schedule change. We cannot assume responsibility for schedule changes, routings or flight cancellations involving the airlines.

attractions & sightseeing

Are attractions always available? Access to some attractions or Collette Foundation sites may be affected by local holidays, weather conditions or other circumstances. As a result, the days and order of sightseeing may change to best utilise your time on tour. Boat rides are weather permitting. Some attractions may not be available during the "off-season" months. When attractions are unavailable, other similar attractions will be substituted. Wildlife sightings are not guaranteed.

Is there a lot of walking on tour? Our itineraries include many activities and some may consist of walking on uneven terrain or significant walking at times. Some of the most unique sightseeing can mean accessing locations that restrict coaches. Some hotels/lodges in remote locations may not have elevators. For your comfort, we recommend bringing walking shoes. See our "Tour Pacing" and "Tour Activity Level" section on page 95.

Can you tell me more about the safaris? For a fuller wildlife experience you will be travelling by custom-built safari vehicle which requires climbing in and out frequently and sometimes travels on bumpy roads. To experience Africa fully, we recommend a good fitness level and to prepare properly.

How can I plan for shore landings? Special clothing is required for the shore landings (Antarctica, Galapagos); please refer to your predeparture documents for important details.

Are all theatre performances suitable for children? Some theatre performances may be unsuitable for children – please consult your tour manager.

documentation

Do I need a passport? A valid passport is required for all trips. All passengers should check with the appropriate foreign consulate for entry and validity requirements as well as other laws that may affect your ability to travel. We recommend that your passport has six months validity, and at least three blank pages. Passports and visas are the responsibility of each traveller.

extending your stay

Can I extend my tour to see more of a region? Yes! You may enhance your tour by purchasing either an extension or pre/post hotel stays when offered. Extensions may be "hosted" rather than escorted. When hosted, passengers will be greeted upon arrival by a local tour manager who will be available on-call during the duration of the stay. A minimum number of passengers may be required to operate some extensions. Extensions not purchased at time of deposit are subject to availability and applicable charges at time of request.

Collette also offers pre and post hotel nights before and/or after a tour. Should you purchase additional nights, your tour manager will not be available during this time.

extras

What is not included in the tour price? The land price does not include international air travel from Australia, travel insurance, airline fees, airport or departure taxes, transfers, visas, customary end-of-trip gratuities for your tour manager, driver, local guides, hotel housekeepers, cruise ship waitstaff, government quarantine fees, and any incidental charges.

gratuities

Are gratuities included? From the 1st of January 2020, Collette is pleased to offer a pre-paid tipping option for guests travelling after 1st May 2020. This allows guests to purchase the package up to 45 days prior to departure and know that all tipping is covered.

Gratuities are not included in the tour price and should be extended on a voluntary basis. Customary gratuities have not been included for hotel housekeeping staff, local sightseeing guides, transfer drivers, motor coach drivers and Tour Managers. Gratuities should be given in direct proportion to the level of professionalism and personal service extended to you. With this in mind, we have created a guide for you:

- Tour Manager: 5-8 US Dollars (or equivalent in local currency) per person for each travel day
- Local Guide: 2-3 US Dollars (or equivalent in local currency) per person
- Motor Coach Driver: 3-5 US Dollars (or equivalent in local currency) per person for each travel day
- Hotel Housekeeping Staff: 2-3 US Dollars (or equivalent in local currency) per room per day
- Applicable gratuities for bellmen, doormen and dining room staff for group meals have been included.

late bookings

Do you accept late bookings? Yes, tour sales normally close 7 days prior to departure. Late bookings are on request and must be guaranteed with full payment if within 60 days of departure date.

on-tour experience

Where do I meet my tour manager? Our tour manager will make contact with you at your first hotel. The hotel's address and phone number will be included in your documents.

