DEAR TRAVELER,

You hold in your hands Collette's 2018-2019 Europe brochure. Inside, you will find everything you need to start exploring new possibilities in this part of the world.

While you look through these pages, picture yourself raising a glass in an Irish pub or savoring wine in Italy. Imagine taking in the rolling Irish countryside or drifting through the water on a gondola in Venice. These are the things that everyone dreams about and here you are, choosing your adventure.

As Collette celebrates our 100th year, we find ourselves reflecting on how very special our travelers are to us. We consider everyone who travels with us our personal guest. The members of our team that you'll meet along the way all share the same passion for travel and the belief in making every moment matter, because we know how much they matter to you. That's the kind of care you can expect from a company that's been creating extraordinary travel experiences for as long as we have.

Sincerely,

Daniel J. Sullivan, Jr.

OUR STORY *begins*

Jack Collette establishes Collette and runs a 21-day trip to Florida for \$61.50

1930s

NEW DESTINATIONS

NYC, Nantucket and Martha's Vineyard join the travel roster.

1960s

CHANGING THE STORY

Dan Sullivan, Sr. purchases Collette in 1962. The World's Fair in 1964 ushers in a new generation of travelers to Collette.

INNOVATING EVERY DAY

As we celebrate 100 years in business, we think back to that first jitney bus carrying New Englanders to Florida. For Jack Collette, it started with the idea to make travel more accessible. From 1918 to the present, Collette has set out to make travel a way of life. For over a century, we've led the way in helping travelers navigate all 7 continents in style.

Our promise to you is that we will continue to innovate - creating tours, travel styles and experiences tailor-made to the needs of our diverse travelers. Like Jack Collette, our experts are always looking ahead, carving out new paths.

THANK YOU

Our 100 year story starts with our travelers, who are at the heart of everything we do. We would not be celebrating this milestone without you.

Thank you for taking this journey with us.

SECOND GENERATION

The second generation of Sullivans joins the company, and Collette begins offering travel to Canada. The Canadian Rockies becomes Collette's first tour with airfare instead of a local motorcoach departure.

1980s

EXPANDING

Collette expands with new tours to Australia, New Zealand, Japan and China. The company opens its first global office in Canada. Soon after, tours to Switzerland, Italy, Ireland, the UK, France, Greece, Spain, Portugal and Scandinavia make Collette a leader in escorted tours worldwide.

Frequently Asked Questions

Accommodations

What is the difference between a twin room and a double room?

In certain countries, hotel rooms tend to be smaller than U.S. standard accommodations. A double room is designed to accommodate two people, but may not have two separate beds. A twin bedded room has two separate beds of any size, and is the type most commonly utilized.

What size is a triple room? A triple room is the same size as a twin bedded room and beds will accommodate three people, but we cannot guarantee that there will be three separate beds. If there are only two beds, a rollaway may be requested but cannot be guaranteed due to size of room and fire codes. Please inquire at time of reservation.

Can my children travel on tour? Children over the age of 5 may travel on a Collette tour accompanied by an adult. Child land rates are valid for ages 5-12, sharing a room with two full-paying adults.

Are single and triple rooms always available? On many tours, triple and single accommodations are limited and are available on a first come, first served basis. Be advised that single rooms are often smaller.

When can I check into my hotel? Normal check-in time is late afternoon in most locations. Due to early arrival times into some cities, rooms may not always be available for immediate check-in.

Air

Can Collette book our airline reservations? Collette is happy to assist you in accommodating your flight needs. Due to tour scheduling and limited availability, you are strongly encouraged to take advantage of Collette's air packages. We are not responsible for air arrangements you have made on your own. On occasion, it is necessary to change tour dates. In this case, we can only protect air reservations booked through Collette. For all air reservations, it is strongly recommended to reconfirm flights before departure, in the event that the airline has an unexpected schedule change. We cannot assume responsibility for schedule changes, routings or flight cancellations involving the airlines. Not all airlines offer pre-assigned seats. Some charge a fee for seats which will be at the guests' expense. Where pre-assigned seats are not offered, the guests must contact the airline directly to arrange seat assignments.

