Dear Traveler,

Welcome to Collette's 2017-2018 Australia & New Zealand brochure.

At Collette we consider everyone who travels with us our personal guest. And for me, nowhere is that more true than in Australia and New Zealand.

I designed some of our first tours to this part of the world. Since those early days, we've been lucky enough to share the lands "down under" with thousands of travelers. It's full of amazing locations such as Milford Sound, Ayers Rock and one of my favorites, the Sydney Opera House.

This year, our team of experts have outdone themselves. Each day is carefully crafted to share more with you.

Now it's time to go beyond the surface and enjoy a richer and more meaningful experience.

Sincerely,

Daniel J. Sullivan, Jr.
President and CEO

Why Guided Travel is Right for You

As touring has evolved, so has the way we develop and plan tours. Today, it's so much more than a stress-free way to travel. A tour makes the best use of your time, offers you the chance to explore independently or with an expert by your side, provides tremendous value, gives you the chance to learn and make new friends, and more. All travelers understand that embarking on a journey can be a complex task. Let us handle that part while you enjoy the adventure with Collette as your guide.

The Ecuador Story

On the 10th anniversary of our global foundation, our CEO, Dan Sullivan, Jr., returned to the continent that inspired its launch – South America. He traveled to Ecuador with a group of travelers to volunteer. They painted classrooms in Quito at a community center and tended the gardens at a school in an indigenous community in the highlands. Working alongside locals to better these communities in need sent a powerful message: travel should be the global game-changer. By giving our time and working with locals – we help to sustain the very places that make our world special.

It's Our World, We Must Do MORE

We do our best to take care of the world that we travel and the communities where we work. Our employees volunteer over 4,500 hours of service each year. And now, we are finding ways for our travelers to be a part of our mission. Through impact travel, we can leave a positive footprint in the places that we love.

Frequently Asked Questions

Accommodations

What is the difference between a twin room and a double room?

In certain countries, hotel rooms tend to be smaller than U.S. standard accommodations. A double room is designed to accommodate two people, but may not have two separate beds. A twin bedded room has two separate beds of any size, and is the type most commonly utilized.

What size is a triple room? A triple room is the same size as a twin bedded room and beds will accommodate three people, but we cannot guarantee that there will be three separate beds. If there are only two beds, a rollaway may be requested but cannot be guaranteed due to size of room and fire codes. Please inquire at time of reservation.

Can my children travel on tour? Children over the age of 5 may travel on a Collette tour accompanied by an adult. Child land rates are valid for ages 5-12, sharing a room with two full-paying adults.

Are single and triple rooms always available? On many tours, triple and single accommodations are limited and are available on a first come, first served basis. Be advised that single rooms are often smaller.

When can I check into my hotel? Normal check-in time is late afternoon in most locations. Due to early arrival times into some cities, rooms may not always be available for immediate check-in.

Air

Can Collette book our airline reservations? Collette is happy to assist you in accommodating your flight needs. Due to tour scheduling and limited availability, you are strongly encouraged to take advantage of Collette's air packages. We are not responsible for air arrangements you have made on your own. On occasion, it is necessary to change tour dates. In this case, we can only protect air reservations booked through Collette. For all air reservations, it is strongly recommended to reconfirm flights before departure, in the event that the airline has an unexpected schedule change. We cannot assume responsibility for schedule changes, routings or flight cancellations involving the airlines. Not all airlines offer pre-assigned seats. Some charge a fee for seats which will be at the guests' expense. Where pre-assigned seats are not offered, the guests must contact the airline directly to arrange seat assignments.

Attractions & Sightseeing

Are attractions always available? Access to some attractions or Collette Foundation sites may be affected by the observance of holidays, weather conditions or other circumstances. As a result, the days and order of sightseeing may change to best utilize your time on tour. Boat rides are weather permitting. Some attractions may not be available during the "off-season" months. When attractions are unavailable, other similar attractions will be substituted. Wildlife sightings are not guaranteed.

Is there a lot of walking on tour? We pride ourselves on bringing travelers the very best experiences a destination offers. Our itineraries include many activities and may consist of walking on uneven terrain or significant walking at times. Some of the most unique sightseeing can mean accessing locations that restrict motorcoaches, especially in historic areas. Some hotels/lodges in remote locations may not have elevators. For your comfort, we recommend bringing walking shoes. Review each tour's "Tour Activity Level" and "Tour Pacing" (pg 47) for details.

Can you tell me more about the safaris? In order to most fully experience the wildlife, you will be traveling by custom-built safari vehicle which requires climbing in and out frequently and sometimes travels on bumpy roads. To experience Africa fully, we recommend that all travelers be in reasonably good health and prepare properly.

How can I plan for shore landings? Special clothing is required for the shore landings (Antarctica, Galapagos); please refer to your predeparture documents for important details.

Are all theater performances suitable for children? Some theater performances may be unsuitable for children – consult your tour manager.

Documentation

Do I need a passport? Government-issued identification is required for all air travel. A valid passport is required for all trips outside the USA. All passengers should check with the appropriate foreign consulate for entry and validity requirements. We recommend that your passport has six months validity, and at least 3 blank pages. Passports and visas are the responsibility of each client.