Can I pre purchase optional excursions/activities? Yes, the majority of optional excursions and activities are available for advance purchase provided that you make your options purchase 15 days or more prior to the tour start date. Collette makes it convenient to reserve presold options by visiting our website for a full listing of activities and excursions or when your reservation is made with our team. In addition, there are benefits to prepurchasing options including a price guarantee once your tour is paid in full, so once payment is received in full, your preselected options are guaranteed by Collette. Although you can still purchase options while on tour, reserving them ahead of time ensures you a spot in the event that the activity sells out. Collette will provide a refund if you cancel a presold option prior to tour departure. Any presold options cancelled while on tour are nonrefundable.

revisions/changes

Would my tour date ever be changed? While it is unlikely, Collette does reserve the right to cancel any tour prior to departure. Should this happen, Collette will make every effort to put you on another departure date. If an alternate cannot be found, **a full refund will be made.** Air booked through Collette will be protected. We cannot be held responsible for penalties incurred if you secured your own air.

Can I make changes to my reservation? Should you decide to change your reservation after initial booking, a handling fee of \$25 per transaction will be charged. A change of tour date or tour itinerary within the guidelines of the cancellation policy will be treated as a cancellation and regular cancellation fees may apply.

Revisions to air tickets are subject to the rules and regulations of the airline. See our Cancellation Policy for more details.

tour pacing

How can I be best prepared for the pacing and physical requirements on a Collette tour? Tour pacing varies by itinerary, and each destination's sightseeing and activities are unique. Pacing is subject to personal interpretation. At Collette, we do include the best a destination has to offer, enhancing your overall tour experience. For overnight pacing of a tour, as well as day-by-day descriptions of the tour, please refer to our website.

The Tour Activity Level Ranking is featured on each tour itinerary webpage in a circle. The definition of each activity level is listed here. If you have additional questions regarding a specific tour, please enquire at time of reservation. For your comfort, we recommend packing comfortable walking shoes so you can fully enjoy every aspect of your tour.

Level 1: You're a leisurely traveller. You like to discover the energy of a new place, but typically take it easy. You can handle at least one flight of stairs, board a coach, and walk for 15-30 minutes at a time with little difficulty.

Level 2: You like a balanced approach to travel. You feel confident walking at least 30-45 minutes at a time over a variety of terrains – from cobblestone streets to easy straightaways to a couple hills or flights of stairs. You're comfortable walking a few city blocks at a time, but need some time to unwind and relax.

Level 3: You're an on-the-go traveller. You don't want to miss a thing, so walking and standing for longer periods of time (1-2 hours) isn't a big deal. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, zodiac, etc.), and could possibly anticipate changes in elevation. You can expect some longer days balanced with free-time to recharge or set out on your own adventure.

Level 4: You're ready to seize the day, whatever it may bring. You lead an active life at home (walking, biking, and hiking are things you may enjoy) and few thousand steps a day isn't out of the norm. You can handle longer walking tours (more than 90 minutes), traversing dusty or uneven terrain, standing for periods of time, varying altitudes and temperatures, and don't mind being on the go with some early starts, late-night experiences, and full days. Unfortunately, this level is not appropriate for individuals who use wheelchairs or walkers.

transfers

Are airport and hotel transfers available? Roundtrip airport-to-hotel transfers are provided for all passengers who purchase airfare through Collette. These transfers also apply to pre- and post-night stays. Passengers who do not purchase airfare through Collette can purchase transfers (for the first and last day of the tour) at an additional cost from \$120 per person, roundtrip. Some restrictions may apply. All transfers leave at prescheduled times.

What is the private chauffeur service? It's your ticket to and from the airport if you purchase international air through Collette. This personalised service is included within a 40km radius from Sydney, Melbourne, Brisbane, Adelaide, Perth, Canberra, Darwin, Cairns and Hobart airport gateways.* Service is available between 41-70 kms for a small fee. Not valid on group travel.

* One transfer per room booking. Additional stops are not permitted on route.

Visit gocollette.com.au/chauffeur for a video and more details on this amazing service!

travel loyalty

What is the Collette Passport Club? Collette Passport Club members receive a \$150 travel credit for each trip they take* along with various other benefits.