Attractions & Sightseeing

Are attractions always available? Access to some attractions or Collette Foundation sites may be affected by the observance of holidays, weather conditions or other circumstances. As a result, the days and order of sightseeing may change to best utilize your time on tour. Boat rides are weather permitting. Some attractions may not be available during the "off-season" months. When attractions are unavailable, other similar attractions will be substituted. Wildlife sightings are not guaranteed.

Is there a lot of walking on tour? We pride ourselves on bringing travelers the very best experiences a destination offers. Our itineraries include many activities and may consist of walking on uneven terrain or significant walking at times. Some of the most unique sightseeing can mean accessing locations that restrict motorcoaches, especially in historic areas. Some hotels/lodges in remote locations may not have elevators. For your comfort, we recommend bringing walking shoes. Review each tour's "Tour Activity Level" and "Tour Pacing" (pg 165) for details.

Can you tell me more about the safaris? In order to most fully experience the wildlife, you will be traveling by custom-built safari vehicle which requires climbing in and out frequently and sometimes travels on bumpy roads. To experience Africa fully, we recommend that all travelers be in reasonably good health and prepare properly.

How can I plan for shore landings? Special clothing is required for the shore landings (Antarctica, Galapagos); please refer to your predeparture documents for important details.

Are all theater performances suitable for children? Some theater performances may be unsuitable for children – consult your tour manager.

Documentation

Do I need a passport? Government-issued identification is required for all air travel. A valid passport is required for all trips outside the USA. All passengers should check with the appropriate foreign consulate for entry and validity requirements. We recommend that your passport has six months validity, and at least 3 blank pages. Passports and visas are the responsibility of each client.

International Borders Any child under age 16 (traveling without a parent or legal guardian to Canada) must have written permission from a parent or legal guardian.

Please be advised that if you have been convicted of an offense, or have committed a criminal act that is an offense under the laws where it occurred and would be an offense in Canada, you may be inadmissible into Canada. You will need to apply for a Minister's Permit of Approval of Rehabilitation at a Canadian Consulate. All other travelers should contact the appropriate consulate for entry requirements in other international destinations.

In South Africa, children are required to have a passport as well as additional documentation to travel with you into and out of the country. Please consult the South African Embassy for the current specific requirements related to your travel dates.

If travelling internationally with a child under the age of 18, please check directly with the airline for the legal documentation that is required. It is the sole responsibility of the guest to procure the proper documentation to travel and many requirements vary by airline and destination.

Collette will not be responsible for costs incurred for missed flights or canceled tours where a guest fails to secure proper documentation.

Extending Your Stay

Can I extend my tour to see more of a region? Yes! You may enhance your tour by purchasing either an extension or pre/post hotel stays, offered on select tours. Extensions may be "hosted" rather than escorted. When hosted, passengers will be greeted upon arrival by a local tour manager who will provide all included services and be available on-call during the duration of the extension. A minimum number of passengers may be required to operate some extensions. Extensions not purchased at time of deposit are subject to availability and applicable charges at time of request.

Collette also offers pre and post hotel nights before and/or after a tour for you to explore the destination independently. Should you purchase additional nights, please be advised that your tour manager will not be available during this time.

Extras

What is not included in the tour price? The land price does not include air travel, airline fees, airport or departure taxes, transfers, visas, customary end-of-trip gratuities for your Tour Manager, driver, local guides, hotel housekeepers, cruise ship waitstaff, and any incidental charges.

Late Bookings

Do you accept late bookings? Tour sales normally close 7 days prior to departure. All late bookings are on request and must be guaranteed with a credit card if within 60 days of departure date.

On-Tour Experience

Where do I meet my Tour Manager? Your tour will begin at your first hotel. The Tour Manager will make contact with you at the hotel and will provide details relating to your tour. The hotel's address and phone number will be included in your documents.

Can I prepurchase optional excursions/activities? Yes, the majority of optional excursions and activities are available for advance purchase for applicable tours provided that you make your options purchase prior to 15 days of the tour departure. Collette makes it convenient to reserve presold options by visiting our website for a full listing of activities and excursions or when your reservation is made with our reservations staff. In addition, there are benefits to prepurchasing options including a price guarantee once your tour is paid in full. So, while the cost of an optional activity may change from the time you book your tour, once payment is received in full, your preselected options are guaranteed by Collette at their original price. Although you can still purchase options while on tour, reserving them ahead of time ensures you a spot in the event that the activity sells out. Collette will provide a refund if you cancel a presold option prior to tour departure. Any presold options canceled while on tour are nonrefundable.