International Borders Any child under age 16 (traveling without a parent or legal guardian to Canada) must have written permission from a parent or legal guardian.

Please be advised that if you have been convicted of an offense, or have committed a criminal act that is an offense under the laws where it occurred and would be an offense in Canada, you may be inadmissible into Canada. You will need to apply for a Minister's Permit of Approval of Rehabilitation at a Canadian Consulate. All other travelers should contact the appropriate consulate for entry requirements in other international destinations.

In South Africa, children are required to have a passport as well as additional documentation to travel with you into and out of the country. Please consult the South African Embassy for the current specific requirements related to your travel dates.

Extending Your Stay

Can I extend my tour to see more of a region? Yes! You may enhance your tour by purchasing either an extension or pre/post hotel stays, offered on select tours. Extensions may be "hosted" rather than escorted. When hosted, passengers will be greeted upon arrival by a local tour manager who will provide all included services and be available on-call during the duration of the extension. A minimum number of passengers may be required to operate some extensions. Extensions not purchased at time of deposit are subject to availability and applicable charges at time of request.

Collette also offers pre and post hotel nights before and/or after a tour for you to explore the destination independently. Should you purchase additional nights, please be advised that your tour manager will not be available during this time.

Extras

What is not included in the tour price? The land price does not include air travel, airline fees, airport or departure taxes, transfers, visas, customary end-of-trip gratuities for your Tour Manager, driver, local guides, hotel housekeepers, cruise ship waitstaff, and any incidental charges.

Late Bookings

Do you accept late bookings? Tour sales normally close 7 days prior to departure. All late bookings are on request and must be guaranteed with a credit card if within 60 days of departure date.

On-Tour Experience

Where do I meet my Tour Manager? Your tour will begin at your first hotel. The Tour Manager will make contact with you at the hotel and will provide details relating to your tour. The hotel's address and phone number will be included in your documents.

Can I prepurchase optional excursions/activities? Yes, the majority of optional excursions and activities are available for advance purchase for applicable tours provided that you make your options purchase prior to 15 days of the tour departure. Collette makes it convenient to reserve presold options by visiting our website for a full listing of activities and excursions or when your reservation is made with our reservations staff. In addition, there are benefits to prepurchasing options including a price guarantee once your

tour is paid in full. So, while the cost of an optional activity may change from the time you book your tour, once payment is received in full, your preselected options are guaranteed by Collette at their original price. Although you can still purchase options while on tour, reserving them ahead of time ensures you a spot in the event that the activity sells out. Collette will provide a refund if you cancel a presold option prior to tour departure. Any presold options canceled while on tour are nonrefundable.

What do these symbols mean?

Leisure Stay tours are designed to allow for multiple night stays at each hotel. This allows you a more leisurely pace and more time to explore the destinations on your own.

Cruise-Land tours combine the best of both land and sea. These tours feature all the qualities of our traditional escorted tours, including a Tour Manager, and also include an ocean vessel and a portion on land.

River Cruise tours feature small, intimate vessels for a more personal experience as you travel through a variety of beautiful waterways that are inaccessible to larger cruise ships, and sometimes include a portion on land.

Revisions/Changes

Would my tour date ever be changed? While it is unlikely, Collette does reserve the right to cancel a tour prior to departure. Should this happen, Collette will make every effort to put you on another departure date. If an alternate cannot be found, a full refund will be made. Air booked through Collette will be protected. We cannot be held responsible for penalties incurred if you have secured your own air.

Can I make changes to my reservation? Should you decide to change your reservation after initial booking, a handling fee of \$25 per transaction will be charged. A change of tour date, tour itinerary or passenger name, within the guidelines of the cancellation policy, will be treated as a cancellation and regular cancellation fees may apply.

Revisions to air tickets are subject to the rules and regulations of the airline. See our Cancellation Policy for more details.

Tour Pacing

How can I be best prepared for the pacing and physical requirements on a Collette tour? Tour pacing varies by itinerary, and each destination's sightseeing and activities are unique. Pacing is subject to personal interpretation. At Collette, we do include the best a destination has to offer, enhancing your overall tour experience. For overnight pacing of a tour, please refer to the "Accommodations" section on each tour page and on the tour map. These describe the number of nights you will stay in each hotel during your tour. The day-by-day descriptions will provide additional detail about the number of activities included in each day.

The Tour Activity Level Ranking is featured on each tour itinerary in a circle. The definition of each activity level is listed here. If you have additional questions regarding a specific tour, please inquire at time of reservation. For your comfort, we recommend packing comfortable walking shoes so you can fully enjoy every aspect of your tour.

Aircraft Cabin Disinsection Disclaimer

Travelers Needing Special Assistance

You must report any disability requiring special attention to Collette at the time the reservation is made.* Collette will make reasonable efforts to accommodate the special needs of tour participants. Such participants, however, should be aware that the Americans with Disabilities Act is inapplicable outside of the United States and facilities outside the United States for disabled individuals are limited. It is strongly recommended that persons requiring assistance be accompanied by a companion who is capable of and totally responsible for providing the assistance. Neither Collette nor its personnel, nor its suppliers, may physically lift or assist clients into transportation vehicles. If a traveler thinks he or she might need assistance during a trip, he or she should call Collette to determine what assistance might reasonably be given. Collette cannot provide special individual assistance to tour members with special needs for walking, dining or other routine activities.