† Full credit is valid for your next tour when you travel within 12 months of the original trip. \$100 of the credit remains valid for travel within 13-24 months, and the entire credit expires 24 months after the original trip.

THE PRICE OF YOUR HOLIDAY

The price of your travel arrangements has been calculated using exchange rates as at the date of advertisement of the holiday.

We reserve the right to amend the price of unsold holidays at any time and correct errors in the prices of confirmed holidays.

The price of your confirmed holiday is subject at all times to changes in transport costs such as fuel, scheduled airfares and any other airline cost changes which are part of our contracts with airlines (and their agents), cruise ship operators and any other transport provider; to cost changes arising from government action such as changes in GST or any other government imposed changes; and to changes in currency exchange rates and to dues, taxes or fees chargeable for services such as landing taxes or embarkation or disembarkation fees at ports and airports any or all of which may result in a variation of your holiday price. We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges and/or additional services or travel arrangements. You will be charged for the amount over and above that, plus an administration charge of \$25 per person together with an amount to cover agents' commission. If this means that you have to pay an increase of more than 10% of the price of your travel arrangements (excluding any insurance premiums, amendment charges and/or additional services or travel arrangements), you will have the options set out in section 9 below. There will be no change made to the price of your holiday within 30 days of your departure nor will refunds be paid during this period.

4. Cutting Your Holiday Short

If you are forced to return home early, we cannot refund the cost of any services you have not used.

If you cut short your holiday and return home early in circumstances where you have no reasonable cause for complaint about the standard of accommodation and services provided, we will not offer you any refund for that part of your holiday not completed, or be liable for any associated costs you may incur. Depending on the circumstances, your travel insurance may offer cover for curtailment and we suggest that any claim is made directly with your insurer.

5. Changes By You

If you wish to alter your booking after your holiday has been confirmed, we will try to make the necessary arrangements provided we receive written confirmation of the change from the person who signed the booking form, or your travel agent, before the date on which the final balance of the cost of your holiday is due. If you are prevented from travelling it may be possible to transfer your booking to another suitable person provided that written notice is given no later than 28 days before you are due to depart.

Whilst we will do our best to assist, we cannot guarantee that we will be able to meet your requested change. Changes and transfers will be subject to an administrative fee as well as any applicable rate changes or extra costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible. Where we are unable to assist you and you do not wish to proceed with the original booking we will treat this as a cancellation by you. A cancellation fee may be payable.

Note: Certain arrangements may not be amended after they have been confirmed and any alteration could incur a cancellation charge of up to 100% of that part of the arrangements.

6. Cancellation Waiver

To assist you to avoid cancellation fees, we offer an optional cancellation waiver policy. Payment of a per person waiver fee guarantees a full refund of all payments (including deposit), except for the waiver fee itself, in case of cancellation of your travel plans for any reason prior to the day of departure. Exception: If you originally purchased nonrefundable airline tickets, the cancellation waiver fee does not provide a refund for the airline tickets, taxes or fees, in the event of a cancellation. Tickets may only be changed for a fee up to \$300 plus any difference in airfare for travel in the following 12 months; specific fees and policies may vary by airline.

When you purchase our cancel for any reason waiver for tours departing through 31 Dec 2021, you can move your Collette tour date one time with no change fees up to 60 days before departure for most tours and up to 120 days for cruises, Antarctica, Galapagos and Oberammergau. This is valid for cancellation waivers purchased up until 31 May 2021.

The cancellation waiver protects you from forfeiting payments made in advance if you cancel your entire inclusive holiday package up to the day prior to departure. The cancellation waiver does not indemnify you from penalties if you chose to cancel partial tour components or air. If you elect to partially cancel your holiday, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation.

The cancellation waiver does not cover any single supplement charges which arise from an individual's travelling companion electing to cancel for any reason prior to departure. In this case, the single supplement will be deducted from the refund of the person who cancels. Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the cancelling client, the travelling client will be charged the remaining portion of the single supplement.

Payment of the cancellation waiver fee (if chosen) must be received by us with your deposit. The cancellation waiver is non-transferable and valid for each applicant only.

