EXPERTS IN ASIA

For over four decades, travellers have explored Asia with Collette, having exclusive experiences with locals, like sharing a meal with the *ama* pearl divers in Japan. Our tours are designed by destination experts who live in the regions we visit – so you'll go far beyond the guidebook, checking off the must-sees and uncovering mysteries along the way.

Get lost in a bamboo forest in Kyoto. Taste the *banh mi* in Hanoi. Rickshaw through Delhi's streets. Watch the sun rise over the Taj Mahal. Travellers rate our Asia tours as "excellent" again and again. Come find out why.

*"Our tour guide, Ashish, was an excellent tour guide. His knowledge of his country – history, sights, food [and] culture – was outstanding. The itinerary was **excellent!**"*

– TRAVELLER MARY H. ON MYSTERIES OF INDIA (PG. 30)

By Travellers. For Travellers.

Our tours are thoughtfully crafted by in-destination experts. Inclusive itineraries feature rich culinary experiences, unique cultural inclusions, and truly thoughtful engagements with the local community.

As the leader in guided travel since 1918, we pride ourselves on helping travellers get closer to culture in every corner of the world. We get it. Because we're travellers, too.

📍 Learn about herbs grown in Chiang Mai during a visit with a Lanna family, an ethnic group in Thailand.

Yoshiko lives in Japan and guides our tours. One of her favourite moments on our **Cultural Treasures of Japan** tour is when we visit the Senso-ji Buddhist temple because it was a monk in that temple that gave her her name. Her poignant story dates back to 1923. Sharing her home with you isn't her job; it's her passion.

Iliyas lives in India and designs our Asia and Southeast Asia tours, bringing the culture to life. Will you see the Taj Mahal? Absolutely. Will you also dine with a local family in their home and spark a meaningful cultural exchange? You bet.

CRAFTED BY EXPERTS.

From handpicked hotels, restaurants, and cultural experiences to thoughtfully integrated free time, our on-the-ground team in Asia crafts each journey with careful attention to detail.

GUIDED BY EXCELLENCE.

Our Tour Managers are the best in the business. Imagine travelling with a trusted friend who lives in the destination and can introduce you to the local hangouts, hidden gems, and even a new friend or two.

Get closer to culture.

Curious travellers aren't content to simply see a destination. That's why we design tours that fully engage all your senses, leaving you with a deeper sense of connection to the world around you. You won't just pass through Old Delhi in **India**, you'll explore this iconic neighbourhood aboard an e-rickshaw, hopping in and out to meet local vendors. You won't just taste the seafood in **Vietnam** — you'll catch it yourself while floating down the Coco River. Immerse yourself in the culture and let us take care of the details.

● HOME-HOSTED MEALS

Get to know a local family in **Jaipur** when you join them at home for a thoughtfully prepared meal of authentic regional dishes.

● IMPACT MOMENTS

Have you ever heard of “hero rats?” In **Siem Reap, Cambodia**, visit APOPO, a nonprofit that trains rats to save lives by navigating minefields. Learn about the history of the minefields and meet the tiny heroes themselves during a demonstration.

● CULINARY EXPERIENCES

Visit the **Mikimoto Pearl Island in Japan** and learn about the legacy of the *ama* pearl diver. Then venture across the sands to an *ama* hut for an incredible dining experience. While local seafood is grilled in a charcoal fire right before your eyes, hear tales from the *ama* women about their lives and work — defying conventional gender roles to become skilled divers.

Wake up to a new adventure, every single day.

With Collette, no two days on tour are alike.
We like to keep things fresh, from the food you eat to the ways you'll get around.