What do these symbols mean?

Leisure Stay tours are designed to allow for multiple night stays at each hotel. This allows you a more leisurely pace and more time to explore the destinations on your own.

Cruise-Land tours combine the best of both land and sea. These tours feature all the qualities of our traditional escorted tours, including a Tour Manager, and also include an ocean vessel and a portion on land.

River Cruise tours feature small, intimate vessels for a more personal experience as you travel through a variety of beautiful waterways that are inaccessible to larger cruise ships, and sometimes include a portion on land.

Revisions/Changes

Would my tour date ever be changed? While it is unlikely, Collette does reserve the right to cancel a tour prior to departure. Should this happen, Collette will make every effort to put you on another departure date. If an alternate cannot be found, a full refund will be made. Air booked through Collette will be protected. We cannot be held responsible for penalties incurred if you have secured your own air.

Can I make changes to my reservation? Should you decide to change your reservation after initial booking, a handling fee of \$25 per transaction will be charged. A change of tour date, tour itinerary or passenger name, within the guidelines of the cancellation policy, will be treated as a cancellation and regular cancellation fees may apply.

Revisions to air tickets are subject to the rules and regulations of the airline. See our Cancellation Policy for more details.

Tour Pacing

How can I be best prepared for the pacing and physical requirements on a Collette tour? Tour pacing varies by itinerary, and each destination's sightseeing and activities are unique. Pacing is subject to personal interpretation. At Collette, we do include the best a destination has to offer, enhancing your overall tour experience. For overnight pacing of a tour, please refer to the "Accommodations" section on each tour page and on the tour map. These describe the number of nights you will stay in each hotel during your tour. The day-by-day descriptions will provide additional detail about the number of activities included in each day.

The Tour Activity Level Ranking is featured on each tour itinerary in a circle. The definition of each activity level is listed here. If you have additional questions regarding a specific tour, please inquire at time of reservation. For your comfort, we recommend packing comfortable walking shoes so you can fully enjoy every aspect of your tour.

Level 1: At a very leisurely pace, this tour involves minimal physical activity, such as climbing some stairs, boarding a motorcoach, and walking from the hotel reception area to hotel rooms and dining areas.

Level 2: This tour requires average physical activity. You should be in good health, able to climb stairs and walk reasonable distances, possibly over uneven ground and cobblestoned streets.

Level 3: This tour includes moderate physical activity. The itinerary blends some longer days with shorter days and more leisure time. Walking tours, as well as walking slightly longer distances, up stairs or on uneven walking surfaces should be expected.

Level 4: To truly experience the program and destination, you need to be able to participate in physical activities such as longer walking tours, walking over uneven terrain, climbing stairs and periods of standing. Some of the touring days may be longer, with select included activities occurring later in the evening.

Level 5: This tour is very active, requiring participants to be physically fit to fully enjoy all the experiences. This itinerary has more strenuous activities which may include such things as: extensive walking tours, transfers over uneven and dusty terrain, high altitudes, early morning departures, late night activities, or extreme temperatures. All conditions do not apply to all days, so please read the itinerary carefully and speak to one of our travel counselors to determine if this tour is right for you. We recommend this program to individuals who are physically fit. Unfortunately, this tour is not appropriate for individuals who use either walkers or wheelchairs. If this trip is not ideally suited for you, our travel counselors can help determine the perfect trip for you.

You must report any disability requiring special attention to Collette at the time the reservation is made.* Collette will make reasonable efforts to accommodate the special needs of our participants. Such participants, however, should be aware that the Americans with Disabilities Act is inapplicable outside of the United States and facilities outside the United States for disabled individuals are limited. It is strongly recommended that persons requiring assistance be accompanied by a companion who is capable of and totally responsible for providing the assistance. Neither Collette nor its personnel, nor its suppliers, may physically lift or assist clients into transportation vehicles. If a traveler thinks he or she might need assistance during a trip, he or she should call Collette to determine what assistance might reasonably be given. Collette cannot provide special individual assistance to tour members with special needs for walking, dining or other routine activities.