Upon cancellation of transportation or travel services where you, the customer, are not at fault and have not cancelled in violation of the terms and conditions above, you will be refunded 100%.

Note: Certain arrangements may not be amended after they have been confirmed and any alteration or cancellation could incur a cancellation charge of up to 100% of that part of the arrangements in addition to the charge above.

You may be able to reclaim these charges (less any applicable excess) under the terms of your insurance policy. We will deduct the cancellation charge(s) from any monies you have already paid to us. If some, but not all party members cancel, additional charges may be payable by the remaining members, e.g. under occupancy charges or single supplements. No allowance or refund can be made for your meals, rooms, excursions etc., included in the price of your tour but not taken, nor can any refund be made for lost, mislaid, or destroyed travel tickets or vouchers.

If any member of your party is prevented from travelling, that person(s) may transfer their place to someone else (introduced by you and satisfying all the conditions applicable to the arrangements) providing we are notified not less than 28 days before departure and you pay an amendment fee of \$25 per person transferring, meet all costs and charges incurred by us and/or incurred or imposed by any of our suppliers and the transferee agrees to these booking conditions and all other terms of the contract between us. If you are unable to find a replacement, cancellation charges as set out will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

8. Alterations And Cancellations By Us

Occasionally, we may have to make changes to or cancel your holiday arrangements and we reserve the right to do so at any time. Most of these changes will be minor and we will advise you or your travel agent of them at the earliest possible date. We also reserve the right in any circumstances to cancel your travel arrangements. For example, if the minimum number of clients required for a particular travel arrangement is not reached, we may have to cancel it. However, we will not cancel your travel arrangements less than 60 days before your departure date, except for reasons of force majeure (as defined in Section 14) or failure by you to pay your final balance. Most changes will be minor and we will advise you or your travel agent of them at the earliest opportunity. Your rights vary depending on whether we make a 'minor' or 'major' change.

Examples of "minor changes" include the following when made before departure. Any change in the identity of the carrier(s), flight timings, and/or aircraft type is deemed to be a minor change. Other examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same standard. Examples of "major changes" include the following when made before departure: a change of accommodation area for the whole or a major part of your holiday, a change of accommodation to that of a lower official classification for the whole or a major part of your holiday, a change of outward departure time or overall length of your holiday of 12 or more hours, the closure of the only or all advertised swimming pool(s) at your accommodation for an extended

period and, in the case of tours, a significant change of itinerary missing out one or more major destination substantially or altogether.

If we have to make a major change or cancel, we will tell you as soon as possible and if there is time to do so before departure, we will offer you the choice of i) (for major changes) accepting the changed arrangements ii) having a refund of all monies paid or iii) accepting an offer of alternative travel arrangements of comparable standard from us, if available (we will refund any price difference if the alternative is of a lower value). You must notify us of your choice within 7 days of our offer. If you fail to do so we will assume that you have chosen to accept the change or alternative booking arrangements.

If we make a major change or cancel, less than 60 days before departure, we will also pay compensation as detailed in section 9 below.

9. Compensation For Major Changes & Cancellations

We reserve the right to cancel or reschedule any holiday departure in accordance with operational requirements or circumstances beyond our control. If a holiday is cancelled prior to the scheduled departure date, our only responsibility will be to refund the amount received for the reservation. Wherever possible, we will offer the same holiday with a different departure date, or an alternative similar holiday. If there is a difference in cost, it will be your expense. For air-inclusive holidays, we will try to confirm air schedules for the selected new dates, subject to availability. We are not responsible for any additional costs or fees relating to the issuance and/or cancellation of air tickets or other travel arrangements not made through us.

The compensation that we offer does not exclude you from claiming more if you are entitled to do so. We will not pay you compensation where we make a major change or cancel more than 60 days before departure or in the event that we are forced to make a change or cancel as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care. All holidays operate subject to a minimum number of bookings. We will not, however, cancel for lack of numbers less than 60 days before departure.