*To request a wheelchair accessible room on a cruise, the traveler or person sharing the room must have a recognized disability that alters a major life function and requires the use of a mobility device and the use of the accessible features provided in the wheelchair accessible stateroom.

Holiday and Museum Closures

Museum visits and personal shopping time may be disrupted due to unforeseen circumstances or many religious, state and local holidays observed throughout the world.

Motorcoach Washrooms

Most motorcoaches used on our tours are equipped with washrooms except safari vehicles, exotic locations, and some of our Explorations tours. These are typically for emergency use, as we make plenty of comfort stops, allowing you the opportunity to use public restrooms and/or stretch your legs.

Maps and Photos

Maps shown on tour pages are current at the time of printing and may not reflect actual tour routing should the tour change. Photos shown on tour pages are reflective of the area(s) visited, but may not be included in the actual tour itinerary.

Baggage Disclaimer

Although every effort is made to handle passengers' luggage as carefully as possible, Collette is not responsible for and does not assume liability or accept claims for loss of or damage to luggage due to breakage, theft or wear and tear through hotel and group carrier handling. It is recommended for your own self-interest and protection that you have adequate insurance to cover these eventualities. Check with your sales agent for low-cost insurance to cover these risks.

Checked Baggage Charges:

Some airlines may impose additional charges if you choose to check any baggage. Please contact your airline or refer to its website for detailed information regarding your airline's checked baggage policies. Please be advised there is a \$25 USD/CAD charge (per piece) for checked baggage on most transborder flights between U.S. & Canada. This is a fee levied by the airlines, not Collette, and may be subject to change.

Explanation of Responsibilities and Tour Conditions for Collette

Collette expressly disclaims any liability for any damages that may be incurred for any changes, cancellations or delays on any itinerary on any Collette tour.

All rates on foreign tours are subject to fluctuations of currency and may be changed when necessary without advance notice prior to deposit.

All rates published are per person as indicated and are based on double occupancy when only one rate is shown. Reservations will be accepted subject to availability at the time of request and will be considered confirmed only upon receipt of a minimum deposit. Collette is a member of the following organizations: the National Tour Association, the United States Tour Operators Association, the Alliance of Canadian Travel Associations, the Travel Industry Council of Ontario, and the Association of British Travel Agents. Some of these associations operate a consumer protection plan to cover deposits placed with any tour operator member.

Collette is proud to be a member of USTOA (United States Tour Operators Association), an association that represents the tour operator industry. The USTOA logo on our brochures signifies that Collette is a member in good standing and is backed by their \$1 Million Travelers Assistance Program. Collette, as an Active Member of USTOA, is required to post \$1 million with USTOA to be used to reimburse, in accordance with the terms and conditions of the USTOA Travelers Assistance Program, the advance payments of Collette customers in the unlikely event of Collette's bankruptcy, insolvency or cessation of business. Further, you should understand that the \$1 million posted by Collette may be sufficient to provide only a partial recovery of the advance payments received by Collette. Complete details of the USTOA Travelers Assistance Program may be obtained by email to information@ustoa.com or by visiting their website at www.USTOA.com.

Collette is pleased to give this additional protection to our clients.

Collette's Travel Protection Plan

Part A Waiver Only provided by Collette Travel Service, Inc.: Payment of a per person Travel Protection Plan fee guarantees a full refund of all payments (including deposit), except the Travel Protection Plan fee itself, made to Collette for travel arrangements in case of cancellation of your travel plans for any reason prior to the day of departure. The Travel Protection Plan fee with air only covers airline tickets you have purchased from Collette.

Exception: If you originally purchased nonrefundable airline tickets, the Travel Protection Plan does not provide a refund for the airline tickets, taxes or fees, in the event of a cancellation. This air ticket may be covered by Collette's Travel Protection Plan under Part B, if you cancel your trip for covered reasons (see Part B for more details).

Collette's Travel Protection Plan protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. The Travel Protection Plan does not indemnify you from penalties if you choose to cancel partial tour components or air. If you choose to partially cancel your tour, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation.

Collette's Travel Protection Plan does not cover any single supplement charges which arise from an individual's traveling companion electing to cancel for any reason prior to departure. In this case, the single supplement will be deducted from the refund of the person who cancels. (However, the Part B Benefits referenced below include a single supplement benefit of \$1,000 for certain covered reasons, as detailed in Part B.) Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement.

Payment of the Travel Protection Plan Fee (if chosen) must be received by Collette with your deposit. The fee is nontransferable and valid for each applicant only.

Collette can assume no responsibility for and cannot be held liable for any wrongful, negligent or unauthorized acts or omissions of any travel agent or travel agency other than that of Collette Travel Service, Inc. itself, and its own employees.

Where to Present Part A Claims

To request a refund under the Travel Protection Plan, please call Collette and send any unused airline tickets to:

ATTN: Customer Service Department