*To request a wheelchair accessible room on a cruise, the traveler or person sharing the room must have a recognized disability that alters a major life function and requires the use of a mobility device and the use of the accessible features provided in the wheelchair accessible stateroom.

Holiday and Museum Closures

Museum visits and personal shopping time may be disrupted due to unforeseen circumstances or many religious, state and local holidays observed throughout the world.

Motorcoach Washrooms

Most motorcoaches used on our tours are equipped with washrooms except safari vehicles, exotic locations, and some of our Explorations tours. These are typically for emergency use, as we make plenty of comfort stops, allowing you the opportunity to use public restrooms and/or stretch your legs.

Seat Rotation

Seats are rotated onboard the coach for all Collette tours under the direction of the tour manager. So that we do not show partiality among passengers, exceptions cannot be made.

Maps and Photos

Maps shown on tour pages are current at the time of printing and may not reflect actual tour routing should the tour change. Photos shown on tour pages are reflective of the area(s) visited, but may not be included in the actual tour itinerary and the conditions you experience may be different than depicted in the photograph(s).

Baggage Disclaimer

Although every effort is made to handle passengers' luggage as carefully as possible, Collette is not responsible for and does not assume liability or accept claims for loss of or damage to luggage due to breakage, theft or wear and tear through hotel and group carrier handling. It is recommended for your own self-interest and protection that you have adequate insurance to cover these eventualities. Check with your sales agent for low-cost insurance to cover these risks.

There are limitations by coach and air carrier as to the number and size of bags which can be carried onboard and in bulk storage. Be sure to ask your travel professional about such restrictions before departing for your tour.

Checked Baggage Charges:

Some airlines may impose additional charges if you choose to check any baggage. Please contact your airline or refer to its website for detailed information regarding your airline's checked baggage policies. Please be advised there is a \$25 USD/CAD charge (per piece) for checked baggage on most transborder flights between U.S. & Canada. This is a fee levied by the airlines, not Collette, and may be subject to change.

Collette's Travel Protection Plan

Following is an outline of the Non-Insurance Pre-Departure Cancellation Fee Waiver, Insurance Benefits and non-insurance assistance services that make up the Travel Protection Plan.

Part A Waiver Only provided by Collette Travel Service, Inc.: The Pre-Departure Cancellation Fee Waiver is provided by Collette and is not an insurance benefit underwritten by United States Fire Insurance Company. Payment of a per person Travel Protection Plan fee guarantees a full refund of all payments (including deposit), except the Travel Protection Plan fee itself, made to Collette for travel arrangements in case of cancellation of your travel plans for any reason prior to the day of departure. The Travel Protection Plan fee with air only covers airline tickets you have purchased from Collette.

Exception: If you originally purchased nonrefundable airline tickets, this Part A Travel Protection Plan does not provide a refund for the airline tickets, taxes or fees, in the event of a cancellation. This air ticket may be covered by Collette's Travel Protection Plan under Part B, if you cancel your trip for covered reasons (see Part B for more details).

The Part A Waiver portion of Collette's Travel Protection Plan protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. The Part A Waiver portion of the Travel Protection Plan does not indemnify you from penalties if you choose to cancel partial tour components or air. If you choose to partially cancel your tour, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation.

Collette's Part A Waiver portion of the Travel Protection Plan does not cover any single supplement charges which arise from an individual's traveling companion electing to cancel for any reason prior to departure. In this case, the single supplement will be deducted from the refund of the person who cancels. (However, the Part B Benefits referenced below include a single supplement benefit of \$1,000 for certain covered reasons, as detailed in Part B.) Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement.

Payment of the Travel Protection Plan Fee (if chosen) must be received by Collette with your deposit. The fee is nontransferable and valid for each applicant only.

Collette can assume no responsibility for and cannot be held liable for any wrongful, negligent or unauthorized acts or omissions of any travel agent or travel agency other than that of Collette Travel Service, Inc. itself, and its own employees.