Very rarely, we may be forced by "force majeure" (see section 14) to change or terminate your arrangements after departure. If this situation does occur, we regret we will be unable to make any refunds (unless we obtain any from our suppliers), pay you compensation or meet any costs or expenses you incur as a result.

10. Passports, Visas & Health Requirements

Passport and visa requirements vary depending on your destination. The information which we provide is for guidance only, and we cannot accept any liability. We recommend that you contact the relevant consulate to check any restrictions that may apply. Requirements do change and you must check the up to date position in good time before departure. Please contact your doctor for advice on health requirements. It is your responsibility to ensure that you have a proper passport and visa and that no personal circumstances such as a criminal offence or travel to another country will affect your individual visa requirements, and that you have the required vaccinations to gain entry to any country which you are visiting.

Most countries now require passports to be valid for at least 6 months after your return date. If your passport is in its final year, you should check with the Embassy of the country you are visiting. For further information contact the Australian Passport Office (www.passports.gov.au).

Up to date travel advice can be obtained from the Department of Foreign Affairs and Trade, visit www.dfat.gov.au or www.smarttraveller.gov.au.

If you fail to take the necessary steps, we have no liability to you and you will have to pay us any costs which we incur through helping you because of such failure on your part. Further, we are not liable to you for any illness or discomfort you suffer through failure to have required vaccinations or to follow medical advice.

11. Single Traveller Occupancy

We levy a single traveller supplement for those travelling on their own because our contract with hotels is based on a price per room, while our holidays are sold per person including flights and other elements. Therefore, the per person price for a single traveller includes the entire room cost. It is not our intention to penalise anyone who is under occupying the accommodation we provide and we certainly do not make additional or excessive profits from these sales: the price we charge merely reflects the real cost to us. If a hotel is able to offer accommodation designed for single occupancy only, we will normally charge a reduced supplement, considerably smaller than the one we apply when a single traveller occupies a double room. Allocation of rooms is at the discretion of each individual hotel and not something that we can influence.

12. Dealing With Complaints

We will make every effort to make your holiday as enjoyable and trouble free as possible. Most problems can be sorted out straight away if we know about them. If you have a complaint, you must advise our representatives straight away and the supplier of the service(s) in question. Any verbal notification must be confirmed in writing as soon as possible. You may also contact us directly using the emergency telephone number enclosed with your travel documents. That number will put you in touch with one of our employees who will take all reasonable steps to help you.

If you feel that a complaint has not been dealt with satisfactorily, you must write within 28 days of your return from holiday to: Customer Services Department, Collette, 09/46 Market Street, Sydney, NSW, 2000, Australia, quoting your booking reference number. We will need to investigate your complaint. An acknowledgement shall be sent no later than 14 days from the date of receipt of correspondence. A detailed reply, or a reply containing a detailed explanation for any delay, shall be sent no later than 28 days from the date of receipt of correspondence. The final date for dealing in full with such correspondence shall be 56 days from the date of receipt of that correspondence. Failure to follow the procedure set out in this section may reduce or even extinguish any right which you may have to compensation.

13. Behaviour

You must not behave in a way which may cause distress or annoyance to others. If, in our opinion or the opinion of any airline personnel, accommodations manager or other person in authority, you are behaving in such a way as to cause danger, distress or annoyance to others or damage to property, your holiday arrangements may be terminated by us or the supplier concerned. In this situation, our liability to you and/or

your party will cease and you and/or your party will be required to leave your accommodation or other service immediately. We will not be responsible for making any refunds, paying any compensation or meeting any costs or expenses you incur as a result. You and/or your party may also be required to pay for loss and/or damage caused by your actions and we will hold you and each member of your party jointly and individually liable for any damage or losses caused by you or any member of your party. Full payment for any such damage or losses must be paid directly to the hotel manager or other supplier prior to departure from the hotel. If you fail to make payment, you will be responsible for meeting any claims (including legal costs) subsequently made against us as a result of your actions together with all costs we incur in pursuing any claim against you. We cannot be held responsible for the actions or behaviour of other guests or individuals who have no connection with your booking arrangements or with us.

14. Force Majeure

Except where otherwise expressly stated in these booking conditions we will not be liable or pay you compensation if our contractual obligations to you are affected by any event which we or the supplier(s) of the service(s) in question could not, even with all due care, foresee or avoid. These events can include, but are not limited to war, threat of war, civil strife, terrorist activity and its consequences or the threat of such activity, riot, the act of any government or other national or local authority including port or river authorities, industrial dispute, lock closure, natural or nuclear disaster, fire, chemical or biological disaster and adverse weather, sea, ice and river conditions and all similar events outside our or the relevant supplier(s) control. Advice from the Department of Foreign Affairs and Trade to avoid or leave a particular country may constitute Force Majeure. We will follow the advice given by the Department of Foreign Affairs and Trade.

15. Liability

To the fullest extent permitted by law, we exclude any liability for any loss, death, injury or damage which you may suffer (directly or indirectly) in connection with or arising out of your participation in a holiday that is caused or contributed by:

- the act(s) and/or omission(s) of the person(s) affected;
- the act(s) and/or omission(s) of a third party unconnected with the provision of the services contracted for and which were unforeseeable or unavoidable;
- unusual or unforeseeable circumstances beyond ours or our supplier(s) control, the consequences of which could not have been avoided even if all due care had been exercised; or
- an event which either ourselves, our employees, agents or suppliers and subcontractors could not, even with all due care, have foreseen or forestalled.

You release us and our officers, employees, agents and representatives from any liability and expressly waive any claims you may have against us arising out of or in connection with your participation in a holiday.

To the fullest extent permitted by law, any condition or warranty which would otherwise be implied by law into these booking conditions (Implied Warranty), is excluded. Our liability in respect of an Implied Warranty is limited to (in our absolute discretion): (i) providing you with credit for a holiday of an equivalent value; or (ii) a refund of the total amount received by us from you in connection with your booking.

16. Prompt Assistance In Resort

If the contract we have with you is not performed or is improperly performed as a result of failures attributable to a third party unconnected with the provision of the services, or as a result of failures due to unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised, or an event which we or our suppliers, even with all due care, could not foresee or forestall, and you suffer an injury or other material loss, we will offer you such prompt assistance as is reasonable in the circumstances.

17. Conditions Of Suppliers

Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions which will form part of your contract with us. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable International Conventions. Copies of the relevant parts of these terms and conditions are available on request from ourselves or the supplier concerned.

18. Delays And Other Travel Information

If you or any member of your party miss your flight or other transport arrangement, it is cancelled or you are subject to a delay of over 3 hours for any reason, you must contact us and the airline or other transport supplier concerned immediately.

Where you experience a delay which is not owing to any failure by us, we will use reasonable endeavours to assist in locating refreshments, accommodation and communications but we will not pay for them on your behalf. Any airline or other transport supplier may however pay for or provide refreshments and/or appropriate accommodation and you should make a claim directly to them.

Subject to the other terms of these conditions, we will not be liable for any costs, fees or charges you incur in the above circumstances, if you fail to obtain our prior authorisation before making your own travel arrangements.

We cannot accept liability for any delay which is due to any of the reasons set out in section 14 of these booking conditions (which includes the behaviour of any passenger(s) on any flight who, for example, fails to check in or board on time).

The carrier(s), flight timings and types of aircraft shown in this brochure or on our website and detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. We shall inform you of the identity of the actual carrier(s) as soon as we become aware of it. The latest flight timings will be shown on your tickets which will be despatched to you approximately two weeks before departure. You should check your tickets very carefully immediately on receipt to ensure you have the correct flight times. If flight times change after tickets have been dispatched we will contact you as soon as we can to let you know.

This brochure is our responsibility, as your tour operator. It is not issued on behalf of, and does not commit the airlines mentioned herein or any airline whose services are used in the course of your travel arrangements.

19. Special Requests

Any special requests must be advised to us at the time of booking e.g. diet, room location, a particular facility at a hotel etc. You should then confirm your requests in writing. Whilst every effort will be made by us to try and arrange your reasonable special requests, we cannot guarantee that they will be fulfilled. We will inform the relevant supplier of such request. The fact that a special request has been noted on your confirmation invoice or any other documentation or that it has been passed on to the supplier is not confirmation that the request will be met. Failure to meet any special request will not be a breach of contract on our part unless the request has been specifically confirmed. We do not accept bookings that are conditional upon any special request being met.

20. Disabilities And Medical Problems

We are not a specialist disabled holiday company, but we will do our utmost to cater for any special requirements you may have. If you or any member of your party has any medical problem or disability which may affect your stay, please provide us with full details before we confirm your booking so that we can try to advise you as to the suitability of your chosen arrangements. We may require you to produce a doctor's certificate certifying that you are fit to participate in the tour. Acting reasonably, if we are unable to properly accommodate the needs of the person(s) concerned, we will not confirm your booking or if you did not give us full details at the time of booking, we will cancel it and impose applicable cancellation charges when we become aware of these details.

21. Advance Passenger Information

A number of Governments are introducing new requirements for air carriers to provide personal information about all travellers on their aircraft before the aircraft leaves the country of origin. The data will be collected either at the airport when you check in or in some circumstances when, or after you make your booking. Accordingly, you are advised to allow extra time to check in for international flights.

22. DFAT Advice

You are responsible for making yourself aware of warnings issued by the Department of Foreign Affairs and Trade in regard to the safety of the countries and areas in which you will be travelling and to make your decisions accordingly. Advice from the Department of Foreign Affairs and Trade to avoid or leave a particular country may constitute Force Majeure (see section 14).

23. Law & Jurisdiction

These booking conditions and any agreement to which they apply are governed in all respects by the laws of New South Wales, Australia. We both agree that any dispute, claim or other matter which arises between us out of or in connection with your contract or booking will be dealt with by the Courts of New South Wales only.

24. Accuracy Of Prices & Information

We endeavour to ensure that all the information and prices both on our website and in our brochures are accurate, however occasionally changes and errors occur and we reserve the right to correct prices and other details in such circumstances. You must check the current price and all other details relating to the arrangements that you wish to book before your booking is confirmed.

25. Insurance

It is a condition of your contract with us that you have adequate insurance in place. You must be satisfied that your insurance fully covers all your personal requirements including medical expenses, repatriation, helicopter rescue and air ambulance in the event of accident or illness. The insurance cover should extend for the planned duration of the holiday and at least an additional day. If you choose to travel without adequate insurance cover, we will not be liable for any losses howsoever arising, in respect of which insurance cover would otherwise have been available.

The insurance policy and the receipt of premiums paid there under should be provided to us prior to departure. If you join the holiday without adequate insurance you may not be allowed to continue on the holiday, with no right to refund. If circumstances give rise to a claim the client will forthwith pursue his remedies under such policy(ies).

We will also ask you for details of the name, address and telephone numbers of their next of kin or persons to be notified in the event of an emergency.

26. Baggage Disclaimer

Although every effort is made to handle passengers' luggage as carefully as possible, Collette is not responsible for and does not assume liability or accept claims for loss of or damage to luggage due to breakage, theft or wear and tear through hotel and group carrier handling. It is recommended for your own self interest and protection that you have adequate insurance to cover these eventualities. Check with your sales agent for low cost insurance to cover these risks.

27. Checked Baggage Charges

Some airlines may impose additional charges if you choose to check any baggage. Please contact your airline or refer to its website for detailed information regarding your airline's checked baggage policies.

28. Holiday & Museum Closures

Museum visits and personal shopping time may be disrupted due to unforeseen circumstances or many religious, state and local holidays observed throughout the world.

29. Motorcoach Washrooms

Most motorcoaches used on our tours are equipped with washrooms (except safari vehicles, exotic locations, and some of our Explorations tours). These are typically for emergency use, as we make plenty of comfort stops, allowing you the opportunity to use public restrooms and/or stretch your legs.
